Seeking Hidden Treasures James Magner, 2020-08-11 There are few things more intriguing in life than a hunt for hidden treasures. In a collection of short stories, commentaries, essays, and a novella, James Magner presents diverse characters, engaging plots, and enriching insights into the human condition. Within Magner's stories, his characters search for buried gold, seek a forgotten safe, lift cash from gangsters, solve a murder, escape Nazi-occupied Vienna with hidden assets, secure loot from a Spanish shipwreck, assist an uncle who may be living on top of a goldmine, and embark on other adventures that lead to entertaining and sometimes dangerous situations. Magner's essays explore a variety of topics, including the necessary limits of science as a tool for understanding the meaning of our lives and the world, and the significant role of luck in life and poker. Finally, in a novella set in Las Vegas in 2015 during a famous international poker tournament, Magner details a deceitful conspiracy scheme while also recounting his real-life experiences as he won more than a quarter of a million dollars in lifetime winnings. 400,000 Seeking Hidden Treasures shares the struggles and joys of an eclectic group of characters on unique quests to find riches with the potential to change their lives forever.

The Trinity Unveiled Cass Bernard, 2021-08-03 Most Churches teach that God Jesus and the Holy Spirit are equal beings and somehow the same God They themselves admit It is a mystery beyond our comprehension Still however they want us as followers to accept this belief with faith despite the fact they cannot explain it Because of this and the lack of support from the scriptures do we not have every right to question it Do the scriptures show there is a three in one God Jesus said at John 6 38 NIV bolding added for emphasis For I have come down from heaven not to do my will but to do the will of him who sent me This scripture describes two wills If there are two wills then there must be two beings If one sends the other then one is evidently in charge which means they cannot be the same or equal Many other scriptures concur such as 1 Corinthians 11 3 NIV that reads the head of Christ is God The book highlights the scriptures used for support of this doctrine and includes the contexts that surround those same verses to show that the Bible does not teach a triune type of God anywhere This book offers over one hundred scriptures that combine to prove the falseness of the teaching of the Trinity Besides more than enough scriptural evidence the book also brings into focus how other Bible versions render those same Trinity scriptures and dives into the history of this doctrine When these things are all exposed the Trinity fails to deliver as truth
