Search For Shangri La:

The Search For Shangri-La Charles Allen, 2015-11-05 The idea of a hidden refuge a paradise far from the stresses of modern life has universal appeal In 1932 the writer James Hilton coined the word Shangri La to describe such a place when he gave that name to a hidden valley in the Himalayas in his novel LOST HORIZON In THE SEARCH FOR SHANGRI LA acclaimed traveller and writer Charles Allen explores the myth behind the story He tracks down the sources that Hilton drew upon in writing his popular romance and then sets out to discover what lies behind the legend that inspired him In the course of a lively and amusing account of his four journeys into Tibet Allen also gives us a controversial new reading of the country s early history shattering our notions of Tibet as a Buddhist paradise and restoring the mysterious pre Buddhist religion of Bon to its rightful place in Tibetan culture He also locates the lost kingdom of Shang shung and in doing so the original Shangri La itself in an astounding gorge beyond the Himalayas full of extraordinary ruins

Searching for Shangri-La Laurence Brahm, 2017-04-01 In 2002 author filmmaker and economist Laurence Brahm inspired by James Hilton s novel Lost Horizon and his own quest for meaning began his search for Shangri la Some say that Shangri la can be found in sacred Tibet or maybe in wild Qinghai others believe it can be found in artistic Yunnan in the southwest of China The author discovered the spiritual truth that Shangri la is not a place rather it is a state of mind As Brahm hitchhiked through western China well off the beaten track he recorded the interior changes and illuminations he experienced as his consciousness expanded far beyond the everyday cares of his years of urban life in Beijing The insights of his journey and his meetings with others who searched for their own versions of Shangri la helped him to understand that the archetypal goal he sought was actually a state of consciousness Shangri la may be found in a cup of caf latte or yak butter tea 8212if we search carefully enough and with mindfulness and compassion Searching for Shangri la is the first book of the Himalayan Trilogy The reader will discover the need for fresh economic paradigms that call for compassionate capital the empowerment of people and prioritization of the environment Spirituality can be more powerful than materialism The need for sustainability has rarely been so beautifully and eloquently defended

Conversations with Sacred Mountains Laurence Brahm,2017-04-01 Inspired by James Hilton s 1933 novel Lost Horizon Laurence Brahm went in search of the mystical realm of Shangri la traveling along the ancient Tea Caravan Trail in Yunnan Province of southwest China Starting in the capital city of Kunming Brahm traveled from Dali to Lijiang through Yi to Lago Lake and to Zhongdian and Deqin and the sacred Kawagebo Mountain Each region has its own culture and ethnic tradition and is trying to preserve the old way of life while adapting to the economic realities of modern life and tourism Along the way Laurence met various individuals 8212including the famous Chinese dancer Yang Liping 8212and learned of a movement of conscious people fighting against the onslaught of modernism to preserve their cultures and identities They shared with him stories about the misty mountains that stand majestically in this land south of the clouds and explained how such mountains are sacred to all who live in these regions
