Seasons Of Erotic Love:

Seasons of Erotic Love Barbara Herrera, 1992 The author first encourages us to read lesbian erotica aloud and then provides us with beautiful loving stories to share with one another A soft and sensual collection with a social conscience

Darker than Love, Fifty Shades of Blackstone Omnibus: Complete Series, Erotic Mystery Crime Rachel E Rice, 2023-11-04 This complete box set contains 10 books of spicy billionaire romance mystery and suspense with the Blackstone twins Maximillian and Jonas and the woman of their dreams Alexandre Blackstone The following books are contained in this Blackstone Omnibus 1 Mr Black 2 Temptation in Black 3 Submission to Black 4 Black Tie Affair 5 Mourning Becomes Black 6 Fade To Black 7 Back to Black 8 Black Tide 9 Black Swan 10 Blackout **Erotic Love Poems from India**

Amaru, 2004 A single stanza of the poet Amaru declared a ninth century poetry critic may provide the taste of love equal to what s found in whole volumes Graceful and yet remarkably playful intensely passionate and at times hinting of divine transcendence the poems translated here offer poignant glimpses into the many faces of erotic love This collection known in Sanskrit as the Amarushataka One Hundred Poems of Amaru was compiled in the eighth century and remains to this day one of India s finest collections of love poetry It has never been fully translated into English poetry before Legend connects the poetry s authorship to King Amaru of Kashmir while present day scholars generally consider it an anthology of the verses of many poets Poet and translator Andrew Schelling s artful translations render the ancient verses with freshness and immediacy Schelling s compelling introduction and afterword offer musings on the colorful background and history of the original Sanskrit text **Erotic Love in Sociology, Philosophy and Literature** Finn Bowring, 2019-08-22 Why is love

taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day Erotic Love in Sociology Philosophy and Literature shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life Erotic Love in Sociology Philosophy and Literature recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love [Erotic Love Poems from India](#)

, 2019-01-15 The poets of classical India regarded love as the first and deepest of passions Translator and scholar Andrew

Schelling perfectly encapsulates the history and passion of eighth century India in this collection A single stanza of the poet Amaru declared a ninth century poetry critic may provide the taste of love equal to what s found in whole volumes Graceful and yet remarkably playful intensely passionate and at times hinting of divine transcendence the poems translated here offer poignant glimpses into the many faces of erotic love This collection known in Sanskrit as the Amarushataka One Hundred Poems of Amaru was compiled in the eighth century and remains to this day one of India s finest collections of love poetry Legend connects the poetry s authorship to King Amaru of Kashmir while present day scholars generally consider it an anthology of the verses of many poets *The Erotic in the Literature of Medieval Britain* Amanda Hopkins, Cory

Rushton, 2007 An examination of the erotic in medieval literature which includes articles on the role of clothing and nudity the tension between eroticism and transgression and religion and the erotic This volume examines the erotic in the literature of medieval Britain primarily in Middle English but also in Latin Welsh and Old French Seeking to discover the nature of the erotic and how it differs from modern erotics the contributors address topics such as the Wife of Bath s opinions on marital eroticism the role of clothing and nudity the tension between eroticism and transgression the interplay between religion and the erotic and the hedonistic horrors of the cannibalistic Giant of Mont St Michel Contributors ALEX DAVIS SIMON

focusing on the general question of the American Romantic ego Aspects of Romantic Love Dr. George Vareekal, 2022-03-28 *Aspects of Romantic Love* Perceptions on Love and Marriage is a modest attempt to express my perceptions of romantic love and related themes To love and to be loved are exciting aspects of a person s emotional life The pivotal theme of the book is love romance marriage and those alliances which hamper a harmonious conjugal and family life Romantic love is a fascinating passion and an ecstatic experience The very word romance captures our imagination and fills our hearts with exciting feelings The book is not a scientific treatise on love It only encapsulates romantic love with all its appealing themes My effort is to describe the splendid experience called love exclusively through my impressions The book is a product of the year 2020 marred by the Covid 19 pandemic and the terrible human exodus during the lockdown of 2020 The unexpected global and national scenario gave ample time and opportunity for reading writing and reflection Writing on a subject like romantic love helped overcome the lethargy and the feeling of devastation during the lockdown It has been an exciting creative activity and a marvellous sensation of diversion **Love-life in Nature** Wilhelm Bölsche, 1926

Spirituality in Season Ross Thompson, 2008-12-04 We are used to making Lent a special time for renewal but much less

has been written on the other seasons of the year This resource explores the traditions that have shaped each season the lectionary readings and the liturgies observed across the ecumenical spectrum *The Oxford Handbook of Mental Health and Contemporary Western Aesthetics*, 2025-01-02 Human flourishing depends upon the mental health of the individuals Throughout history various cultural traditions have established and practiced diverse strategies to maintain their community members mental health treat their mental illness and enhance their well being They range from spiritual disciplines religious rituals and philosophical training to communal activities educational instructions and community support It is noteworthy that aesthetic objects and activities are frequently integrated into these strategies They include visual arts music dance story telling theatre and occasions and events made special by certain foods drinks decorations clothes and fragrance This long held and widely practiced integration of aesthetics into promotion of mental health testifies to the power of the aesthetic to affect the well being of humans and their communities The world s major philosophies and religious traditions have recognized this power of the aesthetic For example Plato s proposed censorship of the arts in his utopian Republic indicates his acknowledgement of and a respect for the power of the arts to mold the citizens psyche and character Confucianism also utilizes arts and rituals to promote moral virtues Finally Buddhism teaches the cultivation of mindful practice for human flourishing by developing an alternative relationship with present moment experience such as suffering and distress Today the most dominant methods of treating mental illness in the West are psychotherapy psychology and psychiatry methodologies and practices established and developed in Europe since the nineteenth century Ever since the birth of art and poetry its purpose has been to inspire stir and move people This handbook addresses the valuable role aesthetics plays in psychotherapy and psychiatry exploring both theory and practice *The Genres of Thomson's The Seasons* Sandro Jung, Kwinten Van De Walle, 2018-09-01 Critics since the eighteenth century have puzzled over the form of James Thomson s composite long poem *The Seasons* 1730 1744 1746 its generically hybrid make up and its relationship to established genres both Classical and modern The textual condition of the work is complicated by the fact that it started as a stand alone poem *Winter* 1726 but was subsequently expanded as part of a revision process that lasted almost two decades through the addition of three further seasons poems Transforming from primarily devotional poem to georgic account of the role of man s laboring role in the creation the meaning of *The Seasons* shifted with each addition of new material Each revision introduced diverse subject matter while existing material was reorganized and occasionally moved from one season installment to another *The Genres of Thomson's The Seasons* is the first collection of essays exclusively devoted to the study of the work s formal heterogeneity polyvocality and polygeneric character All contributions examine the different modes descriptive reflective pastoral hymnal amatory epic georgic dramatic discourses political sentimental scientific and kinds that cooperate to make up the different installments and variants of *The Seasons* They probe the multifarious interactions between different genres and modes and how a renewed focus on the form of Thomson s long poem will result in an understanding of the

processual character of *The Seasons* as a synthesizing simulacrum of various discourses and theories of composition The volume's essays map the generic anatomy of the poem in its different incarnations They shed light on the poet's conception of the descriptive long poem and his engaging with formal traditions that would have enabled contemporaneous readers to conceive of *The Seasons* as an assimilating and learned work to be read through both the works of the Classics and moderns Contributions revisit models explaining the structural complexity of *The Seasons* proposing others in their stead and consider Thomson as the author of a long poem in relation to other poets both English and in a transnational study Swedish The poem is furthermore contextualized in terms of sexuality and animal studies

The Intersubjective Turn Olen

Gunnlaugson, Charles Scott, Heesoon Bai, Edward W. Sarath, 2017-10-11 Examines key theoretical aspects of the emerging field of second person contemplative education A first of its kind this book maps out current academic approaches in higher education to second person contemplative education which addresses contemplative experience from an intersubjective perspective Until recently contemplative studies has emphasized a predominantly first person standpoint but the expansion and embrace of second person methods provides a distinctive learning context in which collective wisdom and shared learning can begin to emerge from dialogue among students and groups in the classroom The contributors to this volume leading researchers and practitioners from a variety of institutions and departments examine the theoretical and philosophical foundations of second person contemplative approaches to instruction pedagogy and curricula across various scholarly disciplines

The Beloved Does Not Bite Debra Dudek, 2017-07-06

In this new monograph author Debra Dudek defines a new era of vampire texts in which vampires have moved from their iconic dark feared often seductive figure lingering in alleys to the beloved and morally sensitive vampire winning the affections of teen protagonists throughout pop culture Dudek takes a close look at three hugely popular vampire series for young adults drawing parallels between the TV series *Buffy the Vampire Slayer* the *Twilight* Saga novels films and *The Vampire Diaries* TV series book series By defining a new era of vampire texts and situating these three series within this transition *The Beloved Does Not Bite* signals their significance and lays the groundwork for future scholarship on the flourishing genre of paranormal romances for young adults

Analysis of the Sexual Impulse Havelock Ellis, 1913

Works of Love Søren Kierkegaard, 2013-04-21 The various kinds and conditions of love are a common theme for Kierkegaard beginning with his early *Either/Or* through *The Diary of the Seducer* and Judge William's eulogy on married love to his last work on the changelessness of God's love *Works of Love* the midpoint in the series is also the monumental high point because of its penetrating illuminating analysis of the forms and sources of love Love as feeling and mood is

distinguished from works of love love of the lovable from love of the unlovely preferential love from love as the royal law love as mutual egotism from triangular love and erotic love from self giving love This work is marked by Kierkegaard's Socratic awareness of the reader both as the center of awakened understanding and as the initiator of action Written to be read aloud the book conveys a keenness of thought and an insightful poetic imagination that make such an attentive approach richly rewarding Works of Love not only serves as an excellent place to begin exploring the writings of Kierkegaard but also rewards many rereadings

The Origins of the Love Song Nino Tsitsishvili, 2022-11-18 The book offers a radically new perspective on the origins of the love song and human sexuality in an evolutionary context By comparing different human societies and animal species past and present it reveals that love songs romantic love and exclusive pair bonds are not the original evolutionary features of Homo sapiens One of the key findings of the book is that early humans practiced multiple partner sexual relations similar to our closest relatives bonobos and chimpanzees but with the emergence of culture and sexual taboo their behaviour had to adjust It contends that since the exodus from Africa and the rise of culture humans started to distance themselves from the rest of the animal kingdom drastically restraining their innate sexual nature The book will appeal to both scholars and laypeople with an interest in evolutionary theory socio biology anthropology and the origins of culture
