The Longest Night Petros Charès, 1985 **Long Night's Journey into Day** Charles G. Roland, 2010-10-30 Sickness starvation brutality and forced labour plagued the existence of tens of thousands of Allied POWs in World War II More than a quarter of these POWs died in captivity Long Night s Journey into Day centres on the lives of Canadian British Indian and Hong Kong POWs captured at Hong Kong in December 1941 and incarcerated in camps in Hong Kong and the Japanese Home Islands Experiences of American POWs in the Philippines and British and Australians POWs in Singapore are interwoven throughout the book Starvation and diseases such as diphtheria beriberi dysentery and tuberculosis afflicted all these unfortunate men affecting their lives not only in the camps during the war but after they returned home Yet despite the dispiriting circumstances of their captivity these men found ways to improve their existence keeping up their morale with such events as musical concerts and entertainments created entirely within the various camps Based largely on hundreds of interviews with former POWs as well as material culled from archives around the world Professor Roland details the extremes the prisoners endured from having to eat fattened maggots in order to live to choosing starvation by trading away their skimpy rations for cigarettes No previous book has shown the essential relationship between almost universal ill health and POW life and death or provides such a complete and unbiased account of POW life in the Far East in the 1940s The Land of the Long Night Paul Belloni Du Chaillu, 1905 **Long Night's Journey into Day** James Emery White, 2010-12-29 Struggling with life s dark side Longing for change Begin the journey toward a transformed life Many of us look at our lives and wish we could experience lasting life change We long to live in the light of our relationship with God but find that we often reside in the troubling darkness of temptation It s time to step onto the path that God has laid out for us the only path that will lead us toward the life we long for It s time to embark on a Long Night s Journey into Day Using three keys found in Scripture you can embark on the journey that leads to personal transformation Lay hold of the desire knowledge and power that make it possible to move away from sin and replace it with life giving virtue As pastor and author James Emery White examines the eight basic sins from which all others grow he also reveals the virtues that counter each sin By recognizing sin for what it is and practicing the virtues that offset it we can journey toward lasting life change that draws from God s incredible power Find out what can happen to a life lived in full partnership with the living God Set out on the path of personal transformation the life that becomes a Long Night s Journey into Day **The Long Night of White Chickens** Francisco Goldman, 2007-12-01 This acclaimed novel by the Pulitzer Prize finalist is at once a story about a boy growing up in two cultures a love story and a mystery The Boston Globe Winner of the Sue Kaufman Prize for First Fiction The Long Night of White Chickens announced Francisco Goldman s arrival as a major literary talent It is both a suspenseful mystery and a tale of two worlds that plumbs the darkest depths of the relationship between the United States and Guatemala Goldman tells the story of Roger Graetz raised in a Boston suburb by an aristocratic Guatemalan mother and Jewish father and Flor de

Mayo the beautiful young Guatemalan orphan who lives with the family as a maid Similar in age Roger and Flor become close and remain so even after she leaves to attend college at Wellesley After graduation however Flor returns home to Guatemala City where she heads a local orphanage that arranges international adoptions When she is murdered Roger is stunned and can't believe the rumors he hears about her life Years later he travels to Guatemala to uncover the circumstances around Flor's mysterious death in this wonderful book that is as complex as history funny as love painful as death The Washington Post Book World A richly layered genre busting novel that shuttles between suburban Boston and Guatemala City and devours everything in its path Jay McInerney author of Bright Lights Big City

The Long Night of Winchell Dear Robert James Waller, 2007-06-26 The steady tick of an aged Regulator wall clock and the squeak of an overhead fan turning slowly are soft but insistent counting down the night while the high desert thrums like a half remembered Victrola song The sounds are below the consciousness of Winchell Dear an old time gambler a Texas poker player on the southern circuit as he waits for something something vague that his life of chance tells him is evil and moving his way He has gassed and oiled the Cadillac and adjusts the pistol in his right boot then plays one of the six fiddle tunes he knows thinking back to his good days with Lucinda Miller Alone he waits in his remote ranch house while just outside an acquaintance named Luther hunts unblinking and of nervous temperament and moving through yellow primrose bending in the night wind In Diablo Canyon a distant part of Winchell Dear's ranch Peter Long Grass squats by a campfire contemplating the profile he saw moving along the ridge of Guapa Mountain an hour ago thinking about the gambler's housekeeper Sonia Dominguez about the small quiet world he has fashioned far from civilization and what undefined presence might now be threatening it He gathers his tools and begins to run across the desert floor And boring toward all of them is a cream colored Lincoln Continental with two men aboard Traveling from Los Angeles on a mission they've been given they are professionals cool and implacable at the start but becoming steadily more confused by the strange landscape they are passing through Forty minutes from their task they ready themselves while a kitchen wall clock ticks its way through the long night of Winchell Dear The Long Night of Winchell Dear finds master storyteller Robert James Waller at his best as he takes us through the wind and dust of the high desert mountains into the shadowy world of high stakes poker fought in the back rooms of Amarillo and Little Rock and headlong toward the book's stunning finale of chaotic terror where an unexpected hero emerges

A New Treatise on the Use of the Globes, Or A Philosophical View of the Earth and Heavens ... Thomas Keith, 1808

LIVING IN THE TIME OF HELTER SKELTER P. Sulon Dolo, 2024-03-14 The main aim of this poetry is to express some of the feelings that were created by the deadly Liberian civil crisis that led many dead homeless and mentally disturbed socially morally and economically imbalanced The result of these conditions set heavy grief and frustration in my heart as the author of this book Most of the poems have emotional tones because of the mood and personal experiences of the writer However these poems are intended to bring consolation and joy in the minds of its readers in order to let out bad feelings I am aware that negative feeling which includes

anger contempt guilt and fear must be minimized if not eradicated in our daily lives The Long Night Jessica Kantrowitz,2020-05-19 You've done what you can you've seen your doctor made an appointment with a therapist picked up the prescription for the antidepressant and swallowed that first strange pill But it can take four to eight weeks for the meds to start to work and it might take two or more tries before you and your doctor find the ones that work best for you When you're in the midst of terrible depression those weeks can feel like an eternity You just want to feel better now This book is for those who are in the long night of waiting It does not promise healing or deliverance it is not a guide to praying away the depression It is simply an attempt to sit next to you in the dark while you wait for the light to emerge Drawing on the wisdom of spiritual figures from the past and present including Henri Nouwen Thomas Merton Barbara Brown Taylor Bunmi Laditan and many others The Long Night is a comforting and inspirational companion for anyone in the midst of depression Writer editor and minister Jessica Kantrowitz has been where you are As a mentor and friend she will walk with you on this journey toward life and light Faithful Families for Advent and Christmas Traci Smith,2020-08-18 In the hustle and bustle of the holiday season it's easy for families to forget the true meaning of the season In this new book of faith practices for Advent Christmas and Epiphany parents grandparents Sunday School teachers pastors and anyone who cares about kids will find 100 easy fun and meaningful ideas for bringing the sacred back into the season Divided into three sections of prayers practices and lessons with pages decorated with whimsical Christmas doodles from the cover Faithful Families for Advent and Christmas will delight kids and adults alike and offers families an abundance of ideas for making the Christmas season sparkle with faith and spirit
