Repentance consists not only in lagging behind external great sins but in changing the mind and heart and in updating the inner state That is you need to turn away from all the hustle and bustle of this world since it prevents anyone who wants to be saved to consider various spiritual weaknesses that is pride anger envy uncleanness love of money and so on and to regret and lament that such evil entered through snake venom our soul which was created pure and immaculate And with such pity and regret praying to Christ so that by His power he will correct and heal us And when the heart or the internal state changes and is corrected then the external life and external affairs will be good Legs will not go to

evil if the soul does not want to Hands will not do evil if the will does not want to The tongue will not speak evil if the heart does not want to The body will not be fornication True repentance and faith will certainly be followed by the correction and renewal of the heart and outer life True repentance and faith renews and corrects a person turns away from the bustle of the world moves to desire and the search for eternal life teaches the fear of God incessantly exhorts against all sin to fight and to do good and please God And when we look ahead we will see death that leaves no one And the more we live the more it approaches us This limit of God is both unknown to us and very terrible Unknown because the old and young infants and youths ready and unprepared righteous and sinful indiscriminately abduct It is terrible because from here begins an endless constant always abiding eternity From here we are either in eternal bliss or in eternal torment or in a place of joy or in a place of crying Now we either live forever or die forever either reign forever in heaven with Christ and His saints or begin to suffer forever in hell with Satan and his angels
