The Lord's Resistance Army Mareike Schomerus, 2010-07-08 The Lord's Resistance Army is Africa's most persistent and notorious terrorist group. Led by the mysterious Joseph Kony, it has committed a series of horrific human rights abuses including massacres and mutilations. Since the mid 1980s it has abducted tens of thousands of people including large numbers of children forced to train as fighters. The IC in 2005 issued warrants for Kony and his top commanders and the United States is backing a military campaign against the group. But the LRA survives continuing to inspire both fascination and fear. Authoritative but provocative, The Lord's Resistance Army provides the most comprehensive analysis of the group available. From the roots of the violence to the oppressive responses of the Ugandan government and the failures of the international community, this collection looks at this most brutal of conflicts in fascinating depth and includes a remarkable first-hand interview with Kony himself.

Open the Eyes of My Heart Jodie M. Chappuis, 2018-04-17 Open the Eyes of My Heart Embracing the Joys of Everyday Miracles tells the story of the author's life beginning with her experience when she was only three years old of surviving a life-threatening accident and living to tell others about her encounter with Jesus. This incident shaped her faith and led her down the path of sharing with others the changes she felt in her life because of the grace of God. The author Jodie M. Chappuis writes her account so that readers can hear her talking to them directly. Reading the story of her life in Open the Eyes of My Heart brings her voice to life in the same way that her students in confirmation classes or her clients sitting in their chairs as she works on styling their hair have experienced her gift for telling the story of her life. Open the Eyes of My Heart Embracing the Joys of Everyday Miracles begins with one little girl's life extending encounter with Jesus and then tells how his grace touches daily life in joyous and miraculous ways.

Perceforest, 2011 A highly readable version of this remarkable and largely unexplored work, Perceforest is one of the largest and certainly the most extraordinary of the late Arthurian romances. Justly described as an encyclopaedia of 14th-century chivalry and a mine of folkloric motifs, it is the subject of rapidly increasing attention and research. The author of Perceforest draws on Alexander romances, Roman histories and medieval travel writing, not to mention oral tradition, as he gives, for example, the distinctly racy first written version of the Sleeping Beauty story to create a remarkable prehistory of King Arthur's Britain. It begins with the arrival in Britain of Alexander the Great. His follower, Perceforest, the first of Arthur's Greek ancestors, is made king of the island and finds it infested by the evil clan of Darnant. The Enchanter Magic plays a dominant part in the adventures which follow as Perceforest ousts Darnant's clan despite their

supernatural powers. He founds the knightly order of the Franc Palais an ideal of chivalric civilisation prefiguring the Round Table of Arthur and indeed that of Edward III. But that civilisation is the author shows all too fragile. The vast imaginative scope of Perceforest is matched by its variety of tone ranging from tales of love and enchantment to bawdy comedy from glamorous tournaments to unvarnished descriptions of the havoc wrought by war. And the author's surprising view of pagan gods and the coming of Christianity is as fascinating as the prominence he gives to women and his understanding of how the world of chivalry should work. Because of its enormous length it runs to over a million words. Nigel Bryant has provided a version which gives a complete account of every episode linking extensive passages of translation to make a manageable and highly readable version including the previously unpublished Books Five and Six of this remarkable and largely unexplored work. Nigel Bryant has worked as a producer for BBC Radio 3 and as head of drama at Marlborough College. This is his fourth major translation of medieval Arthurian romance. The British drama, illustrated, 1872
