Finding My Virginity Richard Branson, 2017-10-10 Twenty years after his iconic memoir *Losing My Virginity* the world's ultimate entrepreneur is back with the rest of the story Richard Branson's *Losing My Virginity* shared the outrageous tale of how he built Virgin from a student magazine into one of the greatest brands in history No challenge was too daunting no opportunity too outlandish to pursue And each new adventure started with five simple words Screw it let's do it Now fifty years after starting his first business Branson shares the candid details of a lifetime of triumphs and failures and what he really thinks about his unique life and career *Finding My Virginity* is an intimate look at his never ending quest to push boundaries break rules and seek new frontiers even after launching a dozen billion dollar businesses and hundreds of other companies As he led Virgin into the new millennium Branson fearlessly expanded the brand into new categories such as mobile media fitness and banking and into every corner of the globe all while preserving its iconoclastic scrappy spirit He even brought Virgin into space with Virgin Galactic the world's first commercial spaceline *Finding My Virginity* takes us behind the scenes of the incredible brains heart and sacrifices that have gone into making private spaceflight an imminent reality even after the biggest crisis Branson has ever faced But this book is much more than a series of business adventures It's also the story of Branson's evolution from hotshot entrepreneur to passionate philanthropist and public servant via Virgin Unite's environmental and health initiatives and through the Elders a council of influential global leaders And it's the story of his personal quest to become a better son husband father and grand dude to his four grandchildren Featuring a supporting cast that includes everyone from Bill Gates to Kate Moss Nelson Mandela to Barack Obama this is the gripping account of a man who will never stop reaching for the stars in more ways than one Find out how Branson did it for the first time all over again

Losing My Virginity Richard Branson, 1999-10 Not long ago the Big Thicket of East Texas was still one of those places singular in its southernness like the Mississippi Delta or the Carolina Low Country Now its old timers and their ways are nearly gone They will not be forgotten though for in *My Grandfather's Finger* Edward Swift recalls a Big Thicket populated by family and friends as gloriously vibrant and enigmatic as the land itself From Camp Ruby to nearby Woodville and all the swamps bayous and forests in between Swift shows us a place and time so fecund with humor tragedy and good talk that in growing up there he had no choice but to become a novelist We meet among many others Mother a widowed war bride who would spring clean the inside of her house with a garden hose and Aunt Coleta childlike and always surrounded by

an entourage of kids half enchanted by her and half scared witless Then there are Uncle Frank who with self fulfilling flair would have drawn a pistol at the merest suggestion that his family was dysfunctional and of course Grandfather who lost his finger to a machete and his mind to cough medicine A mystical world of carnivals talking fiddles houses on wheels atomic bombs and total immersion baptisms Edward Swift s Big Thicket was also a world in which he was loved unconditionally and that alone makes it worth getting to know *Losing My Virginity* Richard Branson,2009 This is the bestselling autobiography of iconic entrepreneur Sir Richard Branson featuring his take on his latest business ventures personal achievements and intrepid adventures You ll discover how Sir Richard is committed to building a better world t

Summary: Losing My Virginity by Richard Branson Mike Anderson,2018-01-29 Sir Richard Branson released his best selling autobiography *Losing My Virginity* How I ve Survived Had Fun and Made a Fortune Doing Business My Way in 1998 The book chronicles Branson s adventures in his business life and his personal life while offering valuable advice for others who need inspiration or want to follow in his footsteps The book follows his life in quite vivid detail until the age of forty three This autobiography gives us the opportunity to see what made this man who became worth 5 1 billion dollars and had fun doing it Sir Richard Branson was born on July 18 1950 in London England He is well known for starting the Virgin Group which has ownership of more than 400 companies *How I Lost My Virginity* Ellen Richardson,2019-08-02 *Losing My Virginity* is the unusual frequently outrageous autobiography of one of the great business geniuses of our time When Richard Branson started his first business he and his friends decided that since we re complete virgins at business let s call it just that Virgin Since then Branson has written his own rules for success creating a group of companies with a global presence but no central headquarters no management hierarchy and minimal bureaucracy Many of Richard Branson s companies airlines retailing and cola are good examples were started in the face of entrenched competition The experts said Don t do it But Branson found golden opportunities in markets in which customers have been ripped off or underserved where confusion reigns and the competition is complacent And in this stressed out overworked age Richard Branson gives us a new model a dynamic hardworking successful entrepreneur who lives life to the fullest Family friends fun and adventure are equally important as business in Branson s life *Losing My Virginity* is a portrait of a productive sane balanced life filled with rich and colorful stories

Losing My Virginity Sir Richard Branson,2011-08-04 Branson has a list of achievements unmatched by any other UK businessman For anyone burning with entrepreneurial zeal his reminiscences are akin to a sacred text Mail on Sunday THE NO 1 INTERNATIONAL BESTSELLER The worldwide bestselling autobiography of iconic entrepreneur Sir Richard Branson with over two million copies sold to date Much more than a memoir this is Sir Richard Branson s own take on his extraordinary life so far and a definitive business guide that reveals his unique philosophy of commerce success and life In *Losing My Virginity* you ll discover how Virgin grew from a mail order music business into a path breaking global brand From the 25 million Virgin Earth initiative to the launch of Virgin Galactic this is a powerful and unique look into the

life of an iconic global entrepreneur **Losing My Virginity** Richard Branson, 2006-04-01 *The Show That Never Ends* David Weigel, 2017-06-13 The wildly entertaining story of progressive rock the music that ruled the 1970s charts and has divided listeners ever since *The Show That Never Ends* is the definitive story of the extraordinary rise and fall of progressive prog rock Epitomized by such classic chart topping bands as Yes Genesis Pink Floyd Jethro Tull and Emerson Lake Palmer along with such successors as Rush Marillion Asia Styx and Porcupine Tree prog sold hundreds of millions of records It brought into the mainstream concept albums spaced out cover art crazy time signatures multitrack recording and stagecraft so bombastic it was spoofed in the classic movie *This Is Spinal Tap* With a vast knowledge of what Rolling Stone has called the deliciously decadent genre that the punks failed to kill access to key people who made the music and the passion of a true enthusiast Washington Post national reporter David Weigel tells the story of prog in all its pomp creativity and excess Weigel explains exactly what was progressive about prog rock and how its complexity and experimentalism arose from such precursors as the Beach Boys Pet Sounds and the Beatles Sgt Pepper He traces prog s popularity from the massive success of Procol Harum s *Whiter Shade of Pale* and the Moody Blues *Nights in White Satin* in 1967 He reveals how prog s best selling epochal albums were made including *The Dark Side of the Moon* *Thick as a Brick* and *Tubular Bells* And he explores the rise of new instruments into the prog mix such as the synthesizer flute mellotron and famously the double neck guitar *The Show That Never Ends* is filled with the candid reminiscences of prog s celebrated musicians It also features memorable portraits of the vital contributions of producers empresarios and technicians such as Richard Branson Brian Eno Ahmet Ertegun and Bob Moog Ultimately Weigel defends prog from the enormous derision it has received for a generation and he reveals the new critical respect and popularity it has achieved in its contemporary resurgence **Amortality** Catherine Mayer, 2011-05-12 Does your real age match the age you feel When do we reach middle age When if ever are we old The way we age and the way we perceive age has changed radically As we embrace new experiences relationships and gadgets we barely stop to look at our watches let alone consider whether our behaviour is age appropriate In this provocative and timely book Catherine Mayer looks at the forces that created amortality the term she coined to describe the phenomenon of living agelessly As she follows this social epidemic through generations and across continents she reveals its profound impact on society our careers our families and ourselves Why be defined by numbers Are you amortal **Organization and Identity** Alison Linstead, 2005-08-12 The contributors to the collection bring approaches from current philosophising into the area of organization theory and critically assess their relevance and impact **Screw Business As Usual** Richard Branson, 2017-04-04 From the trailblazing founder and CEO of the Virgin Group a powerful argument for using business to make a positive impact in the world Richard Branson one of the world s most famous and admired business leaders argues that it s time to turn capitalism upside down to shift our values from an exclusive focus on profit to also caring for people communities and the planet As he writes My message is a simple one business as usual isn t working In fact it s business as

usual that's wrecking our planet Resources are being used up the air the sea the land are all heavily polluted The poor are getting poorer Many are dying of starvation or because they can't afford a dollar a day for life saving medicine Prophesying doom and gloom is simply not my style I think business can help fix things and create a more prosperous world for everyone I happen to believe in business because I believe that business can be a force for good By that I mean doing good is good for business Screw Business as Usual shows how easy it is for both businesses and individuals to embark on a whole new way of doing things solving major problems and turning our work into something we both love and are proud of

The Thinkers 50 Stuart Crainer, 2006-06-30 From the distinguished Charles Handy to the classic Philip Kotler to the outspoken Paul Krugman and including such visionary leaders as Bill Gates and Jeff Bezos The Thinkers 50 based on an international survey of business academics practitioners consultants and journalists reinforces the powerful influences business and popular culture have on each other Following surveys that were conducted in 2001 and 2003 asking the single question Who is the most important living management thinker the 2005 survey is the first to be released with a companion book applying such criteria as practicality of ideas and international outlook to determine ranking and featuring colorful informative and concise profiles of the 50 individuals whose ideas most profoundly influence business today Each profile includes information on the subject's background and primary contributions and lists key publications and web sites Collectively they reflect the state of the art in contemporary management thinking and its application separating the people and ideas with lasting impact from the passing fads From students to entrepreneurs to seasoned executives The Thinkers 50 provides a compendium of practical insights on the art and science of management

Intuition in Business Eugene Sadler-Smith, 2022-12-19 This book explores the science behind intuitive decision making in business and shows how people's innate capacity for intuition can be nurtured and strengthened to maximize performance We are all familiar with those perplexing situations when we think we just know without knowing how or why we know In professional life it might be the job candidate's CV that checks all the boxes but somehow doesn't stack up should we perform some due diligence and dig a little deeper In personal life it could be the apartment that we're looking to rent that just felt right the minute we walked through the front door should we trust our hunch and grab it while we can What if time is of the essence What if there isn't any more data to be had in the time available In this volume Eugene Sadler Smith examines why situations like these often leave us in a quandary and why these decisions so often leave us in two minds He reveals that metaphorically speaking we have two minds in one brain an analytical mind and an intuitive mind which sometimes come to quite different conclusions about what we ought to do in those consequential decisions that permeate our professional and personal lives Rather than thinking of our intuitive and analytical minds in constant battle with each other we might instead think of them as two information processing systems that have evolved to complement each other The main idea of this book is that our analytical mind evolved to solve whilst our intuitive mind evolved to sense Neither is infallible and our intuitions can be both flawed and marvellous at the same time

The author's clear and detailed explanation of the science behind intuition reveals how we can make intelligent use of our intuition to sense and solve our way through a world that is fast moving complex and uncertain **The Power of Words (2)** Stilovsky, Schrödinger, 2020-02-24 Literature of all kinds plays such an important place in our lives whether it's biography classics crime or poetry In this non fiction volume you will find a mine of facts which will fascinate all who love books Felix Schrödinger and Pyotr Stilovsky have compiled in this the fifth volume of the series a compendium of information that will appeal to all who love language and especially those who seek out knowledge for its own sake Screw It, Let's Do It Sir Richard Branson, 2011-08-04 Richard Branson is an iconic businessman In Screw It Let's Do It he shares the secrets of his success and the invaluable lessons he has learned over the course of his remarkable career As the world struggles with the twin problems of global recession and climate change Richard explains why it is up to big companies like Virgin to lead the way in finding a more holistic and environmentally friendly approach to business He also looks to the future and shares his plans for taking his business and his ideas to the next level Richard reveals the new and exciting areas into which Virgin is currently moving including biofuels and space travel and brings together all the important lessons good advice and inspirational adages that have helped him along the road to success This is a fantastic motivational business book that will help every reader achieve their own dreams **So You're an Atheist. Now What?** Yuriy Nikshych, 2015-04-01 What will everyone think once they find out that you're an atheist How will you find happiness now that you no longer believe This handbook for the newly deconverted offers support and helps readers learn to find meaning shed the emotional baggage defend your position in debates and become awesome This book is not aimed at people who are questioning their faith it doesn't aim to deconvert anyone Rather this book is designed for atheists especially those who have recently woken up to find their faith is gone You may still be getting used to your new worldview and you may still have an irrational lingering fear of hell even though you're no longer a believer The author explores the questions that may be swirling in your mind Where do atheists get their morals from How do you let go of the emotional scars of religion How do you talk to believers how can you address the most common arguments that believers might raise Most important how do you find meaning in life This book draws on the work of an army of freethinkers who came before It's a cheerful review of the atheist's problems and how to get on with life with more freedom and vigor than ever The Definitive Job Book Anne Watson, 2010-01-21 There are few books available which cover the full job searching application interview and negotiation process The Definitive Job Book is just that it covers every single aspect of job hunting in seven chapters Each chapter includes advice from the inside interviews with HR and recruitment specialists and I've been there too interviews with people who have successfully navigated the recruitment minefield The Definitive Job Book Is an essential reference for anyone from graduates starting out to senior executives seeking a change to the job hunting process You will need only THIS book to get the job of your dreams The Mammoth Quiz Book Nick Holt, 2013-08-22 A comprehensive category killer with over 6 000 varied questions on

every topic imaginable as well as some you might not imagine The 400 quizzes are a mixture of general knowledge and specialist rounds all aimed at the popular pub or society quiz market on science and technology nature and the universe human geography history life as we know it arts and culture sports and games popular culture celebrities and trivia The questions are up to date interesting and unlike much of the competition accurate
