Seattle - Tacoma and the Southern Sound Ronald Boyce,1986-06-01 **Heritage from the Wild** M. Douglas Scott,Suvi A. Scott,1985 Pan-Tribal Activism in the Pacific Northwest Vera Parham,2017-12-06 On September 27 1975 activist Bernie Whitebear Sin Aikst and Seattle Mayor Wes Uhlman broke ground on former Fort Lawton lands just outside Seattle Washington for the construction of the Daybreak Star Indian Cultural Center The groundbreaking was the culmination of years of negotiations and legal wrangling between several government entities and the United Indians of All Tribes the group that occupied the Fort lands in 1970 The peaceful event and sense of co operation stood in marked contrast to the turbulent and sometimes violent occupation of the lands years before Native Americans who joined the UIAT came from all parts of the Pacific Northwest and beyond Inspired by the Civil Rights and protest era of the 1960s and 1970s they squared off with local and federal government to demand the protection of civil and political rights and better social services Both the scope and the purpose of this book are manifold The first purpose is to challenge the predominant narrative of Anglo American colonization in the region and re assert self determination by re defining the relationship between Pacific Northwest Native Americans the larger population of Washington State and government itself The second purpose is to illustrate the growth in Pan Indian Pan Tribal activism in the second half of the twentieth century in an attempt to place the Pacific Northwest Native American protests into a broader context and to amend the scholarly and popular trope which characterizes the Red Power movement of the 1960s as the creation of the American Indian Movement AIM In this book casual students of history as well as academics will find that Fort Lawton represents the zone of conflict and compromise occupied by Indigenous people of the Pacific Northwest in their ongoing struggle with colonial society *Complete Geography* Henry Justin Roddy,1902 **Northwest Passages** William F. Buerge,2017-10-17 The first thorough historical account of the great Washington State city and its hero Chief Seattle the Native American war leader who advocated for peace and strove to create a successful hybrid racial community When the British Spanish and then Americans arrived in the Pacific Northwest it may have appeared to them as an untamed wilderness In fact it was a fully settled and populated land Chief Seattle was a powerful representative from this very ancient world Here historian David Buerge threads together disparate accounts of the time from the 1780s to the 1860s including native oral histories Hudson Bay Company records pioneer diaries French Catholic church records and historic newspaper reporting Chief Seattle had gained power and prominence on Puget Sound as a war leader but the arrival of American settlers caused him to reconsider his actions He came to embrace white settlement and following traditional native practice encouraged intermarriage between native people and the settlers offering his own daughter and granddaughters as brides in the hopes that both peoples would prosper Included in this account are the treaty signings that would remove the natives from their historic lands the roles of such figures as Governor Isaac Stevens Chiefs Leschi and Patkanim the Battle at Seattle that threatened the existence of the settlement and the controversial Chief Seattle speech that haunts to this day the city that bears his name Advanced Geography Frank Morton McMurry,Almon Ernest Parkins,1924 **Advanced Geography** Frank Morton McMurray,Almon Ernest Parkins,1921
