Looking For God A Seekers Guide To God:

Looking for God : a Seeker's Guide to God Woodbury, Clair,1983 **The Seeker's Guide to Faith** J. Peter Baumgarten,2020-11-23 The Seeker s Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author s professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel s plan of happiness He hopes The Seeker s Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ **Looking For God** Steven S. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God s presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God s will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as the tabernacle

was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God Looking for GOD Steven S. Sadleir,2008

Schmidt,2008 *Luther's Outlaw God* Steven D. Paulson,2019-09-03 In this second of three volumes addressing Luther's outlaw God Steven D Paulson uses several biblical figures Ezekiel Jonah Moses David and more to illustrate Luther's understanding of law and gospel and what this means for

preaching Paulson shows that the challenge of all preaching is revealing God's actual grace without using the law at all. The gospel is what freed Luther from thinking of the world as split into two: an obscure world where law accuses and a magical world where the law blesses. With remarkable depth and clarity Paulson explores the question: Where do we find a gracious God? For Luther it was not in the law but only in the publicly executed and hated God Jesus Christ hidden in the cross.

Dancing with God Karen Baker-Fletcher, 2006-12-01. *Dancing With God* is an exploration of the divine gifts of courage and grace in the face of evil. Moreover, it is a doctrine of God as the source of that courage. Baker Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion, a metaphor she uses for unnecessary violence. She develops a process of relational womanist theology that considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit. She engages the contributions of a diversity of theologians like Paul Tillich, Karl Barth, Gordon Kaufman, John Cobb Jr, Majorie Suchocki, Charles Hartshorne, Andrew Sung Park, and Katie Cannon in her discussion of the dance of the Trinity in creation and the problem of sin, evil, and suffering. Through creative works like that of Alice Walker's *The Color Purple* and journalist Joyce King's account of the James Byrd Jr murder in Jasper County, Texas, Baker Fletcher reveals the healing, encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence.

God Seeker Elmer Towns, 2023-02-21. WHAT IS A GOD SEEKER? A person who gives 100 percent of their heart, soul, and energy to seek and find the Lord. David was a God Seeker. You will follow David, the shepherd-giant slayer, fugitive and king, on his lifelong journey to seek and find the presence of the Lord. While walking along with David as he searches and seeks God, you will.

Seeking God in All Things William E. Reiser, 2004. The practice of spiritual direction assumes a theology of the Holy Spirit, a theology of revelation, and of the Church, and a theology of prayer. *Seeking God in All Things* explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive. Since not every experience of God bears a Christian imprint, William Reiser SJ asks whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life. This question looks beyond suggesting the concrete steps a person might take in initiating, nurturing, and solidifying a way of praying. It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God. Chapters are: It Is God Who Directs; Imagining Divine Action in Human Lives; Where Do Holy Desires Come From? What's Distinctive About the Christian Religious Experience; Further Elements of Christian Distinctiveness; The Incarnation as a Starting Point for Spiritual Direction; and Should Christian Spirituality Move Beyond Jesus? William Reiser SJ, PhD, is a professor of theology in the religious studies department at Holy Cross College, Worcester, Massachusetts. Over the past twelve years, he has also served as an associate staff member at the Center for Religious Development in Cambridge. He is the author of *Jesus in Solidarity with His People*, published by Liturgical Press.
