Copyright Office,1978 **A Greater Sense of God's Presence** Bill Vincent,2023-06-02 There is always a sound being emitted from the earth to the heavens and from the heavens to the earth a divine exchange if you will It exists in the unseen realm in the form of energy patterns waves and particles and while the great majority of it is not audible to our natural ear we can perceive it because we are a part of it God hears what we say and I believe He has an ever flowing answer that we need to be aware of and tune into with our spirit man in order to tap into the constant communion we may have with Him We typically refer to it as spirit to spirit deep to deep as does Scripture that they may be one just as We are one I in them and You in Me Jesus prays in John 17 on our oneness with Him Whether we are aware of it or not our world as we know it would not exist without that ongoing exchange in Him all things consist When God created our entire existence He set it in motion by releasing His sound His Word Let there be Light World View Marvin Olasky,2017-11-06 As Editor in Chief of World Marvin Olasky has offered his views on current events and culture for more than twenty five years In this collection of columns he shows readers how Christians can speak biblical truths while also living out the biblical values of grace and mercy in today s world **Declaration of Independence of the People of God**

Richard Lane,2023-07-24 In a time when the people are separated by theology philosophy divisions and schisms of different doctrines tongues interpretations and religions which is the right one and which is the wrong one How do they know their going the right way and how do they know they are not themselves being deceived When it is easier to lead others astray than to preach and teach the Gospel it becomes harder to convince the people of uncorrupt unwatered down unsugarcoated Scripture truth as it is written there will be a time when sound doctrine will not be tolerated 2 Tim 4 3 For far too long have we become engrossed in what other people say is or is not the truth For far too long have people become in bondage with specific beliefs and religious systems that are doomed to fail fall and falter Unfortunately just as God had to be patient for the wickedness of Lucifer to be fully revealed and evidence seen before God could expel Satan to the earth God had to let the works of Satan in the guise of religions to be fully manifested for it to be realized exactly what he has done Many see the puzzle pieces as it is shown in this book but only a few see the big picture Take it out of the frame and it falls apart Just as it is written a kingdom divided against itself cannot stand Judgment has sat therefore it has hereby officially fallen into pieces

Many ministers prophets and others have spoken of and prophesied of a change that God is bringing to the church worldwide and that something big by God is coming Many wished to see it during their time and many hoped to see it during their life That time has now come and it has already begun Here is the sentence of God The kingdom the dominion and the greatness of the kingdom of God on earth is taken away from the little king in the physical and from Satan in the spiritual and is given to the people of the Most High the only Holy Father Yehovah and Yeshua the High Priest the Head of the whole Church of the Living God worldwide Woo
