Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 *Basic Discipleship* Floyd McClung, Dale Larsen, Sandy Larsen, 1996 *Books in Print Supplement* , 2002 **Lordship Vs Discipleship** Dr. James W. Huntley, 2013-08-19 This book has been designed to culminate a study on our position with God as disciples We have not been chosen to assume the position as Lords We must not usurp the position as a Lord We have not been chosen to be served but to serve therefore this book will explain in detail our callings and limitations as it refers to our position and anointing This book does not indicate how anointed you are It only references that your anointing cannot be any greater than God has chosen to give unto you This book will list in detail that authority has to be given and not taken Therefore as our Master and King God alone grants us the power and authority as he chooses to disseminate amid the Body of Christ This book has been designed to explain that we are not Lords but disciples A disciple is a follower and student of a mentor teacher or other figure The higher our calling the greater our servitude should be Additionally we are considered as Servant Leaders Servant leadership is both a leadership philosophy and set of leadership practices Traditional leadership generally involves the accumulation and exercise of power by one at the top of the pyramid By comparison the servant leader shares power but most importantly puts the needs of others first and helps people develop and perform as highly as possible Therefore I have attempted to reference in detail our positions and appointments and what the scripture indicates in reference to our responsibilities with that calling and position Although we are powerful and full of an anointing by God we must understand that whatever God has given we should utilize it to complete the work of God and not our personal agendas Furthermore it is not our will that should be implemented but that of God and him alone When we understand our position with God we can perform our duties with greater convictions and at a higher level

Lordship Floyd McClung, 1996 **Lordship and Discipleship** Eduard Schweizer, 1960 A classic study of Christian life in changing cultures between the New Testament and the present day first published in English in 1960 and long unavailable It is impossible to distil a pure creed Every generation must proclaim the gospel in its own terms It is foolish to withhold belief from the creeds of another generation simply because we cannot use their language today But it is just as foolish to assent to all the creeds together as if orthodoxy were like some cafeteria where you are obliged to eat something of everything The New Testament contributors were courageous enough to be one sided They made their choice and preached the message in terms their hearers could grasp opposing clearly the special dangers of their time and place Must our

younger generation or to take a quite different example the Japanese people first be converted to a Hebrew or Greek way of thinking in order to be able to receive the gospel Or may we without denying the old creeds proclaim the same truth in the West perhaps in terms of the meaning of God's acts for our existence and in Japan perhaps in quite different terms
