Katz, Rueben Warren, 2011-07-16 The Search for the Legacy of the USPHS Syphilis Study at Tuskegee is a collection of essays that seeks to redefine the legacy of the infamous Tuskegee Syphilis Study in light of recent findings from other scientific studies that challenge the long standing widely held understanding of the study These essays are written with thoughtful attention to fully integrate the essayists perspectives on the impact of the study on the lives of Americans today and place the legacy of the study within the evolving picture of racial and ethnic relations in the United States Each essayist looks through his or her own personal and professional prism to give an account of what constitutes that legacy today Contributors include the two leading historians of the Tuskeegee Syphilis Study and two former Surgeons General of the United States as well as other prominent scholars from the fields of public health bioethics psychology biostatistics medicine dentistry journalism medical sociology medical anthropology and health disparities research In Search of Creative Commons: Crisis, Catastrophe, and Responsive Literature in India Dhritiman Chakraborty, Sanchayita Paul Chakraborty, Mukunda Mishra, 2024-12-18 This book contains selected papers presented at the international conference titled In Search of Creative Commons Crisis Catastrophe and Responsive Literature in India held at the Abid Ali Khan Centre for Digital Archive and Translation of Cultures Gour Mahavidyalaya College from 31 August to 2 September 2023 in collaboration with the Department of English Dr Meghnad Saha College The conference was funded by the Indian Council of Social Science Research ICSSR In this book three basic questions are considered First as humans try to live in and through catastrophes and exceptional situations in the contemporary world what new perspective can literature as a creative form offer for healing and restorative purposes Second what new idioms and narrative styles massive crises such as famine partition migration the

decimation of forests rivers and the disappearance of villages held up in creative articulations in colonial and postcolonial times in India Can these representations be called responsive literature Further and this is the third major contention of this book how can responsive literature be thought of as a conceptual category What new transdisciplinary optic should be adopted to go beyond the limits of the literary and eventually include the non literary. The objective of these discussions was to contribute to the larger discursive literature on disaster studies which we believe has been excessively hegemonized by concepts from the West By bringing in indigenous ideas from Bhasa Sahitya language and literature the images of samaj society samata equity and ahimsa non violence the existing literature on catastrophe and crisis studies can finally be A Student's Guide to Studying Psychology Thomas M. Heffernan, 2005-03-01 Now in its third edition this very popular guide to studying psychology remains an invaluable tool for students at both undergraduate and pre degree level along with those deciding whether to take psychology as an academic subject Providing insights into the most critical aspects of studying psychology A Student's Guide to Studying Psychology is distinguished from other texts by its easy to follow format and practical nature Topics covered include perspectives within psychology making the most of seminars tutorials and lectures how to write essays and empirical reports guidelines on exam preparation and technique information on careers in psychology and tips for applying for jobs including how to write your own curriculum vitae For this fully updated third edition new advice is included on web based research and referencing Subject coverage is expanded to include contemporary research trends in cognitive neuroscience evolutionary psychology and positive psychology In addition new material investigates postgraduate specialisms including neuropsychology psychotherapy and sport psychology Algernon Charles Swinburne, 1880 In Search of the Dark Ages Michael Wood, 2015-05-14 Updated with the latest archaeological research new chapters on the most influential yet widely unrecognised people of the British isles In Search of the Dark Ages illuminates the fascinating and mysterious centuries between the Romans and the Norman Conquest of 1066 In this new edition Michael Wood vividly conjures some of the most important people in British history such as Hadrian a Libyan refugee from the Arab conquests and arguably the most important person of African origin in British history to Queen Boadicea the leader of a terrible war of resistance against the Romans Here too warts and all are the Saxon Viking and Norman kings who laid the political foundations of England Offa of Mercia Alfred the Great Athelstan and William the Conqueror whose victory at Hastings in 1066 marked the end of Anglo Saxon England Reflecting the latest historical textual and archaeological research this revised and updated edition of Michael Wood's classic book overturns preconceptions of the Dark Ages as a shadowy and brutal era showing them to be a richly exciting and formative period in the history of Britain

Digital Libraries for Open Knowledge Eva Méndez, Fabio Crestani, Cristina Ribeiro, Gabriel David, João Correia Lopes, 2018-09-04 This book constitutes the proceedings of the 22nd International Conference on Theory and Practice of Digital Libraries TPDL 2018 held in Porto Portugal in September 2018 The 51 full papers 17 short papers and 13 poster and

Ganter, 2008 Theresa M. Ganter investigates Heiner Muller's use of the Geschichtsdrama as a tool in his search for post World War II and post reunification German identity in Germania Tod in Berlin 1956 1971 and Germania 3 Gespenster am Toten Mann 1996 respectively A Study of Shakespeare Algernon Charles Swinburne, 1880 **Search for Quotation** Richard L. Schultz, 1999-01-01 A thorough study of guotation within ancient and modern literatures is the background for this new approach to alleged quotations within the prophetic writings. The common claim that specific verbal parallels result from the conscious repetition of the words of a predecessor is beset by difficulties After examining quotation in non prophetic ancient Near Eastern early Jewish Old Testament wisdom and narrative and modern Western literatures Schultz proposes a new model for interpreting verbal parallels that utilizes several criteria for identifying quotation and combines diachronic with synchronic analysis He then applies this model to five representative verbal parallels involving the book of Isaiah This book illustrates how an awareness of the versatility of quotation facilitates a more accurate interpretation of verbal parallels and at the same time calls for greater caution in employing them in support of various **In Search of a New Humanism** M.R.
