Long Road Home Us Prisoner Of War Policy:

The Long Road Home Vernon E. Davis, 2000 **The Long Road Home. U.S. Prisoner of War Policy and Planning in Southeast Asia** ,1975

The Long Road Home is a companion work to the recently published book on the prisoner of war experience in Southeast Asia Honor Bound by Stuart I Rochester and Frederick Kiley The two books were prepared at the request of former Deputy Secretary of Defense William P Clements Jr Some of the early research and drafts of a few chapters are the contribution of Wilber W Hoare Jr and Ernest H Giusti former JCS historians who helped initiate the project Davis carried forward the research and writing to completion over a period of many years and is entitled to the fullest credit for production of the final text and documentation This history of Washington s role in shaping prisoner of war policy during the Vietnam War reveals the difficult often emotional and vexing nature of a problem that engaged the attention of the highest officials of the U S government including the president It examines frictions and disagreements between the State and Defense Departments and within Defense itself as a sometimes conflicted organization struggled to cope with an imposing array of policy issues efforts to ameliorate the brutal conditions to which the American captives were subjected relations with families of prisoners in captivity the proper mix of quiet diplomacy and aggressive publicity and planning for the prisoners return At a pivotal juncture the Department of Defense exerted a major influence on overall policy through its insistence in 1969 that the government Go Public with information about the plight of prisoners held by the North Vietnamese and the Viet Cong There is evidence that this powerful campaign contributed to the gradual improvement in the treatment of the prisoners and to their safe return in 1973 The detailed account of negotiations with the North Vietnamese for the withdrawal of American forces from South Vietnam makes clear how important in all U S calculations was securing the release of the prisoners

The Long Road Home Vernon E. Davis, 2000 Contains a history of the United States role in shaping prisoner of war policy during the Vietnam War Reveals the difficult often emotional and vexing nature of a problem that engaged the attention of the highest officials of the United States government Examines frictions and disagreements between the State and Defense Departments and within Defense itself as a sometimes conflicted organization struggled to cope with an imposing array of policy issues

The Long Road Home Department of Defense, U. S. Military, U. S. Government, 2017-10-22 This history of Washington s role in shaping prisoner of war policy during the Vietnam War reveals the difficult often emotional and vexing nature of a problem that engaged the attention of the highest officials of the U S government including the president It examines frictions and disagreements between the State and Defense Departments and within Defense itself as a sometimes conflicted organization struggled to cope with an imposing array of policy issues efforts to ameliorate the brutal conditions to which the American captives were subjected relations with families of prisoners in captivity the proper mix of quiet diplomacy and aggressive publicity and planning for the prisoners return At a pivotal juncture the Department of Defense exerted a major influence on overall policy through its insistence in 1969 that the government Go Public with

information about the plight of prisoners held by the North Vietnamese and the Viet Cong There is evidence that this powerful campaign contributed to the gradual improvement in the treatment of the prisoners and to their safe return in 1973 The detailed account of negotiations with the North Vietnamese for the withdrawal of American forces from South Vietnam makes clear how important in all U S calculations was securing the release of the prisoners The Long Road Home is a companion work to the book on the prisoner of war experience in Southeast Asia Honor Bound by Stuart I Rochester and Frederick Kiley Chapters 1 Prisoner of War Policy Before Vietnam 2 Organizing for Policy Decision and Planning 3 The Department of State and Prisoner of War Policy January 1964 to May 1966 4 Climax and Decline of the War Crimes Trials Issue 5 Action on Other Fronts Efforts to Obtain Release of Prisoners 6 Efforts to Ameliorate the Conditions of Captivity 7 Casualty Reporting Notification and Assistance to Next of Kin 8 Changing Attitudes Toward the Code of Conduct 9 Early Repatriation Planning 10 Emergence of the PW MIA Task Group Task Force 11 The Go Public Campaign 12 Other Defense Actions and Initiatives 13 A Bitter Lesson 14 Repatriation Planning A Central Issue Resolved 15 Repatriation Planning Rehabilitation and Readjustment 16 Repatriation Planning Public Affairs and Conduct in Captivity 17 Mail and Packages 18 Information and Assistance for PW MIA Families 19 The National League and Other Family Organizations 20 PW MIA Legislation and Benefits 21 Negotiations for Peace 22 Operation Homecoming 23 Conclusion The Geneva Conventions Korean War Experience The Defense Advisory Committee The Code of Conduct and Its Implementation The Training Issue Resolution of the Training Issue DoD Discontent with State PW Activities Informal Interdepartmental Relations A New Level of Activity the Emergence of Harriman Decision to Establish a Prisoner of War Policy Committee Organization and Working Methods of the DoD PW Policy Committee Scope and Accomplishments of the Policy Committee Under Warnke Initial Perception of the PW Problem Department of State Organization for PW Affairs The Problem of Executions Commands Attention The ICRC and the Application of the Geneva Convention The Threat of War Crimes Trials Becomes More Definite Ambassador Harriman Takes Over The Hertz Case The Vogel Affair Reciprocal Release Repatriation of Sick and Wounded Internment of Sick and Wounded in Neutral Territory Exploration of Other Routes The Clandestine Approach The BUTTERCUP Channel Ransom The Involvement of American Peace Activists Prisoners Mail Packages for Prisoners U S Measures to Counter Exploitation of Prisoners Protesting Mistreatment The Stratton Incident Hanoi Rejects Inspections Prisoner Identification Relations with the News Media Defense Pressure for a Stronger Public Challenge to Hanoi Casualty Reporting Casualty Notification

The Long Road Home Vernon E. Davis, 2001-12-01 The unconventional nature and unusual length of the Vietnam War presented special challenges not only for captured Amer POWs but also for U S gov t officials and agencies having responsibility for the prisoners proper treatment and safe return This is the first detailed in depth study of the SE Asia POW experience from Washington s perspective Covers the Code of Conduct to legal med and public affairs issues Describes a constant tension as Pentagon State Dept and White House officials struggled to reconcile the

demands of politics and diplomacy with the increasingly pressing requests of families and needs of the POWs Based on extensive research in primary sources Illustrated *Making Sense of the Vietnam Wars* Mark Philip Bradley, Marilyn B. Young, 2008-04-30 The inaugural volume in the OUP National History center series Making Sense of the Vietnam Wars promises to be the most up to date book on the changing interpretations of the wars in Vietnam Marilyn Young and Mark Bradley have assembled a superb cast of eleven scholars and writers spanning the generations from those who were active during the Vietnam period through younger scholars who have been doing on the ground research in Vietnamese sources as well as uncovering new sources from the Soviet Union China Eastern Europe and Western Europe The Persistence of Reciprocity in International Humanitarian Law Bryan Peeler, 2019-10-24 The expectation of reciprocity continues to be an important factor when states consider their legal obligations in armed conflicts In this monograph Peeler looks at the text and negotiations around the 1949 Geneva Conventions and the Protocols Additional to the Geneva Conventions from 1977 to demonstrate the many places where international humanitarian law maintains expectations of reciprocity This complements an examination of US policy regarding its Prisoner of War obligations in both the Vietnam War and the Global War on Terror demonstrating how states make use of the expectation of reciprocity found in international humanitarian law to respond to continued non compliance by an enemy *Parameters* ,2000 Air Force Magazine ,2000-07 **Red Internationalism** Salar Mohandesi, 2023-02-23 Shows how human rights displaced anti imperialism as the dominant framework for changing the world in the 1960s and 1970s *Terrorism* ,1979 **Unwavering** Taylor Baldwin Kiland, Judy Silverstein Gray, 2023-05-02 The true story of the women who waged an epic home front battle to ensure our nation leaves no man behind When some of America s military men are captured or go missing during the Vietnam War a small group of military wives become their champions Never had families taken on diplomatic roles during wartime nor had the fate of our POWs and missing men been a nationwide concern In cinematic detail authors Taylor Baldwin Kiland and Judy Silverstein Gray plunge you directly into the political maneuvering the women navigated onto the international stage they shared with world leaders and through the landmark legacy they created **Prisoners of War** Arnold Krammer, 2007-11-30 America s current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely

International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy

The Unlikely War Hero Marc Leepson, 2024-12-17 What a strange fascinating and ultimately powerful account of one man's endurance of life as a POW during the American war in Vietnam This book I believe will stand the test of time as one of the finest nonfiction narratives to emerge from the Vietnam War Tim O'Brien author of *The Things They Carried* On April 6 1967 twenty year old U S Navy Seaman Apprentice Doug Hegdahl fell off his ship a guided missile cruiser in the Gulf of Tonkin Close to exhaustion after nearly four hours in the water he was picked up by a small fishing boat and soon found himself in Hanoi Prison the notorious North Vietnamese POW camp the prisoners called the Hanoi Hilton Under intense interrogation Hegdahl pretended to be a country bumpkin who could barely read or write His captors fell for the ruse calling him The Incredibly Stupid One But Doug Hegdahl was far from stupid Possessing a razor sharp memory during the next two years he memorized the names of 254 fellow prisoners and senior officers ordered him to accept an early release After coming home in August 1969 Hegdahl shocked his debriefers by rattling off the names of the men Hanoi had admitted holding only a few dozen although the U S military had reliable intel on scores of others With Hegdahl's names 63 missing servicemen were reclassified to Prisoners of War But that's not all In addition to divulging the names Doug Hegdahl told the Pentagon about the systematic torturing of the American POWs in Hanoi and reported many other hitherto unknown details about life inside

the Hanoi POW camps The new information became an important factor in North Vietnam's fall 1969 decision to make life immeasurably easier for the 500 plus POWs held in Hanoi and assuaged the doubts and fears of dozens of POW families In a vividly written book based on archival research personal interviews and his experiences in the Vietnam War Marc Leepson for the first time tells the incredible tale of the youngest and lowest ranking American POW captured in North Vietnam Doug Hegdahl has never been properly recognized for his extraordinary efforts and his story has never been fully told It's a story of survival has own and scores of POWs As a U S Navy historian put it the North Vietnamese made a bad mistake when they released Seaman Doug Hegdahl

How the Gloves Came Off Elizabeth Grimm, 2017-03-07 The treatment of detainees at Abu Ghraib prison Guantanamo Bay and far flung CIA black sites after the attacks of 9 11 included cruelty that defied legal and normative prohibitions in U S and international law The antitorture stance of the United States was brushed aside Since then the guarantee of American civil liberties and due process for POWs and detainees has grown muddled threatening the norms that sustain modern democracies How the Gloves Came Off considers the legal and political arguments that led to this standoff between civility and chaos and their significant consequences for the strategic interests and standing of the United States Unpacking the rhetoric surrounding the push for unitary executive action in wartime How the Gloves Came Off traces the unmaking of the consensus against torture It implicates U S military commanders high level government administrators lawyers and policy makers from both parties exposing the ease with which powerful actors manipulated ambiguities to strip detainees of their humanity By targeting the language and logic that made torture thinkable this book shows how future decision makers can craft an effective counternarrative and set a new course for U S policy toward POWs and detainees Whether leaders use their influence to reinforce a prohibition of cruelty to prisoners or continue to undermine long standing international law will determine whether the United States retains a core component of its founding identity

Prisoners of the Empire Sarah Kovner, 2020-09-15 Many Allied POWs in the Pacific theater of World War II suffered terribly But abuse wasn't a matter of Japanese policy as is commonly assumed Sarah Kovner shows poorly trained guards and rogue commanders inflicted the most horrific damage Camps close to centers of imperial power tended to be less violent and many POWs died from friendly fire

Until the Last Man Comes Home Michael J. Allen, 2009-09-18 Fewer Americans were captured or missing during the Vietnam War than in any previous major military conflict in U S history Yet despite their small numbers American POWs inspired an outpouring of concern that slowly eroded support for the war Michael J Allen reveals how wartime loss transformed U S politics well before and long after the war's official end Throughout the war's last years and in the decades since Allen argues the effort to recover lost warriors was as much a means to establish responsibility for their loss as it was a search for answers about their fate Though millions of Americans and Vietnamese took part in that effort POW and MIA families and activists dominated it Insisting that the war was not over until the last man comes home this small determined group turned the unprecedented accounting effort against those they blamed for their suffering Allen

demonstrates that POW MIA activism prolonged the hostility between the United States and Vietnam even as the search for the missing became the basis for closer ties between the two countries in the 1990s Equally important he explains POW MIA families disdain for the antiwar left and contempt for federal authority fueled the conservative ascendancy after 1968 Mixing political cultural and diplomatic history Until the Last Man Comes Home presents the full and lasting impact of the Vietnam War in ways that are both familiar and surprising

Useful Captives Daniel Krebs, Lorien Foote, 2021-02-15 Useful Captives The Role of POWs in American Military Conflicts is a wide ranging investigation of the integral role prisoners of war POWs have played in the economic cultural political and military aspects of American warfare In Useful Captives volume editors Daniel Krebs and Lorien Foote and their contributors explore the wide range of roles that captives play in times of conflict hostages used to negotiate vital points of contention between combatants consumers laborers propaganda tools objects of indoctrination proof of military success symbols political instruments exemplars of manhood ideals loyal and disloyal soldiers and agents of change in society The book s eleven chapters cover conflicts involving Americans ranging from colonial warfare on the Creek Georgia border in the late eighteenth century the American Revolution the Civil War the Great War World War II to twenty first century U S drone warfare This long historical horizon enables the reader to go beyond the prison camp experience of POWs to better understand the many ways they influence the nature and course of military conflict Useful Captives shows the vital role that prisoners of war play in American warfare and reveals the cultural contexts of warfare the shaping and altering of military policies the process of state building the impacts upon the economy and environment of the conflict zone their special place in propaganda and political symbolism and the importance of public history in shaping national memory

The Encyclopedia of the Vietnam War Bloomsbury Publishing, 2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO

The End of Reciprocity Mark Osiel, 2009-03-09 Why

should America restrain itself in detaining interrogating and targeting terrorists when they show it no similar forbearance Is it fair to expect one side to fight by more stringent rules than the other placing itself at disadvantage Is the disadvantaged side then permitted to use the tactics and strategies of its opponent If so then America s most controversial counterterrorism practices are justified as commensurate responses to indiscriminate terror Yet different ethical standards prove entirely fitting the author finds in a conflict between a network of suicidal terrorists seeking mass atrocity at any cost and a constitutional democracy committed to respecting human dignity and the rule of law The most important reciprocity involves neither uniform application of fair rules nor their enforcement by a simple minded tit for tat Real reciprocity instead entails contributing to an emergent global contract that encompasses the law of war and from which all peoples may mutually benefit

The Enigmatic Realm of **Long Road Home Us Prisoner Of War Policy**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Long Road Home Us Prisoner Of War Policy** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.

Long Road Home Us Prisoner Of War Policy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Long Road Home Us Prisoner Of War Policy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Long Road Home Us Prisoner Of War Policy has opened up a world of possibilities. Downloading Long Road Home Us Prisoner Of War Policy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Long Road Home Us Prisoner Of War Policy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Long Road Home Us Prisoner Of War Policy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Long Road Home Us Prisoner Of War Policy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Long Road Home Us Prisoner Of War Policy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Long Road Home Us Prisoner Of War Policy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Long Road Home Us Prisoner Of War Policy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Long Road Home Us Prisoner Of War Policy is one of the best book in our library for free trial. We provide copy of Long Road Home Us Prisoner Of War Policy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Long Road Home Us Prisoner Of War Policy. Where to download Long Road Home Us Prisoner Of War Policy online for free? Are you looking for Long Road Home Us Prisoner Of War Policy PDF? This is definitely going to save you time and cash in something you should think about.
