... of Bags, Counts and Nightmares Ron Marks, 2013-05-31 Tommie Bauer is an ordinary young American drafted into a war to defend freedom in Southeast Asia a war that consumes his life as he knew it Through the eyes of this highly trained young patriot we discover how constant exposure to killing death and dying poses a serious threat to the psychological physical and emotional wellbeing of a combatant Day to day while humping the thick jungles of Vietnam Bauer escapes one days nightmare only to be engulfed in more gruesome ones in following days His assigned mission is to seek and destroy the enemy However his immediate mission becomes the struggle to outlast the enemy while battling constant sorrow and hardship Equally important he must avoid occupying the next body bag tagged for appropriate disposal He has to kill or be killed and do his part to increase the enemy body count the bloody measure of who is winning Bauer finds himself trapped in this brutal and morally confusing nether world During his journey through hell he meets a precocious young nurse while convalescing She unknowingly becomes the incentive Bauer needs to endure his ordeal This is Bauers story his struggle to rationalize the need for war and the carnage it creates He is troubled by his exposure to combat and the changes he sees within himself which he knows might haunt him the rest of his life The Counterfeit Coin Christopher Goetz, 2023-05-12

The Counterfeit Coin argues that games and related entertainment media have become almost inseparable from fantasy In turn these media are making fantasy itself visible in new ways Though apparently asocial and egocentric an internal mental image expressing the fulfillment of some wish fantasy has become a key term in social contestations of the emerging medium At issue is whose fantasies are catered to who feels powerful and gets their way and who is left out This book seeks to undo the monolith of commercial gaming by locating multiplicity and difference within fantasy itself It introduces and tracks three broad fantasy traditions that dynamically connect apparently distinct strata of a game story and play that join games to other media and that encircle players in pleasurable loops as they follow these connections **Becoming a Teacher of Writing**

Killed in Action Michael Sloan,2018-01-30 Creator of The Equalizer TV series the basis for the feature films starring Denzel Washington Michael Sloan reinvents the story of the mysterious Robert McCall a former intelligence officer who helps desperate people in need of his unique skill set Got a problem Odds against you Call the Equalizer McCall s first client is a distraught mother who is desperate to locate her young daughter drawn into the shadowy world of white slavery But this client may not be all she appears to be At the time same McCall is approached by a diplomat who works for the United Nations Her son an American Captain in the US Army is part of a contingent advising Syrian Rebel forces in their fight against the Jihadists He has been reported KIA but his body has not been found His mother asks McCall to find out if her son is alive or dead When McCall embarks on a suicidal rescue mission in Syria he stumbles upon a terror plot aimed at the United States The terrorists are being protected by mercenaries known as Momento Miro Remember That You Must Die McCall discovers the key to the terror attacks is his one time boss Control the head of a spy organization called The Company He is missing His life has been deleted from all personal and intelligence records as if he never existed McCall has to find his old friend and stop these terror attacks from being carried out on American soil McCall also has to deal with an Equalizer wannabe a psychotic vigilante whose attempts to be a hero and rid the New York streets of violent crime are getting innocent people killed **Encyclopedia of Weird War Stories** Paul Green,2017-06-09 Fictional war narratives often employ

haunted battlefields super soldiers time travel the undead and other imaginative elements of science fiction and fantasy This encyclopedia catalogs appearances of the strange and the supernatural found in the war stories of film television novels short stories pulp fiction comic books and video and role playing games Categories explore themes of mythology science fiction alternative history superheroes and Weird War **Game Informer Magazine** ,2009 *The Friend* ,1899 *Legion* Phil Nix,2024-03-05 Marine Sgt Mike Shaffer stood alone on the battlefield looking up at the beast from hell He would need every bit of wisdom and courage he possessed to withstand this satanic challenge to his faith Yet instead of cowering in fear Mike stood his ground with a conviction that exemplified his Christian character The source of his confidence was the one who stood behind him the Advocate It was his job to defend Mike against Legion s condemning accusations Legion could have used any appearance he wanted to deceive Mike the snake that seduced Eve one of the superhuman demoniacs of biblical times or the angel of light that tempted Christ God had granted Satan one chance to break Mike s spirit and it had to be done on the eve of a battle long since lost to history So the old shape shifter chose his most intimidating form tall dark and masculine His naked and genderless body spoke of power beyond human understanding With eyes of steel the Advocate

stared at Satan's most feared henchman his jaw fixed ready to litigate Mike's case before God. However his Defender knew that any physical interference in this inquisition was limited to protecting Mike's body. The Paraclete had sealed Mike's soul for the resurrection so this testing was to question Mike's spiritual integrity: was he worthy of God's grace and his kingdom? Although Mike would be given a place of honor in the throne room of heaven for his victory over Satan's dark force of doom, this story doesn't end there. **Computer Gaming World** ,1997
