understand that loving oneself is one third of God's equation. They mistakenly think of it as selfishness or self aggrandizement. Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey. Loving oneself in a balanced healthy manner is essential in order to have healthy relationships with God, ourselves and others. Drawing upon her previous work and teaching series as well as original devotions, the author of *Power Thoughts* examines the three loves that we've been commanded to exhibit.

When we study the Word of God, it is clear about who it says we are, what God says we can have, and what God truly says we can do. It is a must for every believer to understand who they are in Christ positionally, spiritually and naturally. This book will help you discover who you are in Christ positionally so that by using your authority you may change your life condition.

**Walking With God** Zacharias Tanee Fomum, 2015-03-24 Walking with God is a profound exploration of the Holy Spirit's presence and workings within and through us. The author, Z. T. Fomum, emphasizes that every consecrated life becomes a channel for the release of supernatural power, with consecration leading to a life rich in spiritual vitality. The book underscores that all of God's power resides within us and through prayer, knowledge of God's Word and a life consecrated to the Lord, believers can unleash this inherent power. The inheritance of baptism into the Holy Spirit is demystified with Fomum simplifying the process, likening it to claiming what is rightfully ours. He asserts that the implications of being filled with the Holy Spirit may lead to significant life changes, including parting with former plans and embracing a new direction. The exploration extends to God's permissive will, where Fomum discusses the delay in judgment for those who deviate from God's

perfect will The book delves into the characteristics of God's permissive will cautioning that apparent blessings in this state may mask underlying difficulties that manifest later Walking with God offers practical insights into the complexities of maintaining a daily touch with God

The Keys of Faith and Hope Kelsey Robert and Kath, 2010-03 Living a Christian life is not the same as being a Christian Knowing the difference stems from the fact most Christians don't know what to do about it because religion doesn't have the answers The answer abides in knowing God and His will for you and applying your faith to it In The Keys of Faith and Hope authors Robert and Kathy Kelsey provide a guide to help you apply your faith and get you from where you are with God now to where God wants you to be It helps answer important questions What is faith What is the God kind of faith How do we get faith How do we use our faith How do we make faith grow What is the relationship between faith and hope The Keys of Faith and Hope demonstrates that these questions need to be answered in every Christian's mind because without faith it is impossible to please God To have faith in God you must know God not just know about Him To understand God you must understand the keys to His kingdom Unlock the mystery of God's will and achieve what He has planned for you

**The Key of Love** Robert Kelsey, Kathy Kelsey, 2009-06 This book is the result of many years of study and prayer meditating on the Word making notes and assembling those notes into something that I believe will be a blessing to others who are seeking God in their lives I discovered that God was telling me in Matthew 6:33 to seek first of all the Kingdom of God and all of His righteousness And when I went looking I wasn't able to find anybody who knew much of anything about what I was asking So I set out to remedy that situation And in doing so I had to learn early on that I had to have a total dependency upon God to give me the answers I was seeking I had to yield to the Holy Spirit who lives in me because one can't get spiritual answers from the physical I had to learn to differentiate between the Holy Spirit and the devil talking to me I had to learn to walk by faith to step out and obey God I had to learn that as I read the Word of God my trust in Him and my faith would grow and go

beyond what I could ever ask or think The Key of Love is designed to be a study guide to get you from where you are to where God wants you to be Have your Bible with you as you read and take the time to look up and study the numerous references to scripture herein as well as cross references which appear in parentheses following many of the Bible quotations If you experience a closer walk with God you will come to know God and to understand just how much He loves and cares for you Ask the Holy Spirit to help you as you study John 16 13 Look up each scripture read several verses before and after the noted verse and study it meditate on it and let the Word of God be your final judge God has sent the Holy Spirit into your life to guide you unto all truth John 16 13 I Thessalonians 5 21 Take full advantage of all that God has provided for you to make your life everything that He has created it to be To understand God one must understand that there are Keys to the Kingdom of Heaven that unlock the mystery of how we can know God and achieve what he has planned for us *In The Heavens* H.A. Ironside, 2014-09-05 There is nothing redundant in God's Word Men write books and very frequently pad them in order to give quantity as well as quality but there is nothing like that in the Bible God's words are tried as silver tried in a furnace of earth purified seven times and therefore we may well give our most careful attention to every item and every expression used What is the outstanding theme of the Epistle to the Ephesians It opens up the truth of the privileges and responsibilities of the church as the body and bride of Christ It brings before us our position as believers who have been quickened raised and seated in Christ in heavenly places There are very remarkable similarities between certain Old Testament books and New Testament Epistles The Epistle to the Romans for instance corresponds to the book of Exodus the letter to the Hebrews is the counterpart of Leviticus and the Epistle to the Ephesians is the New Testament book of Joshua In Joshua we have the people of Israel entering the possession of their inheritance In Ephesians believers are called to enter now by faith into the possession of that inheritance which eventually we shall enjoy in all its fullness We are far richer than we realize All things are ours and yet how little we appropriate It is said in the prophecy of Obadiah that when the Lord returns and His kingdom is established the people of Israel shall possess their possessions This is a challenge to us Do you possess your possessions Or are your heavenly estates like castles in Spain about which you dream but never really possess I trust the Spirit of God may lead us into the present enjoyment of our inheritance in Christ For our purpose the Epistle may be divided very simply without breaking it up into many portions that would be difficult to carry in our memories We shall divide it into two parts the first three chapters giving us the doctrine and the last three the practical outcome the first division gives us our inheritance and the last the behavior that should characterize those who are so richly blessed Often that is the divine order of Scripture instruction in the truth first practice in accordance with the truth afterwards H A I The Devil Ain't the Only Liar Pastor Jeffrey L. Grant, 2022-07-12 This book exposes false teachings doctrines and practices preached from both sides of the pulpit in modern day main stream Evangelical Churches Many are every day things most Born Again Believers do not normally think about but they have a subliminally negative impact on today's Church at Large **Ironside Expository**
