Lawrence,2016-01-18 This autobiography tells the story of Juliette Gordon Low the founder of Girl Scouts of the USA with the help of Sir Robert Baden Powell the founder of the Scouting Movement But this is much more than the story of one woman and the organization she started it is first of all a chronicle of two great American families the Kinzies who were founders of Chicago and the Gordons whose name is magic to this day in Savannah Georgia that in 1860 produced the gallant willful exasperating generous and wholly lovable Juliette known as Daisy Gordon The narrative of Daisy s marriage to Willy Low also offers insider s view of Edwardian high society in England The Girl Scouts are most particularly proud that this woman from a background of wealth and privilege was able to envision a youth movement for the girls of all America which serves a membership of ever increasing diversity as the diversity of our country grows **Spiked** Caroline Campbell,2025-01-31 I

tried to outrun you she said but I realised it was impossible because you are everywhere It starts with a body Daniel lies dead in a flat in London violently murdered by his girlfriend Daisy He s no loss to the world but now she s going to need her parents help to cover up the crime Maeve s been dreaming of this road trip across Europe since she was a teenager On it she ll research a story she thinks the world urgently needs to hear and try to fix her broken marriage to her bullying husband Simon at the same time She just hadn t planned on bringing the bloody evidence of the murder their daughter committed

with them evidence that s definitely passed its best before date as their journey takes them from the nightclubs of Berlin and the darkest corners of Venice to the piazzas of Rome and the sun soaked beaches of the Amalfi coast But someone knows what they ve done Someone is stalking them someone who knows about Daniel And as the couple travel south and their persecutor s threats grow more twisted and deadly back in London the police are asking Daisy questions she can t answer about Daniel s disappearance The world needs to brace itself for the rage of a woman who s had enough From Prague to Munich Venice and Rome Maeve meets women who have devastating stories to tell about the awful things men do behind closed doors And as the net closes in on Maeve and her family she realises she s finally ready to turn a lifetime s worth of fury into a vengeance that will shake the world Spiked is that rare discovery a book that successfully addresses a dark and difficult theme via an engaging story narrated succinctly with wit and humour Fleabag meets Gone Girl in this electrifying and emotional feminist thriller pulsing with wit and suspense that will put fear and rage in your heart It made me want to take to the streets and deal with violent men the way the book s heroines do Angry witty heart breaking and evocative Spiked takes you on a thrilling journey across Europe and into the darkest corners of a world where men are women s greatest predators in an original and fourth wall breaking novel that I found myself unable to put down I finished it feeling angry yet hopeful that Campbell s vision of what is needed to end male violence against women might take root in the real world A must read for anyone who cares about women s rights
