Look Up And Live:

Encouraging Devotional Connections Pastor Juanita Larry Riley, 2021-09-15 This devotional is for everyone It was written with a pure heart for those that need encouragement joy peace and most important a connection with their spiritual guide That was its first intention and the last objective as it entered publishing Encouraging Devotional Connections was born as brief email attachments written to Pastor Juanita's friends and colleagues She wanted each devotional to be touching give hope and bring a sense of humor to those who read them She felt that God was directing her to write these spiritual notes to others for over 10 years Pastor Juanita admits that it was much later in the process of writing and sharing that the Lord quietly said to her that the writings were a book She said in her conversation with the Lord A what In time He showed her how many writings were saved in a file on her computer She still replied Me write a book And again in time He said It is Finished She said So much for that conversation Once Pastor Juanita accepted the purpose for the encouraging writings she obediently began to read over them and they became a manuscript She reported that despite the religious content of using a scripture to guide the thoughts and ending each writing with a prayer she somehow stubbornly never meant the book to be a religious document and even while re-addressing the complication of these texts She wanted this work to not just be for Christians but for everyone no matter their persuasions or views She had an overall commitment to touching others with hope peace and the knowledge that they are not alone and that we all share the commonality of daily life challenges questions and dilemmas What is beautiful is that over the seasons these email attachments were being written she was ordained as an Elder Pastored a Church and was the CEO of a non profit agency that provided Counseling services to those in need and without money Go figure While there is no overlooking who her spiritual guide is she believes in her heart that He Loves us all because He is Love I John 4 16 says it well And we have known and believed the love that God has for us God is love and he who abides in love abides in God and God in him New King James Version [Poems of Inspiration](#) Kenneth Morgan, 2003-06-22 Life is full of all types of experiences some we would like to hold on to and others we would like to forget We live every day looking for a better way to make our tomorrows better than our today No one truly knows in this life what will befall them we live every day of our lives operating in something that we do not even recognize that is part of us that has been placed in us for the troubles that life may bring about But there is a spiritual person that lives within your heart that will give you the strength and faith to look forward to another day and rejoice in the fact that if everything doesn't go right there is still tomorrow and the assurances that you will learn by bringing you closer to God Poems of Inspiration shows you how to experience that closeness with God [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1954](#) United States.
