Total Surrender Tebogo Maimane, 2012-09-11 Total Surrender is aimed first at motivating people to be authentic in their relationship with God and second to cheer them up so that they don't allow circumstances to dissuade them from this relationship At the end of reading this book the reader will be empowered to grow spiritually challenged on matters of spirituality committed not to give up on their God ordained purpose due to external pressure encouraged not to compromise on their faith enthusiastic about putting God as a priority *Silence and Other Surprising Invitations of Advent* Enuma Okoro, 2012-09-01

Usually when we think of the Advent story Mary Joseph and the angel Gabriel come to mind Okoro approaches Advent a little differently inviting us to sit for a while with Zechariah and Elizabeth and the story of how they came to bear their only son John The Advent story we so often associate with the joy of Christmas actually begins with deep sorrow and longing But thankfully in the kingdom of God there is always more to the story than meets the eye Enuma Okoro writes Zechariah and Elizabeth were good people They had maintained faith and hope in God for many years despite Elizabeth's inability to conceive a condition considered shameful in their time So they were quite familiar with the universal human experiences of longing and waiting Even though this couple's story takes up only one chapter in Luke's Gospel it contains enough lessons about faith and life to last for weeks In her beautifully written imaginative meditations for each day of Advent Okoro looks closely at the doubts and longings of Zechariah and Elizabeth As you explore their story Okoro guides you to reflect on your own experiences of waiting and longing of grief and the need for community and of hungering for God These poetic and poignant meditations will linger with you long after Christmas Reflection questions and a prayer challenge accompany each week's meditations A perfect book for individual or group study **Season of Doubt** Jon CLEARY, 1990

Does Christianity Still Make Sense? Bobby Conway, 2024 A chronic doubter responds to 20 of the most difficult questions about Christianity From the Foreword by J Warner Wallace A book written by a man who has genuinely struggled with the questions wrestled with doubts and emerged faithful on the other side He understands you Does Christianity still make sense Years after Bobby Conway became a Christian this question haunted him Even though by then he was the pastor of a thriving church it seemed as if his entire belief structure was being dismantled Had he been duped Perhaps you can relate to how

Bobby felt Maybe you find yourself questioning in the same way In this book Bobby describes his own long journey through chronic doubt to a settled and confident trust In this book he responds to the twenty toughest challenges to the Christian faith including these difficult questions Why are there so many scandals in the Church Aren t Christians just a bunch of hypocrites Why do Christians use God s name to oppress others Why are so many Christians racists Why does God allow evil in the world Is there reliable evidence for God s existence Join Bobby in this book as he explores these questions and many more while describing how he was hammered with doubts for years [Walking with a Limp](#) Ezra Byer,2020-12-20 I ve always loved the book of Genesis where faith in the eternal unchanging God of Abraham proves paradoxically to be more human than heroic This is surely why I appreciate Ezra Byer s exploration of the life of Jacob whose story provides a window for examining his own seasons of doubt and depression Mercifully Ezra strips us of the illusion that faith will always be the swift steady sure climb He reminds that we might cling to God and still feel his absence This is a book for the trenches a book for building gritty honest ultimately resilient faith Jen Pollock Michel Author of Surprised by Paradox and Keeping Place Walking with a Limp will point you to the sure sources of hope for the hopeless The God of all hope and His word of hope In it you ll find practical help and encouragement to stay the course You like Jacob can be a prince with God an overcomer whose limp testifies to tenacious clinging to God Dr Philip Brown Author of A Reader s Hebrew Bible In recent years believers in Christ have become more transparent about the struggles we face with depression and mental illness In this timely book Ezra Byer contributes to this encouraging trend by inviting readers to re read the ancient narrative of the Patriarch Jacob and encounter anew the God who heals and also sets apart his people for worship and service Dr Edward Smither Author of Mission in the Early Church and Christian Martyrdom When we suffer we don t need glib answers or easy truths We need to hear from someone who knows what it s like can remind us of biblical truth and point us to hope That s why I m grateful that Ezra has written this honest profound and encouraging book I can t wait to read it again and to share it with others Darryl Dash Author of How to Grow

Humorous Stories for Life's Seasons Irene Bryan,2021-08-04 Life is a journey which the soul embarks on It is like an unfinished book waiting to add new chapters from stories not yet written One never knows what the journey will carry one through or even the seasons the journey will bring forth Only God knows Yesterday one could have been in a Desert season Today one could be in a Valley season looking up at the Mountains The same God who was with one in their Desert season is the same God with one today in their Valley season with the view of the Mountains that surround one The comfort and peace to the believer s soul is knowing that God can be trusted in every season As you read and reflect on these little humorous stories of life s seasons I pray and hope that you will enjoy one or two little chuckles I also pray that you may be able to relate and identify with the characters Mountain Valley Foothill Hillside Flatland Rangeland Desert and Lowland as each goes through the difficulties disappointments and ups and downs Most often these are part of what some of life s seasons cause the heart and soul to feel and experience Enjoy the laughter love and lessons from Humorous Stories for
