Lost Beatles Interviews

Geoffrey Giuliano, Brenda Giuliano

Lost Beatles Interviews:

The Lost Beatles Interviews Geoffrey Giuliano, Beatles, 1994 In this extraordinary book Geoffrey Giuliano the world's foremost authority on the Beatles has assembled a rare collection of the wild and uninhibited interviews the Fab Four dared to give to an astounded press as they set the tenor of the amazing sixties Book jacket *The Lost Beatles Interviews*

Geoffrey Giuliano, Brenda Giuliano, 1995 The single greatest pop music phenomenon of the age The Beatles made great music and gave great quotes Collected together here for the first time are rare and previously unseen examples of the quick wit and sly genius of John Paul George and even Ringo from the first days of their fame right through to the present *The Lost Beatles Interviews*

Vrnda Devi, 2002 This authoritative book consists of transcripts of never before published press conferences and interviews with the individual Beatles and conversations with the group's inner circle *Lost Beatles Interview* Ramboro Books, 1999-11

Tomorrow Never Knows Nicholas Knowles Bromell, 2002-04-15 *Tomorrow Never Knows* takes us back to the primal scene of the 1960s and asks what happened when young people got high and listened to rock as if it really mattered as if it offered meaning and sustenance not just escape and entertainment What did young people hear in the music of Dylan Hendrix or the Beatles Bromell's pursuit of these questions radically revises our understanding of rock psychedelics and their relation to the politics of the 60s exploring the period's controversial legacy and the reasons why being experienced has been an essential part of American youth culture to the present day Ronald P. Grelsamer, 2010-09-01

Into the Sky With Diamonds captures the excitement of the 1960s as it recounts the history of the Beatles and the U S Soviet Race to the Moon Beatle and Apollo Space enthusiasts old and new will discover riveting behind the scenes anecdotes while the not yet enthused discover what they've been missing Join fictional NASA communication specialist Dutch Richtman and the very real Beatle roadie Mal Evans as they navigate the turbulence of the American Space program and the eye popping ride of the Beatles Roll up for the tour *The Cambridge Companion to the Beatles* Kenneth Womack, 2009-11-12

From Please Please Me to Abbey Road the fascinating story of the Fab Four's creation works and enduring musical legacy *A Women's History of the Beatles* Christine Feldman-Barrett, 2021-01-28 Winner of the 2022 Open Publication Prize by the International Association for the Study of Popular Music IASPM ANZ *A Women's History of the Beatles* is the first book to offer a detailed presentation of the band's social and cultural impact as understood through the experiences and lives of women Drawing on a mix of interviews archival research textual analysis and autoethnography this scholarly work depicts how the Beatles have profoundly shaped and enriched the lives of women while also reexamining key influential female figures within the group's history Organized topically based on key themes important to the Beatles story each chapter uncovers the varied and multifaceted relationships women have had with the band whether face to face and intimately or parasocially through mediated popular culture Set within a socio historical context that charts changing gender norms since the early 1960s these narratives consider how the Beatles have affected women's lives across three generations

Providing a fresh perspective of a well known tale this is a cultural history that moves far beyond the screams of Beatlemania to offer a more comprehensive understanding of what the now iconic band has meant to women over the course of six decades [The Lost Lennon Tapes Project](#) ,2010-09 An Unauthorized Guide To The Complete Radio Series 1988 1992 All 218 episodes catalogued and researched plus complete unreleased tracks index comparison of Bag Records bootleg tracks and Lost Lennon Tapes broadcast versions comparison of commercially released tracks and Lost Lennon Tapes broadcast versions **The Beatles, Sgt. Pepper, and the Summer of Love** Kenneth Womack,Kathryn B. Cox,2017-07-03 For the Beatles 1967 marks a signal crossroads that would both transform the group s career and place them on a trajectory towards their eventual disbandment It was a year in which they exploded prevailing rock music demographics through the global onslaught and international success of Sgt Pepper s Lonely Hearts Club Band beginning in June 1967 Yet it was also a period that saw them in a precarious state of flux throughout the summer and fall months as the band attempted to recapture their artistic direction in the wake of Sgt Pepper and the untimely death of manager Brian Epstein The Beatles Sgt Pepper and the Summer of Love draws readers into that pivotal year in the life of the band For the Fab Four 1967 would see the band members part ways with psychedelia and the avant garde through the trials and tribulations of the Magical Mystery Tour a project that resulted in a series of classic recordings while at the same time revealing the bandmates aesthetic vulnerabilities and failings as would be filmmakers and auteurs *John Lennon Imagined* Janne Mäkelä,2004 Considered one of the most innovative artists in the history of popular music John Lennon is also a fascinating example of the relationship between rock music and celebrity Through investigation of the cultural and historical background of his stardom in England and the United States this book explores why John Lennon became a much debated celebrity and why he remains so Lennon s career from the 1960s until his tragic death in 1980 and even beyond demonstrates how different expectations articulated by the star the music industry the media and the fans form relations which change in terms of time and place Using a multidisciplinary approach and intriguing case studies this book also examines cultural identity authenticity and gender in popular music stardom [GameAxis Unwired](#) ,2008-08 GameAxis Unwired is a magazine dedicated to bring you the latest news previews reviews and events around the world and close to you Every month rain or shine our team of dedicated editors and hardcore gamers put themselves in the line of fire to bring you news previews and other things you will want to know [The Beatles](#) Kate Siobhan Mulligan,2010-07-01 This in depth research based book profiles the band that shaped a generation and changed the face of music forever What makes a legend The Beatles A Musical Biography attempts to answer that question by taking an in depth look at the band that changed pop music Examining the events and ideas that influenced each album and many songs the book seeks to explain what drove the Beatles to make music as well as what drove the music itself While the biography covers the musical history and achievements of the band it also looks at what was happening in the lives of John Paul George and Ringo during the Beatle years exploring their personal drives and aspirations and their relationships

with each other Readers will come away from this book with a far better appreciation of the Lads from Liverpool and of what was really going on underneath those oh so controversial haircuts

The Words and Music of John Lennon Ben Urish, Ken Bielen, 2007-06-30 Despite John Lennon's immense popularity little attention has been paid to his work apart from the Beatles Yet his solo artistry not only illuminates what he gave to the Beatles but also constitutes a significant contribution to popular music in general Lennon was able to fuse experiments in technology instrumentation lyrics and musical form into recordings that were both artistically and commercially successful Few singer songwriters have been his equal In this long overdue investigation authors Ben Urish and Ken Bielen give Lennon's artistry the opportunity to speak for itself After a brief biographical introduction chronologically arranged chapters discuss his incredible body of work album by album and single by single A discography and annotated bibliography conclude the book Despite John Lennon's immense popularity little attention has been paid to the overall efforts of his work apart from the Beatles Yet his solo artistry not only illuminates what he gave to the Beatles and what the Beatles experience gave to him but also constitutes a significant contribution to popular music in general Lennon was able to fuse experiments in technology instrumentation lyrics and musical form into recordings that were both artistically and commercially successful Whether expressing emotions explaining philosophies protesting social situations or ruminating on the joys and pains of personal entanglements few singer songwriters have been his equal In this long overdue investigation authors Ben Urish and Ken Bielen give Lennon's artistry the opportunity to speak for itself After a brief biographical introduction chronologically arranged chapters discuss his incredible body of work album by album and single by single A discography and annotated bibliography conclude the book Although he is often lauded as a spokesperson for his generation this praise however intended is far too limiting Lennon was able to transform the intensely personal into the deeply universal as well as the reverse often with humor and pointed insight At their core his songs are simultaneously humanistic and transcendent And as such they and he continue to be relevant and will certainly remain a valuable part of our cultural heritage for a long time to come

The Beatles and the Historians Erin Torkelson Weber, 2016-04-28 Hundreds of books have been written about The Beatles Over the last half century their story has been mythologized and de mythologized and presented by biographers and journalists as history Yet many of these works do not strictly qualify as history and the story of how the Beatles mythology continues to be told has been largely ignored This book examines the band's historiography exploring the four major narratives that have developed over time The semi whitewashed Fab Four account the acrimonious breakup era Lennon Remembers version the biased Shout narrative in the wake of John Lennon's murder and the current Mark Lewisohn orthodoxy Drawing on the most influential primary and secondary sources Beatles history is analyzed using historical methods

Glass Onion Geoffrey Giuliano, 1999-12-23 Glass Onion consists of exclusive rare and uncensored transcripts of press conferences letters FBI memos interviews and dozens of previously unpublished photos Here are the inimitable voices and views of John Paul George and Ringo juxtaposed alongside those of

Yoko Ono Linda McCartney Pete Best Julian Lennon Brian Epstein Billy Preston Maharishi Mahesh Yogi Ravi Shankar Denny Laine of Wings and many others In this volume readers will discover an early 1960s letter from George to Stuart Sutcliff Elvis Presley badmouthing the Beatles to President Richard Nixon John s open letter to Paul after the rancorous Beatles break up a conversation between Lennon and Samuel Beckett Lennon s last will and testament George Martin and Jeff Lynn discussing the Beatles twentieth anniversary reunion Paul s feelings on God John and Linda s death in 1998 and much more **The Beatles** , *"We are the Mods"* Christine Jacqueline Feldman,2009 Drawing on archival research oral history interviews and participant observation this examination of the adoption and adaptation of Mod style across geographic space also maps its various interpretations over time from the early 1960s to the present The book traces the Mod youth culture from its genesis in the dimly lit clubs of London s Soho where it began as a way for young people to reconfigure modernity after the chaos of World War II to its contemporary country specific expressions By examining Mod culture in the United States Germany and Japan alongside the United Kingdom *We Are the Mods* contrasts the postwar development of Mod in those countries that lost the war with those that won The book illuminates the culture s fashion music iconography and gender aesthetics to create a compelling portrait of a transnational subculture Book Jacket *We All Want to Change the World* John Wyse Jackson,2005 John Lennon 1940 80 was the founder of the most successful pop rock group of all time the Beatles Convinced of his genius from an early age he explored his own complex witty personality in his songs drawing on drugs meditation and psychotherapy for insight into his art His career was transformed in 1968 when he joined forces with Yoko Ono As the Beatles broke up the extraordinary couple became public clowns for peace and familiar figures in the international protest movement Lennon s groundbreaking solo work during the 1970s would be overshadowed by the success of the 1971 *Imagine* The song became an anthem after he was shot by a mentally disturbed fan in New York on 8 December 1980 John Wyse Jackson s biography is published to commemorate the 25th anniversary of John Lennon s death Touching for the first time on his Irish roots and how his background influenced his music philosophy and attitude to life and politics it travels to the heart of the little child inside the man BOOK JACKET *Buddy Holly* Ellis Amburn,2023-06-06 The definitive biography on Buddy Holly Ellis Amburn presents the most comprehensive biography ever written about the legendary figure Buddy Holly a young man who transformed the course of American music with his shocking blend of country western and rhythm n blues Having devoted the last five years of his life to this work crisscrossing the rural paths of the United States from Texas to Iowa to Minnesota Amburn portrays Holly as a mythic antihero whose rebellious dramatic life was a reaction against the constricting values of America in the 1950s when his music was regarded as the work of the devil From his wild days as a juvenile delinquent to his first romances to his early associations with then virtually unknown singers like Elvis Presley and Waylon Jennings Holly emerges as a deeply tortured driven individual and a brilliantly talented young man in a hurry to make it as a star And like many stars Buddy Holly s would ultimately be tragic and bittersweet
