grants the children one wish per day while warning them that whatever they wish for will turn to stone when the sun sets. The children's fear quickly turns to wonder and they begin to wish for increasingly ambitious things: a pile of gold coins, the power of flight, superhuman size, a castle. With each wish comes a commensurate adventure forcing the children to escape more and more dangerous situations. As it grants the children wish after wish, the initially cynical Psammead grows to appreciate their vibrant imaginations and seemingly unquenchable passion for adventure. *Five Children and It* is a masterpiece of fantasy from Edith Nesbit, one of the twentieth century's leading authors of children's fiction. With a beautifully designed cover and professionally typeset manuscript, this edition of Edith Nesbit's *Five Children and It* is a classic of English children's literature reimagined for modern readers.
