Bill Wilson, Katie Fallon

Look And See:

Look, See the Bird! Bill Wilson, Katie Fallon, 2017-11-07 Look See the Bird is a beautifully illustrated children's book which seeks to not only promote curiosity in children about the natural world around them but also to establish the universal quality of having a connection with nature Look See the Bird follows children in a variety of locations all of whom are learning about local birds and their habits Beginning with Ruben and his sister Maria who have decided to spend their day bird watching in the coffee plants of their Nicaraguan farm the story wings towards locations as far removed as Alabama and Ontario lighting down briefly along the way as children the world over join with Ruben and Maria in spirit looking for birds in their own backyards Each time the question is asked by one child to another Look See the bird And each time the children are treated to the sight of a majestic bird native to their home This unifying question joins the children on the page with the children holding the book inviting them to look outside and see what they can see **John Inglesant** Joseph Henry

LOOK INSIDE!** ALBERTO VEZENDI, 2019-06-07 Why squander our life the only one we have in a permanent state of want and anxiety when we can live a life of abundance and bliss Why make our happiness depend on externalities when the only truly lasting happiness is inside each one of us Why sacrifice the happiness we could be enjoying today on the altar of a vague promise of future bliss when we already have everything we need to be happy in the present In this work the author shows us how to overcome the two main obstacles to happiness attachment and anxiety Readers will see that detachment and the ability to stop worrying are neither gifts of the chosen nor inborn talents reserved for a few but skills that can be learned at any moment in life regardless of our situation In the first part we'll focus on attachment to objects and people We'll see how attachment inevitably leads to fear and that fear is incompatible with happiness We'll examine the role of craving and desire of want and satisfaction of control and freedom of possessions and love and we'll see that precious little is needed to live a happy life In the second part we'll delve into what is probably the main cause of unhappiness anxiety We'll see that most of the worry that taints our happiness is unjustified because it stems from adversities that only exist in our mind To understand this reasoning we'll analyze how we create all our expectations and fears in the present how we project them into a future that is no less a product of our own imagination and how we then await with apprehension the arrival of that future in which we have placed our hopes and misgivings Happiness is not an unattainable dream not even a future goal we're doomed to pursue forever in vain but a natural innate gift we've all been endowed with We have now and always have had all the happiness we'll ever have but we don't allow it to bloom in our lives because we've unconsciously buried it under an ever thickening layer of impediments that prevent it from

manifesting every day of our life This book is here to help you find your happiness but to do so it has to challenge many of the received ideas and dogmas that for centuries have condemned humanity to unhappiness Please read it with an open mind and consider with fairness whether the ideas contained herein make any sense for you When doing so be honest with yourself and don't let other people's opinions influence your conclusions Remember that ultimately you are your only judge and that on your deathbed the opinions other people may have about you will not change the verdict of your conscience about how you lived your own life Your happiness is in your own hands and nowhere else for only you can make it real Let this book help you drop the ballast of your worries and attachments and glide smoothly through life The solution is inside discover it and let the magic happen Don't wait until it's too late it's now or never Lippincott's Magazine, 1915 **Ackerman v.
