Search For Transcendence:

The Search for Transcendence William Alexander Johnson,1974 The search for transcendence is an absorbing and ongoing enterprise Transcendence is the most discussed the most compelling and the most engaging of the subjects with which contemporary theologians deal The impulse to move from the ordinary dimensions of life to the extraordinary is not invented by the theologians but is one which appears to spring up from the deepest levels of consciousness itself Introduction

In Search of Transcendence Jerry H. Gill,2017-07-31 This book explores the philosophical religious thought of Soren Kierkegaard Ludwig Wittgenstein and Nikos Kazantzakis in relation to the concept of transcendence Each of these thinkers has made a strong impact on Western religious and philosophical thought but each from a nearly completely different angle as well as from a different national background This comparative study therefore crosses both national and perspectival boundaries Each of the three thinkers struggled with the notion of transcendence but in uniquely distinct fashion The conclusion offers yet a third model the author s for understanding transcendence focusing on the concept of mediation
