Film Politics examines the tangled relationship between politics and Hollywood which manifests itself in celebrity involvement in political campaigns and elections and in the overt and covert political messages conveyed by Hollywood films. The book's findings contradict the film industry's assertion that it is simply in the entertainment business and examines how while the majority of Hollywood films are strictly commercial ventures hundreds of movies ranging from *Birth of a Nation* to *Fahrenheit 9/11* do indeed contain political messages. *Here's Looking at You* serves as a basic text for political film courses and as a supplement in American government and film studies courses and will also appeal to film buffs and people in the film industry. **The New York Times Magazine**, 2003 **Encyclopedia of Sports Films** K Edgington, Thomas

Erskine, James M. Welsh, 2010-12-29 Whether chronicling an athlete's rise, fall and redemption or following a team's improbable triumph on the field, sports have been a favorite theme of filmmakers almost since movies were first produced. And whether focusing on soccer, *Bend It Like Beckham*, boxing, *Rocky* and its sequels, hockey, *Slap Shot*, baseball, *Bull Durham*, football, *The Longest Yard*, basketball, *Hoosiers*, cycling, *Breaking Away*, or tennis, Wimbledon, such films capture the competition and thrill of sport. All major films with a primary focus on athletic endeavor are contained in *Encyclopedia of Sports Films*. In this volume more than 200 fictional feature length movies released between 1925 and 2010 are described, including comedies, dramas, and biopics. While the focus is on Hollywood productions, independent films and foreign releases are also represented. Though boxing and baseball films have tended to dominate the genre, many other sports are also included here, including skiing, curling, and cricket. Arranged alphabetically by title, each main entry contains a synopsis of the film, principal production information, and a critical analysis. In addition to the main entries, credits and brief descriptions for more than 200 films are also provided. DVD and VHS distributors are included if available. Appendixes include made-for-television movies, documentaries, and films based on or inspired by true events and persons. For teachers who wish to incorporate films into their lesson plans as well as librarians ordering titles for their patrons, *Encyclopedia of Sports Films* will be a valuable resource. **Paddleways of Mississippi** Ernest Herndon, Patrick Parker, 2024-03-26 Chosen as
