**A Season in Bethlehem** Joshua Hammer, 2004-06-03 Newsweek's Middle East bureau chief offers an unparalleled and balanced insider's perspective on the Palestinian intifada between 2000 and 2002 **Princeton Alumni Weekly**, 2003

*War on Sacred Grounds* Ron E. Hassner, 2025-05-15 In *War on Sacred Grounds* Ron E. Hassner investigates the causes and properties of struggles over sites that are both venerated and contested and proposes ways for managing these disputes. Holy places can create the potential for clashes not only between competing religious groups but also between religious groups and secular actors. Hassner illustrates this complex violent dynamic through a series of case studies including the conflict over Jerusalem and competing Hindu and Muslim claims over Ayodhya. He also analyses successful compromises that reduced conflict in Jerusalem in 1967 and in Mecca in 1979. In this updated edition of *War on Sacred Grounds* Hassner reevaluates his findings and conclusions and surveys ongoing conflicts over holy sites. *Treading on Hallowed Ground* C.

Christine Fair, Sumit Ganguly, 2008-09-29 After America's Iraq adventure devolved into a debacle a chorus of commentators and analysts noted that the U.S. military had no plan to fight a counterinsurgency campaign. Given the failure of conventional tactics America in the last two years has redoubled its efforts to develop a new strategy to fight the Iraqi insurgency and has gone so far to place our leading counterinsurgency expert General David Petraeus in charge of the Iraq theater. In sum there seems to be a growing consensus that for better or worse counterinsurgency will be a core tactic in future American military campaigns. Iraq of course presents special problems to the U.S. because of the intensity of religious belief and sectarianism. How do we fight against an insurgency that so often strategically positions itself on hallowed ground, mosques and shrines? Yet Iraq is not unique. As the contributors to *Treading on Hallowed Ground* show counterinsurgency efforts on religiously contentious terrain is a widespread phenomenon in recent times ranging from North Africa to Central and Southeast Asia. Here C. Christine Fair and Sumit Ganguly have assembled an impressive group of experts to explore the most important counterinsurgency efforts in sacred spaces in our era: churches in Israel, mosques and shrines in Iraq, the Sikh Golden Temple in India, mosques and temples in Kashmir, the Krue Se Mosque in Thailand and the Grand Mosque in Saudi Arabia. Taken together the essays comprise the first comprehensive account of this increasingly pivotal component of contemporary war.

*Jerusalem Testament* Melanie May, 2010-02-22 This book bears powerful witness to the gospel of Jesus Christ and to the faith and hope of Palestinian Christians living in the Occupied Territories. Melanie May introduces and presents the remarkable public statements made by the Jerusalem Heads of Churches over the course of two decades from 1988 to 2008. Through *Jerusalem Testament* the voices of Palestinian pastors speak out on behalf of their own people, calling Christians worldwide to a new covenant with their brothers and sisters in and around Jerusalem. John U. Hanna, 2004 Addresses the rapid infusion of Islam and Muslim culture into the U.S. and touches on the hidden agenda of Muslim fundamentalists living in the U.S. and their goal of ultimate subjugation of non-Muslims **Arab-Israeli Conflict**

Priscilla Roberts, 2014-07-15 Truly an essential reference for today's world this detailed introduction to the origins events and impact of the adversarial relationship between Arabs and Israelis illuminates the complexities and the consequences of this long lasting conflict The Arab Israeli conflict remains one of the most contentious in modern history one with repercussions that reach far beyond the Middle East This volume describes and explains the most important countries people events and organizations that play or have played a part in the conflict Chronological coverage begins with the Israeli War of Independence in 1948 and extends through the 2010s A one stop reference the guide offers a comprehensive overview essay as well as perspective essays by leading scholars who explore such widely debated issues as the United States support for Israel and historic rights to Palestine Important primary source documents such as the UN Resolution on the Partition of Palestine and the Camp David Accords are included and put into context Further insight into drivers of war and peace in the Middle East are provided through biographies of major political leaders like Menachem Begin Golda Meir Yasser Arafat Benjamin Netanyahu and Anwar Sadat

**Back Stories** Amahl A. Bishara, 2013-01-09 Few topics in the news are more hotly contested than the Israeli Palestinian conflict and news coverage itself is always a subject of debate But rarely do these debates incorporate an on the ground perspective of what and who newsmaking entails Studying how journalists work in Jerusalem Bethlehem Ramallah and Nablus and on the tense roads that connect these cities Amahl Bishara demonstrates how the production of U S news about Palestinians depends on multifaceted collaborations typically invisible to Western readers She focuses on the work that Palestinian journalists do behind the scenes and below the bylines as fixers photojournalists camerapeople reporters and producers to provide the news that Americans read see and hear every day Ultimately this book demonstrates how Palestinians play integral roles in producing U S news and how U S journalism in turn shapes Palestinian politics U S objectivity is in Palestinian journalists hands and Palestinian self determination cannot be fully understood without attention to the journalist standing off to the side quietly taking notes Back Stories examines news stories big and small Yasser Arafat's funeral female suicide bombers protests against the separation barrier an all but unnoticed killing of a mentally disabled man to investigate urgent questions about objectivity violence the state and the production of knowledge in today's news This book reaches beyond the headlines into the lives of Palestinians during the second intifada to give readers a new vantage point on both Palestinians and journalism

*Faith in the Face of Empire* RAHEB, 2014-02-10 A Palestinian Christian theologian shows how the reality of empire shapes the context of the biblical story and the ongoing experience of Middle East conflict

**Through My Enemy's Eyes** Salim J Munayer, Lisa Loden, 2014-02-01 This book addresses the universal theological dimension of reconciliation in the context of the Israeli Messianic Jewish and Palestinian Christian divide Palestinian Christians and Israeli Messianic Jews share a belief in Jesus as the son of God and Messiah Often though that is all they have in common This remarkable book written in collaboration by a local Palestinian Christian and an Israeli Messianic Jew seeks to bridge this gap by addressing head on divisive theological issues as well as their political implications

such as land covenant prophecy and eschatology which separate their two communities The struggle for reconciliation is painful and often extremely difficult for all of us This unique work seeks to show a way forward COMMENDATIONS In a world that wants to see only one side of every conflict and this one especially where people believe only their own propaganda and where many Christians inhabit hard shells of theological political and apocalyptic certainties this book is a bravely different voice Rather it is two voices talking carefully honestly graciously respectfully and truthfully to each other as sisters and brothers in the Messiah should This is a unique conversation in which each partner Messianic Jewish Israeli and Palestinian Christian gives full expression to all that they are and think and feel about themselves and the conflict in their land We are treated to some stretching theological debate and some honest self criticism But above all we come to share the hope and courage that shines through the pain and struggle Christopher J H Wright International Ministries Director Langham Partnership UK The Palestinian Israeli divide may be the most intractable conflict of our time With great courage honestly facing the turbulent political historical and theological landscape which authentic reconciliation must engage Munayer and Loden open up fresh space Given the divides between their communities this book is a remarkable achievement a cry of hope from the land where Jesus walked Chris Rice Director of the Center for Reconciliation Duke Divinity School USA

**Preventing Political Violence Against Civilians** Aoibhín de Búrca, 2014-10-27 The increased targeting of civilians by militants raises serious and profound questions for policy makers Examining conflict in Northern Ireland Israel and Palestine this book focuses on ethno nationalist militant groups and formulates a model to constrain violence against civilians

**Light Force** Brother Andrew, Al Janssen, 2004-09-01 Brother Andrew's ministry began with smuggling Bibles behind the Iron Curtain His phenomenally successful book God's Smuggler was born from that mission But as communism in Eastern Europe declined Brother Andrew shifted his focus to strengthening the Christian church within the Islamic world In a time when a mass exodus of Christians has drained the Middle East of God's light Brother Andrew headed into this war torn land to bring hope and encouragement to those who remained Light Force recounts the continuing saga of Brother Andrew's most recent mission Through dramatic true stories readers get an exclusive behind the scenes look at real people affected by the centuries old conflicts in this volatile part of the world Now readers can join Brother Andrew and fellow Open Doors missionary Al Janssen in their quest to strengthen God's light in the Middle East These gripping accounts of Christians caught in the crossfire will captivate readers everywhere

*Understanding Peace and Conflict Through Social Identity Theory* Shelley McKeown, Reeshma Haji, Neil Ferguson, 2016-06-17 This volume brings together perspectives on social identity and peace psychology to explore the role that categorization plays in both conflict and peace building To do so it draws leading scholars from across the world in a comprehensive exploration of social identity theory and its application to some of the world's most pressing problems such as intrastate conflict uprising in the middle east the refugee crisis global warming racism and peace building A crucial theme of the volume is that social identity theory affects all of us no matter

whether we are currently in a state of conflict or one further along in the peace process The volume is organized into two sections Section 1 focuses on the development of social identity theory Grounded in the pioneering work of Dr Henri Tajfel section 1 provides the reader with a historical background of the theory as well as its current developments Then section 2 brings together a series of country case studies focusing on issues of identity across five continents This section enables cross cultural comparisons in terms of methodology and findings and encourages the reader to identify general applications of identity to the understanding of peace as well as applications that may be more relevant in specific contexts Taken together these two sections provide a contemporary and diverse account of the state of social identity research in conflict situations and peace psychology today It is evident that any account of peace requires an intricate understanding of identity both as a cause and consequence of conflict as well as a potential resource to be harnessed in the promotion and maintenance of peace Understanding Peace and Conflict Through Social Identity Theory Contemporary Global Perspectives aims to help achieve such an understanding and as such is a valuable resource to those studying peace and conflict psychologists sociologists anthropologists public policy makers and all those interested in the ways in which social identity impacts our world *What Israel Means to Me* Alan Dershowitz, 2008-04-21 Personal and Passionate Reflections on the Land and Its People The Mediterranean landscape the exuberance of the Israelis the way politics is a matter of life and death there all these things beguiled me Erica Jong author What does Israel mean to me Courage The Israelis have more courage in their pinky finger than I have in my whole life Tovah Feldshuh actress It is an unparalleled story of tenacity and determination of courage and renewal And it is ultimately a metaphor for the triumph and enduring hope over the temptation of despair David Harris Executive Director of the American Jewish Committee I have no desire to be like everyone else Something in me wants the entry of the Jewish people into world politics to be judged by the highest conceivable measure Indeed that may be what is both so inspiring and confounding about the existence of Israel Rabbi Lawrence Kushner Israel isn't a symbol Israel is the practical manifestation of hope freedom and self determination Larry King television host

Hamas and Israel Sherifa Zuhur, 2008 This monograph considers the changing fortunes of the Palestinian movement HAMAS and the recent outcomes of Israeli strategies aimed against this group and Palestinian nationalism external to the Fatah faction of the Palestinian Authority The example of HAMAS challenges much of the current wisdom on insurgencies and their containment As the author Dr Sherifa Zuhur demonstrates efforts have been made to separate HAMAS from its popular support and network of social and charitable organizations These have not been effective in destroying the organization nor in eradicating the will to resist among a fairly large segment of the Palestinian population It is important to consider this Islamist movement in the context of a region wide phenomenon of similar movements with local goals which can be persuaded to relinquish violence or which could move in the opposite direction becoming more violent Certainly an orientation to HAMAS and its base must be factored into new and more practical and effective approaches to peacemaking At

the same time HAMAS offers a fascinating instance of the dynamics of strategic reactions and the modification of Israeli impulses towards aggressive deterrence as well as evolution in the Islamist movements planning and operations As well the Palestinian Israeli conflict bears similarities to a long standing civil conflict even as it has sparked inter Palestinian hostilities in its most recent phase The need for informed and critical discussion of the future of Islamism in the region continues today We offer this monograph to those who wish to consider this particular aspect of the Palestinian Israeli Arab conflict Foreword
