Barron,2007-09 **Jesus and the Lost Goddess** Timothy Freke,Peter Gandy,2002-10-22 Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship the authors of the international bestseller The Jesus Mysteries decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught In addition the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism which promise happiness and immortality to those who attain the state of Gnosis or enlightenment This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today *Goddesses for Every Day* Julie Loar,2011 Throughout time people have turned to goddesses as symbols of what they seek from abundance to healing from protection to passion Building on the resurgence of interest in the Divine Feminine Julie Loar presents the

The lost Goddess and her mysterious Alpha lovelyfan, Hmm Rhea is it Nice name I froze as I heard the husky voice and I felt tremors running down my spine I slowly raised my head and met the bluest eyes I had ever seen Bluer than the ocean So blue that they seemed to twinkle like twin pools of sapphire I ran my eyes over his entire figure He was wearing a suit but didn t look like the typical businessmen For one thing he was not clean shaved and had a five o clock shadow on his face And I couldn t figure out if his hair was stylishly messed up or he just didn t bother to do anything with it at all Either way it looked good Too good And those lips I was brought out of my fantasies when those oh so kissable lips turned up into a smirk Uh huh I bit my lips trying to bring myself out of the lust filled haze I was falling into There was just something about him something so magnetic that I was losing all control of my thoughts There seemed to be an aura of power and danger surrounding him If I didn t know any better the one word I would say was otherworldly but I knew better and just stopped myself in time from uttering the words What are you From the day she woke up without memories two years ago Rhea had always thought she was a normal human girl What happens when she realises she was never a human but a goddess Suddenly her once boring life becomes all too exciting when she finds herself in the middle of Gods demons and a mysterious wolf protector Add a handsome stranger whom she can t seem to get her mind away from Rhea is in for a lot more than she bargained for **The Lost Goddess** Karen Ann Bevelle,2013-05-28 This is a story of magic and bravery during a dangerous time where magical creatures are being remade into something ugly and evil Go on an adventure with the Immortals and meet new and amazing people and mystical beings

The Heroine in Western Literature Meredith A. Powers,2000-01-01 The impulse that prompts humans to envision themselves as heroic is as inherent to women as to men The idealization of the hero however is an outgrowth of the more primary conception of the god In Western culture the reduction and eventual denial of the feminine divine has affected cultural perception of feminine principles particularly archetypal and autonomous patterns This book delves first into the literary strata from which the archetypes have been culled the stories of the Bible and the myths of the Aegean to look at how the characterization of the goddess was revised Employing evidence from psychology artifacts and pictorial art the author shapes an outline for a more authentic figure The obscure and muted goddess heroine of ancient literature is then given detail by the articulate voices of the archetype as she reemerges in contemporary fiction
