Longman Business English Usage Peter Strutt, 1995 Teaching Business English Mark Ellis, Christine Johnson, 1994-05-19 Gives background to the business learner's world and strategies for approaching the training task focusing on the learner's professional knowledge and experience This book is suitable for teachers, trainers and course organizers in the field of Business English or considering a move into it **Garner's Modern English Usage** Bryan A. Garner, 2022 Garner's Modern English Usage is one of the most influential style guides ever written for the English language With more than a thousand new entries, 200 replacement entries and thoroughly updated usage data, this fifth edition is fully abreast of the times and further establishes the author as the authority on effective writing A Concise Grammar of Business English Victor Tița, A Concise Grammar for Business English with exercises gives concise explanations of all main areas of English grammar and provides a multitude of suggestive examples for you It revises some of the points of grammar that you will have already studied such as when to use the a, an or zero article and when to use the past simple or the present perfect but will also introduce you to many more features of English grammar appropriate to an intermediate level of study This book can be used in class with help from your teacher or at home as a self-study book If you are using the book by yourself, use the Table of Contents to find the area that you want to study, read the grammatical explanation and examples provided It is not necessary to work through the units in order If you know what grammar points you have difficulty with, go straight to the units that deal with them I hope that A Concise Grammar for Business English helps you to improve your English *Garner's Modern English Usage* Bryan Garner, 2016-03-11 With more than a thousand new entries and more than 2,300 word frequency ratios, the magisterial fourth edition of this book, now renamed Garner's Modern English Usage (GMEU), reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness, finesse and wit He discourages whatever is slovenly, pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful, persuasive and vivid writing Garner liberates English from two extremes: both from the hidebound purists who mistakenly believe that split infinitives and sentence-ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available In this fourth edition, Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource provides as comprehensive, reliable and empirical a guide to current English usage For all concerned with writing and editing, GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to, whether in word choice, syntax, phrasing, punctuation or pronunciation No matter how knowledgeable you may already be, you're sure to learn from every single page of this book
