**Adoption** Barbara A. Moe, 2007-03-29 This compilation of the best thinking about adoption by both historical and current authorities reveals a vital ever changing practice affecting the lives of millions of people around the globe The ancient practice of adoption has changed significantly through history In colonial America parents adopted out their unwanted children those who were rude stubborn and unruly to other families Today Americans go abroad looking for children to adopt and have adopted more than a quarter million internationally Adoption A Reference Handbook Second Edition not only traces the development of expert thinking about adoption it also looks at both sides of the latest controversial issues Should adoptions be open or closed Should the government regulate adoptions more closely or less This updated second edition offers an international perspective with a new chapter on how countries outside the United States provide adoption services This work is an indispensable resource for those thinking about adoption or researching its history

Jean Paton and the Struggle to Reform American Adoption E. Wayne Carp, 2014-02-10 Jean Paton 1908 2002 fought tirelessly to reform American adoption and to overcome prejudice against adult adoptees and women who give birth out of wedlock Paton wrote widely and passionately about the adoption experience corresponded with policymakers as well as individual adoptees promoted the psychological well being of adoptees and facilitated reunions between adoptees and their birth parents E Wayne Carp s masterful biography brings to light the accomplishments of this neglected civil rights pioneer who paved the way for the explosive emergence of the adoption reform movement in the 1970s Her unflagging efforts over five decades helped reverse harmful policies practices and laws concerning adoption and closed records struggles that continue to this day

**American Baby** Gabrielle Glaser, 2022-01-25

A New York Times Notable Book The shocking truth about postwar adoption in America told through the bittersweet story of one teenager the son she was forced to relinquish and their search to find each other T his book about the past might foreshadow a coming shift in the future I don t think any legislators in those states who are anti abortion are actually thinking Oh great these single women are gonna raise more children No their hope is that those children will be placed for adoption But is that the reality I doubt it says Glaser Mother Jones During the Baby Boom in 1960s America women were encouraged to stay home and raise large families but sex and childbirth were taboo subjects Premarital sex was common but birth control was hard to get and abortion was illegal In 1961 sixteen year old Margaret Erle fell in love and became pregnant Her enraged family sent her to a maternity home where social workers threatened her with jail until she signed away her parental rights Her son vanished his whereabouts and new identity known only to an adoption agency that would never share the slightest detail about his fate The adoption business was founded on secrecy and lies American Baby lays out how a lucrative and exploitative industry removed children from their birth mothers and placed them with hopeful families fabricating stories about infants origins and destinations then closing the door firmly between the parties forever Adoption agencies and other organizations that purported to help pregnant women struck unethical deals with doctors and researchers for pseudoscientific assessments and shamed millions of women into surrendering their children The identities of many who were adopted or who surrendered a child in the postwar decades are still locked in sealed files Gabrielle Glaser dramatically illustrates in Margaret and David s tale one they share with millions of Americans a story of loss love and the search for identity

**The Girls Who Went Away** Ann Fessler, 2007-06-26 The astonishing untold history of the million and a half women who surrendered children for adoption due to enormous family and social pressure in the decades before Roe v Wade It would take a heart of stone not to be moved by the oral histories of these women and by the courage and candor with which they express themselves The Washington Post A remarkably well researched and accomplished book The New York Times Book Review A wrenching riveting book Chicago Tribune In this deeply moving and myth shattering work Ann Fessler brings out into the open for the first time the hidden social history of adoption before Roe v Wade and its lasting legacy An adoptee who was herself surrendered during those years and recently made contact with her mother Ann Fessler brilliantly brings to life the voices of more than a hundred women as well as the spirit of those times allowing the women to tell their stories in gripping and intimate detail

*The Psychology of Adoption* David M. Brodzinsky Associate Professor of Developmental and Clinical Psychology Rutgers University, Marshall D. Schechter Professor of Child and Adolescent Psychiatry University of Pennsylvania School of Medicine (Emeritus), 1990-04-12 In this volume David Brodzinsky who has conducted one of the nation s largest studies of adopted children and Marshall Schechter a noted child psychiatrist who has been involved with adoption related issues for over forty years have brought together a group of leading researchers from various disciplines to explore the complex interdisciplinary subject of adoption While recent empirical work has shown that

adopted children are more vulnerable to a host of psychological and school related problems compared to their nonadopted peers and that the rate of referral of adopted children to mental health facilities is far above what would be expected given their representation in the general population our understanding of the basis for these problems remains unclear In this book theoretical empirical clinical and social policy issues offer new insights into the problems facing parents of adopted children and especially the children themselves A comprehensive study *The Psychology of Adoption* will be of interest to child psychiatrists developmental and clinical psychologists social workers social service providers and adoptive parents

**Adoption, Identity, and Kinship** Katarina Wegar, 2008-10-01 Sociologist Katarina Wegar offers a new perspective on adoption and the search debate placing them within a social context She argues that Americans who are embroiled in adoption controversies have failed to understand how much the debate adoption research and the experience of adoption itself are affected by persistent social beliefs that adopted children are different from and somehow inferior to children reared by their biological families Wegar begins by considering the historical and legal development of adoption and of sealed records policies showing how kinship ideology the helping professions and gender issues intersect to frame adoption policies and the ongoing debate Drawing on articles in social work and mental health journals activist newsletters and autobiographies by search activists as well as on popular images of adoption portrayed in talk shows and other media she analyzes the rhetoric to reveal the unconscious biases that exist She concludes with a discussion of ways in which adoption reformers can avoid perpetuating harmful and confining images of those who participate in adoption *Children and Youth in Adoption, Orphanages, and Foster Care* Lori Askeland, 2005-12-30 Adoption and foster care is a new and burgeoning area of historical and interdisciplinary research Too often however birth parents adoptive parents foster parents social workers and the children themselves have either been ignored or demonized This comprehensive introductory resource provides an authoritative yet accessible examination of adoption and foster care as it has been practiced in the United States Within the pages of this volume the reader will find a complete view of the many individuals and groups involved as well as a thorough understanding of the various social and economic forces that have contributed to the perceptions of what children are in need of care Also discussed is the role of orphanages once the primary institution for children without parents as well as a stopgap measure for poor children needing temporary care Divided into three major sections original essays review the practice of adoption orphanage placement and foster care from the colonial period to the present day Selected primary documents including materials by children as well as an in depth bibliographic section provide crucial information and insight for high school and college students Social workers journalists and others will also find much value in this historical overview and guide Contributors include Elizabeth Bartholet Marilyn Irvin Holt Martha Satz and Claudia Nelson Adoption and foster care is a new and burgeoning area of historical and interdisciplinary research Too often however birth parents adoptive parents and foster parents social workers and the children themselves have been either ignored or demonized This

authoritative and accessible work is the first comprehensive introductory resource that gives a fuller portrait of the many individuals and groups that have contributed to the perceptions of what children are in need of care. Also discussed is the role of orphanages, the primary institution for children without parents as well as a stopgap measure for poor children needing temporary care. Divided into three sections, original essays review the practice of adoption, orphanage placement and foster care from the colonial period to the present day. Selected primary documents including materials by children as well as an in-depth bibliography section provide crucial information and insight for high school and college students. Social workers, journalists and others will also find much value in this historical overview and guide. Star contributors include Elizabeth Bartholet, Marilyn Irvin Holt, Martha Satz and Claudia Nelson.

**Young Love** Bonnie Parsons, 2019-12-03 *Young Love: An Adoptee's Memoir* describes the author's lifelong innate curiosity about her adoption. She was born in Catherine Booth Hospital in Montreal, Quebec, Canada and relinquished into foster care by her birth mother at six weeks. Adopted and raised in a family with love and support, she nevertheless became frustrated, not knowing anything about her biological family and her heritage, and further frustrated when she learned what it means to have a closed adoption. As a young mother, she finally decided to ask for answers and began a 35-year search for her birth parents. The story unfolds with non-identifying information, library research, internet research, and DNA. Adoption search angels provide invaluable assistance and encouragement. Bonnie Parsons' style is open and fresh. She shares her love for both her adoptive and biological families. This memoir will inform and inspire adoptees who are searching. The answers are out there. Never give up.

- 1 Margaret, the daughter of Jewish refugees from Nazi Europe, was always the caregiver. She was so trustworthy that her parents asked her to watch their children. She had rules, and one was expected to obey.
- 2 The Erles were modern Orthodox and they strictly observed the Sabbath as a day of prayer and rest. Margaret was an active member in her synagogue where she learned to read Hebrew and drew strength from the ancient prayers she chanted in the separate women's section.
- 3 Gertrude had grown up in a small German city with a medieval monastery, a town square with brick Gothic arches, and timbered buildings with fairy tale spires. She had yearned for horizons beyond Fulda. Alone, she set out for the United States in 1927.
- 4 As the war raged in Europe, Gertrude and Josef, by then in their late thirties, put their faith in the future, marrying in 1940. They had two children, Margaret and Allen, but their future seemed uncertain as they lived in a noisy railroad flat near the George Washington Bridge.
