Kenneth J. Doka

Loss Change And Bereavement In Palliative Care Hardcover:

Loss, Change And Bereavement In Palliative Care Firth, Pam, Luff, Gill, Oliviere, David, 2004-12-01 This text brings together contemporary thinking on loss and bereavement It draws on international research practice and individual stories from people struggling to understand the meaning of loss including work with bereaved children parents families and adults

Loss, Change and Bereavement in Palliative Care Pam Firth, Gill Luff, David Oliviere, 2005 This text brings together contemporary thinking on loss and bereavement It draws on international research practice and individual stories from people struggling to understand the meaning of loss including work with bereaved children parents families and adults

Art Therapy and Cancer Care Diane Waller, Caryl Sibbett, 2005-07 Inspired by the experiences of art therapists who have pioneered work with people with cancer this text looks at the work in its institutional context demonstrating the importance for the art therapy service of being understood supported and valued at managerial level *Compassion-Based Approaches in Loss and Grief* Darcy L. Harris, Andy H. Y. Ho, 2022-12-20 Compassion Based Approaches in Loss and Grief introduces clinicians to a wide array of strategies and frameworks for engaging clients throughout the loss experience particularly when those experiences have a protracted course In the book clinicians and researchers from around the world and from a variety of fields explore ways to cultivate compassion and how to implement compassion based clinical practices specifically designed to address loss grief and bereavement Students scholars and mental health and healthcare professionals will come away from this important book with a deepened understanding of compassion based approaches and strategies for enhancing distress tolerance maintaining focus and identifying the clinical interventions best suited to clients needs **Living with**

Grief Kenneth J. Doka, 2002 As this book shows us when a loved one dies we search for meaning in our own lives while struggling to hold onto memories of a precious life lost O says Senator John Breaux in his introduction to this book The 29 chapters of this book address the struggles concerns and issues faced by the bereaved and those who care for them *Grief and Loss Across the Lifespan, Second Edition* Carolyn Ambler Walter, Judith L. M. McCoyd, 2015-09-11 Praise for the First Edition This book represents a significant advance because it looks at the issues from a bio psychosocial perspective To a social worker who has worked mainly in a medical and nursing environment this is a great step forward Bereavement Care Offers valued sensitivities knowledge and insights and most importantly age appropriate interventions for a range of significant losses Counselors will want to keep this indispensable work close at hand Kenneth J Doka PhD Author Counseling Individuals With Life Threatening Illness This unique text for undergraduate and master s level social work and counseling courses on loss grief and bereavement is distinguished by its biopsychosocial perspective and developmental framework The book addresses grieving patterns and intervention strategies according to the life trajectory and provides clinical intervention tools and strategies for coping according to the developmental stage of an individual It incorporates losses beyond death loss with special focus on losses related to maturational development The second edition reflects new research

that has clarified and underscored the value of theories examined in the first edition particularly in the areas of continued bonds disenfranchised grief and ambiguous grief It describes how grieving is influenced by biological responses to stress psychological responses to loss and social norms and support networks The second edition includes significant new information on trauma and resilience and addresses the use of mindfulness practices with grief and loss It focuses on the changing role of technology including expressions of grief and loss in social media and public forums Updated information is provided regarding hospice and palliative care along with housing issues in aging A completely new chapter examines grief and loss counseling with emerging adults and changes in the DSM 5 are covered as well Additional new features include chapter objectives discussion questions an instructor s manual PowerPoint slides and updated resources New to the Second Edition New information on trauma and resilience Using mindfulness practices with grief and loss Updated theory and empirical findings The changing role of technology in grief Expressions of grief and loss in social media and public forums Transitions due to economic and health changes Changes in the DSM 5 New chapter on emerging adults ages 18 25 Instructor s manual and PowerPoint slides New information on hospice palliative care and aging Housing issues in aging disability New information on issues facing young and older US veterans and families Updated resources Chapter objectives and discussion questions Key Features Uses a developmental framework for grief and loss Incorporates notions of loss beyond death including unique maturational losses Integrates new grief theories with empirical findings and intervention techniques Utilizes neurobiological and biological information within a counseling text Focuses on non pathologizing approaches to sadness loss and grief

Grief, Loss and Bereavement Peter Wimpenny, John Costello, 2013-03

Bereavement is a challenging area for everyone including health and social care practitioners who are often well placed to offer support to the bereaved This invaluable text draws together a comprehensive evidence base for supporting grieving people from research and applies it to a health and social care context

New Techniques of Grief Therapy Robert A. Neimeyer, 2021-09-30

New Techniques of Grief Therapy Bereavement and Beyond expands on the mission of the previous two Techniques books featuring innovative approaches to address the needs of those whose lives have been shadowed by loss whether through bereavement serious illness the rupture of a relationship or other complex or intangible losses such as of an identity defining career The book starts with several framing chapters by prominent theorists that provide a big picture orientation to grief work and follows with a generous toolkit of creative therapeutic techniques described in concrete detail and anchored in illustrative case studies to convey their use in actual practice *New Techniques of Grief Therapy* is an indispensable resource for professionals working in hospice hospital palliative care and elder care settings clinicians in broader health care and mental health care practices executive coaches and students in the field of grief therapy

Grief and Bereavement in the Adult Palliative Care Setting E. Alessandra Strada, 2013-06-20

This book in Palliative Care is an evidence based handbook which helps palliative care

clinicians identify risk factors and contributing variables to the development of pathological grief reactions implement treatment plans that can adequately minimize the impact of risk factors and provide professional and specific support to patients and families

Helping Grieving People – When Tears Are Not Enough J. Shep Jeffreys, 2011-05-09 Helping Grieving People When Tears Are Not Enough is a handbook for care providers who provide service support and counseling to those grieving death illness and other losses This book is also an excellent text for academic courses as well as for staff development training The author addresses grief as it affects a variety of relationships and discusses different intervention and support strategies always cognizant of individual and cultural differences in the expression and treatment of grief Jeffreys has established a practical approach to preparing grief care providers through three basic tracks The first track Heart calls for self discovery freeing oneself of accumulated loss in order to focus all attention on the griever Second track Head emphasizes understanding the complex and dynamic phenomena of human grief Third track Hands stresses the caregiver's actual intervention and speaks to lay and professional levels of skill as well as the various approaches for healing available Accompanying these three motifs the Handbook discusses the social and cultural contexts of grief as applied to various populations of grievers as well as the underlying psychological basis of human grief Throughout the book Jeffreys presents the role of the caregiver as an Exquisite Witness to the journey of grief and pain of bereaved family and friends and also to the path taken by dying persons and their families The second edition of Helping Grieving People remains true to the approach that has been so well received in the original volume It includes updated research findings and addresses new information and developments in the field of loss grief and bereavement

Transitions in Dying and Bereavement Moira Cairns, Marney Thompson, Wendy Wainwright, 2003 Find the words and the deeds to meet the psychosocial needs of chronically ill and dying people their families and caregivers in this first ever strengths based step by step guide through the labyrinthine process from diagnosis to death to bereavement Transitions in Dying and Bereavement puts a human face on a difficult yet unavoidable topic This book comprehensively and compassionately covers the key transitions that dying people and their families face and the most effective interventions to facilitate the transitions Employing their many years of experience in hospice and palliative care this team of counselors and other health care professionals provides clear explanations of current theory and research related to hospice palliative and bereavement care ways to help alleviate anxiety fear fatigue and feelings of denial and powerlessness ways to improve communication about the experience of dying help in planning for death the Palliative Performance Scale a functional assessment tool sensitive explanations on navigating the three phases of grief perspectives on difficult issues such as body image sexuality and intimacy multicultural and interdenominational perspectives on death and dying ways to support staff and much more Activities exercises case studies personal essays poetry and illustrations are liberally and strategically located throughout the text forming the perfect in service classroom or professional development tool for nurses physicians counselors social workers allied health

professionals volunteers and others who work with people traversing the end of life experience **The Grief Club** Melody Beattie, 2009-08-07 The Grief Club is Melody Beattie's profoundly personal powerfully healing book to help readers through life's most difficult times Part memoir part self help book part journalism The Grief Club is a book of stories bound together by the human experience of loss in its many forms such as death divorce drug addiction and the tumultuous yet tender process of recovery It's a book you need to read and share Twenty years ago Codependent No More established Melody Beattie as a pioneering voice in self help literature and endeared her to readers who longed for healthier relationships Over the years Melody has invited readers into her life with several more best selling books each punctuated with her trademark candor and intuitive wisdom *Death, Dying, and Bereavement* Judith Stillion, Thomas Attig, 2014-11-07 Delivers the collective wisdom of foremost scholars and practitioners in the death and dying movement from its inception to the present Written by luminaries who have shaped the field this capstone book distills the collective wisdom of foremost scholars and practitioners who together have nearly a millennium of experience in the death and dying movement The book bears witness to the evolution of the movement and presents the insights of its pioneers eyewitnesses and major contributors past and present Its chapters address contemporary intellectual institutional and practice developments in thanatology hospice and palliative care funeral practice death education and caring of the dying suicidal bereaved and traumatized With a breadth and depth found in no other text on death dying and bereavement the book disseminates the thinking of prominent authors William Worden David Clark Tony Walter Robert Neimeyer Charles Corr Phyllis Silverman Betty Davies Therese A Rando Colin Murray Parkes Kenneth Doka Allan Kellehear Sandra Bertman Stephen Connor Linda Goldman Mary Vachon and others Their chapters discuss the most significant facets of early development review important current work and assess major challenges and hopes for the future in the areas of their expertise A substantial chronology of important milestones in the contemporary movement introduces the book frames the chapters to follow and provides guidance for further in depth reading The book first focuses on the interdisciplinary intellectual achievements that have formed the foundation of the field of thanatology The section on institutional innovations encompasses contributions in hospice and palliative care of the dying and their families funeral service and death education The section on practices addresses approaches to counseling and providing support for individuals families and communities on issues related to dying bereavement suicide trauma disaster and caregiving An Afterword identifies challenges and looks toward future developments that promise to sustain further enrich and strengthen the movement **KEY FEATURES** Distills the wisdom of pioneers in and major contributors to the contemporary death dying and bereavement movement Includes living witness accounts of the movement's evolution and important milestones Presents the best contemporary thinking in thanatology Describes contemporary institutional developments in hospice and palliative care funeral practice and death education Illuminates best practices in care of the dying suicidal bereaved and traumatized Palliative Nursing Shaun Kinghorn, Sandra Gaines, 2007-11-14 This title is

directed primarily towards health care professionals outside of the United States Content has been thoroughly revised and updated in line with changes in practice and policy both locally and internationally particularly the UK NICE guidance on Supportive and palliative care for people with cancer and the Care of the Dying Pathway It reflects the rapid development of palliative nursing as an emerging specialty It helps in the process of defining palliative nursing and how it interfaces with other disciplines within the specialty The text is divided into three sections and comprehensively yet sensitively covers all aspects of palliative nursing Key themes covered include pain control symptom control loss and grief and handling loss A strong emphasis is placed on the integration of theory and practice and evidence based care Reconciliation of the theory and practice is achieved by the use of case studies It addresses malignant and non malignant palliative care Research and extensive literature support each chapter Content has been thoroughly revised and updated in line with changes in practice and policy both locally and internationally particularly the UK NICE guidance on Supportive and palliative care for people with cancer and the Care of the Dying Pathway Three new chapters on Sexuality Care of the Dying Pathway Changing roles of the nurse in palliative care New appendix on North American drug names equivalents for the international market

Life after Loss Bob Deits, 2017-05-02 One of the classics in the field of crisis intervention Dr Earl Grollman *Life after Loss* is the go to resource for anyone who has suffered a significant life change Loss can be overwhelming and recovery often seems daunting if not impossible With great compassion and insight Deits provides practical exercises for navigating the uncertain terrain of loss and grief helping readers find positive ways to put together a life that is necessarily different but equally meaningful With two new chapters and significant changes throughout reflecting Deits s ongoing experience in counseling *Life after Loss* is an essential roadmap for those in grief Lawrence J Lincoln MD Staff Elisabeth K Ross Center

Palliative Care: A Practical Guide for the Health Professional Kathryn Boog, Claire Tester, 2007-10-23 This book encourages health professionals to reconceptualise their practice in the light of the fact that their patients are deteriorating and dying supporting them in their dichotomous role which involves affirming that person s life whilst acknowledging that that life is ending Professionals are encouraged to think laterally to be creative in their use of their core skills and to use their life skills and experience to change the focus of their interventions By making these changes those involved with caring for the dying will be able to address issues related to burnout and feeling de skilled The authors share their considerable experience with the reader what works for both patient and carer professional when working in this field By providing workable solutions they empower those in disempowering situations such as when working with terminally ill children and adults The book is truly holistic and client centred in its approach upholding the philosophy of palliative care Aimed at all who interact with children and adults who have a life limiting condition or who are dying Offers practical examples of approaches to dilemmas and emotional issues commonly face by those working in palliative care Encourages professionals to think laterally to be creative in their use of core skills and to use their life skills and experience to change the focus of their interventions Moves

the emphasis away from the medical model to the emotional and spiritual influences on quality of life Offers clear workable guidelines and demonstrates practical solutions based on proven theory and experience to problems encountered on a day to day basis by patients and those coming into contact with them

End-of-Life Issues, Grief, and Bereavement Sara Honn Qualls, Julia E. Kasl-Godley, 2010-11-23 A practical overview of clinical issues related to end of life care including grief and bereavement The needs of individuals with life limiting or terminal illness and those caring for them are well documented However meeting these needs can be challenging particularly in the absence of a well established evidence base about how best to help In this informative guide editors Sara Qualls and Julia Kasl Godley have brought together a notable team of international contributors to produce a clear structure offering mental health professionals a framework for developing the competencies needed to work with end of life care issues challenges concerns and opportunities Part of the Wiley Series in Clinical Geropsychology this thorough and up to date guide answers complex questions often asked by patients their families and caregivers and helping professionals as well including How does dying occur and how does it vary across illnesses What are the spiritual issues that are visible in end of life care How are families engaged in end of life care and what services and support can mental health clinicians provide them How should providers address mental disorders that appear at the end of life What are the tools and strategies involved in advanced care planning and how do they play out during end of life care Sensitively addressing the issues that arise in the clinical care of the actively dying this timely book is filled with clinical illustrations guidance tips for practice and encouragement Written to equip mental health professionals with the information they need to guide families and others caring for the needs of individuals with life threatening and terminal illnesses End of Life Issues Grief and Bereavement presents a rich resource for caregivers for the psychological sociocultural interpersonal and spiritual aspects of care at the end of life

Care, Loss and the End of Life, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 This inter and multi disciplinary volume examines various experiences of loss whether we encounter it in the form of lost loved ones lost relationships lost opportunities or the loss of capabilities as we age Loss is something we can experience personally as part of a family and as part of a community whose collective experiences of loss occasions more public displays of commemoration We are constantly challenged to find ways of coping and surviving in the face of different types of loss Due in part to the complexities of the concept itself and the resistance many individuals feel toward discussing painful subjects it is often difficult to engage in the sort of robust inter disciplinary dialogue that is needed to explore fully the links between living suffering dying and surviving loss Thus this volume is profoundly interdisciplinary as it explores how loss can be expressed through cognitive affective somatic behavioral interpersonal and spiritual grief responses

Loss Change And Bereavement In Palliative Care Hardcover Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Loss Change And Bereavement In Palliative Care Hardcover free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Loss Change And Bereavement In Palliative Care Hardcover free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Loss Change And Bereavement In Palliative Care Hardcover free PDF files is convenient, its important to note that copyright laws

must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Loss Change And Bereavement In Palliative Care Hardcover. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Loss Change And Bereavement In Palliative Care Hardcover any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Loss Change And Bereavement In Palliative Care Hardcover Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Loss Change And Bereavement In Palliative Care Hardcover is one of the best books in our library for free trial. We provide copies of Loss Change And Bereavement In Palliative Care Hardcover in digital format, so the resources that you find are reliable. There are also many eBooks related to Loss Change And Bereavement In Palliative Care Hardcover. Where to download Loss Change And Bereavement In Palliative Care Hardcover online for free? Are you looking for Loss Change And Bereavement In Palliative Care Hardcover PDF? This is definitely going to save you time and cash in something you should think about.
