**Sea Wolves from the North** Michael Mullen.1995 **The Sea Wolves** Nicholas Read, 2013-07-15 The Sea Wolves sets out to disprove the notion of the Big Bad Wolf especially as it is applied to coastal wolves a unique strain of wolf that lives in the rainforest along the Pacific coast of Canada Genetically distinct from their inland cousins and from wolves in any other part of the world coastal wolves can swim like otters and fish like the bears with whom they share the rainforest Smaller than the gray wolves that live on the other side of the Coast Mountains these wolves are highly social and fiercely intelligent creatures Living in the isolated wilderness of the Great Bear Rainforest coastal wolves have also enjoyed a unique relationship with man The First Nations people who have shared their territory for thousands of years do not see them as a nuisance species but instead have long offered the wolf a place of respect and admiration within their culture Illustrated with almost one hundred of Ian McAllister's magnificent photographs. The Sea Wolves presents a strong case for the importance of preserving the Great Bear Rainforest for the wolves the bears and the other unique creatures that live there **Sorcerer of the North** John Flanagan, 2009-06-25 The international bestselling series with over 5 million copies sold in the U S alone Several years have passed since the apprentice and his master Will and Halt first met and Will is finally a full fledged Ranger with his own fief to look after The fief seems sleepy boring even until Lord Syron master of a castle far in the north is struck down by a mysterious illness Joined by his friend Alyss Will is suddenly thrown headfirst into an extraordinary adventure investigating fears of sorcery and trying to determine who is loyal to Lord Syron As Will battles growing hysteria traitors and most of all time Alyss is taken hostage and Will is forced to make a desperate choice between his mission and his friend Perfect for fans of J R R Tolkien's Lord of the Rings T H White's The Sword in the Stone Christopher Paolini's Eragon series and George R R Martin s Game of Thrones A Song of Ice and Fire series Coastal Trails of Northern California Linda Mullally, David Mullally, 2017-06-01 Coastal Trails of Northern California Including Best Dog Friendly Beaches is a hiking quide to between 40 and 45 of the best coastal trails in Northern California including dog friendly beaches Look inside for detailed hike descriptions miles and directions maps and color photos for each hike Hike descriptions also include history local trivia and trailhead GPS coordinates New Sailing Directions for the East Coast of North America. ...
