Look Closer Tide Pool:

Tide Pool Christiane Gunzi,1998 Discusses the different kinds of plants and animals that can be found in tide pools and how they interact with each other **Octopus's Tide Pool Trouble** Cherilyn Chin,2026-01-01 Lily Lu is thrilled to see all the animals in the tide pools near her home in Monterey California But what can Lily do when she spots an octopus in danger after a storm **Let's Go to the Beach** Chronicle Books,2013-04-09 Let s Go to the Beach includes everything kids need to have a blast at the beach An adorable clownfish sits at the center of it all and transforms into a colorful bag with a beach themed pattern perfect for toting beach toys and accessories to the seashore or for bringing home seashells Twenty activity cards give children games to play on the sand and even ideas for beach art projects The Northwest Coastal Explorer Robert Steelquist,2016-09-21 Part field guide part travel guide Steelquist writes with the authoritative voice of that friend you want next to you on the trail or in the dunes the one who knows just where to go for a weekend getaway and what to pack for the Pacific Northwest s unpredictable weather Portland Monthly Millions of visitors explore the magnificent coastline of the Pacific Northwest and all that it provides unique plant life easy to find animals and magical places The Northwest Coastal Explorer is a fun engaging lushly illustrated guide to the marine life of Oregon Washington and British Columbia Profiles of the flora and fauna include tips on where and how to find them like the ochre sea stars commonly discovered on exposed rocks and the olive snails found on sandy beaches while the included getaway guide highlights the best weekend trips for each area Paired Passages, Grade 3 Lynette Pyne,2016-03-07 Paired Passages for grade 3 offers pairs of nonfiction and fiction passages for students to compare and contrast Aligned to state standards students will read high interest passages about topics such as the Trail of Tears the Pony Express an American Indian legend and more Help your students meet rigorous college and career ready expectations by improving reading comprehension skills Paired Passages helps students meet and exceed reading standards by teaching them to compare and contrast fiction with nonfiction fiction with fiction and nonfiction with nonfiction When students finish reading a pair of passages they will rely on the text to complete the accompanying questions and activities The Paired Passages series for grades 1 to 6 improves reading comprehension skills by providing passages for students to compare contrast and synthesize Filled with content that appeals to today s learners the passages represent a variety of genres such as literature narrative poetry realistic fiction and more social studies and science Each topic features a pair of passages and is followed by two pages of text dependent questions and activities By using this research based instructional approach you are preparing students for a successful academic journey this year and for years to come The Road Rising Tony R. Woods,2003 In a one year daily devotional style Woods allows readers to follow a fictional backpacker s journey of faith Loneliness fear and wonder as well as the demonic power of the Evil Man confront him on the trail Crystal Tide Pools Yves Earhart,2025-01-07 Crystal Tide Pools offers a compelling exploration of the intricate marine ecosystems existing at the intersection of land and sea where small

water filled depressions serve as natural laboratories for understanding broader oceanic processes The book masterfully presents these miniature worlds through three key lenses the physical forces that shape them the diverse biological communities they harbor and the complex chemical interactions that sustain life within them Beginning with geological foundations the text guides readers through the fascinating dynamics of tide pool formation before delving into the remarkable adaptations of resident species From microscopic algae to specialized invertebrates each organism s story reveals sophisticated survival strategies for coping with extreme environmental fluctuations The book presents cutting edge research on how these species navigate dramatic shifts in temperature salinity and oxygen levels throughout their daily cycles What sets this comprehensive guide apart is its systematic approach to connecting microscale observations with larger oceanic processes particularly in the context of climate change monitoring Through detailed photographs time series data and case studies from global research stations readers gain practical insights into tide pool survey techniques while understanding their significance as early indicators of ocean health The accessible writing style enriched with carefully explained technical concepts makes this an invaluable resource for both university students and informed enthusiasts interested in marine biology and coastal conservation

Blizzard by the Beach Nate Albright,2024-11-15 When an unexpected blizzard hits their normally sunny coastal town Emma Max and Sophie are in for the adventure of a lifetime What begins as a mysterious winter storm quickly leads the three friends on a treasure hunt along the beach uncovering hidden symbols in the snow and secrets buried in the sand As they investigate strange occurrences and unravel clues they discover a long forgotten lighthouse keeper s journal that reveals the beach s hidden history From buried keys and old journals to enchanted treasures and puzzling messages the kids take on the role of Winter Beach Keepers recording their findings and uncovering the magic that makes their beach unique With each season new mysteries arise mysteries that could change everything they know about the beach they love In *Blizzard by the Beach* join Emma Max and Sophie as they embark on a fun filled heartwarming adventure filled with surprises friendship and the wonders of the natural world Perfect for young readers ages 7-9 this book is an exciting journey through the seasons showing that even in the warmest places winter holds secrets waiting to be discovered
