Lost Promise Of Patriotism Debating American Identity 1890 1920

John J. Stuhr

Lost Promise Of Patriotism Debating American Identity 1890 1920:

The Lost Promise of Patriotism Jonathan M. Hansen, 2010-03-15 During the years leading up to World War I America experienced a crisis of civic identity How could a country founded on liberal principles and composed of increasingly diverse cultures unite to safeguard individuals and promote social justice In this book Jonathan Hansen tells the story of a group of American intellectuals who believed the solution to this crisis lay in rethinking the meaning of liberalism Intellectuals such as William James John Dewey Jane Addams Eugene V Debs and W E B Du Bois repudiated liberalism's association with acquisitive individualism and laissez faire economics advocating a model of liberal citizenship whose virtues and commitments amount to what Hansen calls cosmopolitan patriotism Rooted not in war but in dedication to social equity cosmopolitan patriotism favored the fight against sexism racism and political corruption in the United States over battles against foreign foes Its adherents held the domestic and foreign policy of the United States to its own democratic ideals and maintained that promoting democracy universally constituted the ultimate form of self defense Perhaps most important the cosmopolitan patriots regarded critical engagement with one's country as the essence of patriotism thereby justifying scrutiny of American militarism in wartime

100 Years of Pragmatism John J. Stuhr, 2010 William James claimed that his Pragmatism A New Name for Some Old Ways of Thinking would prove triumphant and epoch making Today after more than 100 years how is pragmatism to be understood What has been its cultural and philosophical impact Is it a crucial resource for current problems and for life and thought in the future John J Stuhr and the distinguished contributors to this multidisciplinary volume address these questions situating them in personal philosophical political American and global contexts Engaging James in original ways these 11 essays probe and extend the significance of pragmatism as they focus on four major overlapping themes pragmatism and American culture pragmatism as a method of thinking and settling disagreements pragmatism as theory of truth and pragmatism as a mood attitude or temperament

Ideas and Movements That Shaped America Michael Green, Scott L. Stabler, 2015-07-28 America was founded on bold ideas and beliefs This book examines the ideas and movements that shaped our nation presenting thorough accessible entries with sources that improve readers understanding of the American experience Presenting accessibly written information for general audiences as well as students and researchers this three volume work examines the evolution of American society and thought from the nation's beginnings to the 21st century It covers the seminal ideas and social movements that define who we are as Americans from the ideas that underpin the Bill of Rights to slavery the Civil Rights movement and the idea of gay rights even if U S citizens often strongly disagree on these topics Organized topically rather than chronologically this encyclopedia combines primary sources and secondary works or historical analyses with text describing the ideas and movements in question In addition each entry includes a list of suggestions for further reading that directs readers to supplementary sources of information The set's unique perspective serves to depict how American society has evolved from

the nation's beginnings to the present revealing how Americans as a people have acted and responded to key ideas and movements John Dewey, America's Peace-Minded Educator Charles F. Howlett, Audrey Cohan, 2016-07-27 Although his work and life have been well documented John Dewey's role in the postwar peace movement has been generally overlooked In America's Peace-Minded Educator the authors take a close look at John Dewey's many undertakings on behalf of world peace The Jewish Origins of Cultural Pluralism Daniel Greene, 2011-04-15 Daniel Greene traces the emergence of the idea of cultural pluralism to the lived experiences of a group of Jewish college students and public intellectuals including the philosopher Horace M Kallen These young Jews faced particular challenges as they sought to integrate themselves into the American academy and literary world of the early 20th century At Harvard University they founded an influential student organization known as the Menorah Association in 1906 and later the Menorah Journal which became a leading voice of Jewish public opinion in the 1920s In response to the idea that the American melting pot would erase all cultural differences the Menorah Association advocated a pluralist America that would accommodate a thriving Jewish culture while bringing Jewishness into mainstream American life **Cosmopolitanism, Nationalism and the Jews of East Central Europe** Michael Miller, Scott Ury, 2016-01-22 Since ancient times Jews have had a long and tangled relationship to cosmopolitanism Torn between a longstanding commitment to other Jews and the pressure to integrate into various host societies many Jews have sought a third seemingly neutral option that of becoming citizens of the world cosmopolitans Few regions witnessed such intense debates on these questions as the lands of East Central Europe as they entered the modern era From Berlin to Moscow and from Vilna to Bucharest the Jews of East Central Europe were repeatedly torn between people nation and the world While many Jews and individuals of Jewish descent embraced cosmopolitan ideologies and movements across the span of the nineteenth century such appeals to transcend the nation became increasingly suspect with the rise of integral nationalism In Germany Poland Russia and other lands Jews and other supporters of cosmopolitan movements were marginalized during the late nineteenth and early twentieth centuries Although such sentiments reached their peak during the Second World War anti cosmopolitan propaganda continued throughout the Cold War when it often became an integral part of anti Jewish campaigns in the Soviet Union Czechoslovakia Poland and Romania Even after the end of the Cold War the connection between Jews and cosmopolitanism continues to befuddle ideologues cultural leaders and politicians in Europe North America and Israel The fourteen chapters amassed in this volume address these and other questions including What lies at the roots of the longstanding connection between Jews and cosmopolitanism How has this relationship changed over time What can different cultural economic and political developments teach us about the ongoing attraction and tension between Jews and cosmopolitanism And what can these test cases tell us about the future of Jews and cosmopolitanism in the twenty first century This book was originally published as a special issue of the European Review of History **An American Friendship** David Weinfeld, 2022-05-15 In An American Friendship David Weinfeld presents the biography of an

idea cultural pluralism the intellectual precursor to modern multiculturalism He roots its origins in the friendship between two philosophers Jewish immigrant Horace Kallen and African American Alain Locke who advanced cultural pluralism in opposition to both racist nativism and the assimilationist melting pot It is a simple idea different ethnic groups can and should coexist in the United States perpetuating their cultures for the betterment of the country as whole and it grew out of the lived experience of this friendship between two remarkable individuals Kallen a founding faculty member of the New School for Social Research became a leading American Zionist Locke the first Black Rhodes Scholar taught at Howard University and is best known as the intellectual godfather of the Harlem Renaissance and the editor of *The New Negro* in 1925 Their friendship began at Harvard and Oxford during the years 1906 through 1908 and was rekindled during the Great Depression growing stronger until Locke's death in 1954 To Locke and Kallen friendship itself was a metaphor for cultural pluralism exemplified by people who found common ground while appreciating each other's differences Weinfeld demonstrates how this understanding of cultural pluralism offers a new vision for diverse societies across the globe An American Friendship provides critical background for understanding the conflicts over identity politics that polarize US society today *National Security and Core Values in American History* William O. Walker III, William O. Walker, 2009-04-06 Drawing upon themes from the nation's past William O Walker III presents a new interpretation of the history of American exceptionalism Memorial Mania Erika Doss, 2022-12-22 In the past few decades thousands of new memorials to executed witches victims of terrorism and dead astronauts along with those that pay tribute to civil rights organ donors and the end of Communism have dotted the American landscape Equally ubiquitous though until now less the subject of serious inquiry are temporary memorials spontaneous offerings of flowers and candles that materialize at sites of tragic and traumatic death In *Memorial Mania* Erika Doss argues that these memorials underscore our obsession with issues of memory and history and the urgent desire to express and claim those issues in visibly public contexts Doss shows how this desire to memorialize the past disposes itself to individual anniversaries and personal grievances to stories of tragedy and trauma and to the social and political agendas of diverse numbers of Americans By offering a framework for understanding these sites Doss engages the larger issues behind our culture of commemoration Driven by heated struggles over identity and the politics of representation *Memorial Mania* is a testament to the fevered pitch of public feelings in America today **Critical Americans** Leslie Butler, 2009-01-05 In this intellectual history of American liberalism during the second half of the nineteenth century Leslie Butler examines a group of nationally prominent and internationally oriented writers who sustained an American tradition of self consciously progressive and cosmopolitan reform She addresses how these men established a critical perspective on American racism materialism and jingoism in the decades between the 1850s and the 1890s while she recaptures their insistence on the ability of ordinary citizens to work toward their limitless potential as intelligent and moral human beings At the core of Butler's study are the writers George William Curtis Thomas Wentworth Higginson James

Russell Lowell and Charles Eliot Norton a quartet of friends who would together define the humane liberalism of America's late Victorian middle class. In creative engagement with such British intellectuals as John Stuart Mill, Thomas Carlyle, Matthew Arnold, Leslie Stephen, John Ruskin, James Bryce, and Goldwin Smith, these critical Americans articulated political ideals and cultural standards to suit the burgeoning mass democracy the Civil War had created. This transatlantic framework informed their notions of educative citizenship, print-based democratic politics, critically informed cultural dissemination, and a temperate deliberative foreign policy. Butler argues that a careful reexamination of these strands of late nineteenth-century liberalism can help enrich a revitalized liberal tradition at the outset of the twenty-first century.

Teaching for Dissent Sarah Marie Stitzlein, 2015-11-17. *Teaching for Dissent* looks at the implications of new forms of dissent for educational practice. The reappearance of dissent in political meetings and street protests opens new possibilities for improved democratic life and citizen participation. This book argues that this possibility will not be fulfilled if schools do not cultivate the skills necessary for our citizens to engage in political dissent. The authors look at how practices in schools such as the testing regime and the hidden curriculum suppress students' ability to voice ideas that stand in opposition to the status quo. *Teaching for Dissent* calls for a realignment of the curriculum and the practices of schooling with a guiding vision of democratic participation.

The 100 Greatest Americans of the 20th Century Peter Dreier, 2012-06-26. A chronological collection of brief biographies on important figures for social justice in American history, including Franklin D. Roosevelt, Fannie Lou Hamer, and Bob Dylan.

Everyday Nationhood Michael Skey, Marco Antonsich, 2017-11-15. This edited collection explores the continuing appeal of nationalism around the world. The authors' ground-breaking research demonstrates the ways in which national priorities and sensibilities frame an extraordinary array of activities, from classroom discussions and social media posts to global policy making, as well as identifying the value that can come from feeling part of a national community, especially during times of economic uncertainty and social change. They also note how attachments to nation can often generate powerful emotions: happiness and pride as well as anger and frustration, which can be used to mobilize substantial numbers of people into action. Featuring contributions from leading social scientists across a range of disciplines, including sociology, geography, political science, social psychology, media, and cultural studies, the book presents a number of case studies covering a range of countries, including Russia, Germany, New Zealand, Serbia, Japan, Azerbaijan, Greece, and the USA. *Everyday Nationhood* will appeal to students and scholars of nationalism, globalization, and identity across the social sciences, as well as those with an interest in understanding the role of nationalism in shaping some of the most pressing political crises: migration, economic protectionism, populism, of the contemporary era.

Making the World Safe Julia F. Irwin, 2013-03-28. A history of the relationship between the United States and foreign countries through its humanitarian interventions in the early 20th century.

Risking Immeasurable Harm Benjamin C. Montoya, 2020-04. The debate over restricting the number of Mexican immigrants to the United States began early in the twentieth century, a time when U.S.

Mexican relations were still tenuous following the Mexican Revolution and when heated conflicts over mineral rights primarily oil were raging between the two nations Though Mexico had economic reasons for curbing emigration the racist tone of the quota debate taking place in the United States offended Mexicans national pride and played a large part in obstructing mutual support for immigration restriction between the United States and Mexico Risking Immeasurable Harm explains how the prospect of immigration restriction affects diplomatic relations by analyzing U S efforts to place a quota on immigration from Mexico during the late 1920s and early 1930s The controversial quota raised important questions about how domestic immigration policy debates had international consequences primarily how the racist justifications for immigration restriction threatened to undermine U S relations with Mexico Benjamin C Montoya follows the quota debate from its origin in 1924 spurred by the passage of the Immigration Act to its conclusion in 1932 He examines congressional policy debate and the U S State Department s steady opposition to the quota scheme Despite the concerns of American diplomats in 1930 the Senate passed the Harris Bill which singled out Mexico among all other Latin American nations for immigration restriction The lingering effects of the quota debates continued to strain diplomatic relations between the United States and Mexico beyond the Great Depression Relevant to current debates about immigration and the role of restrictions in inter American diplomacy Risking Immeasurable Harm demonstrates the correlation of immigration restriction and diplomacy the ways racism can affect diplomatic relations and how domestic immigration policy can have international consequences

The Religion of Democracy Amy Kittelstrom, 2016-04-05 A history of religion s role in the American liberal tradition through the eyes of seven transformative thinkers Today we associate liberal thought and politics with secularism When we argue over whether the nation s founders meant to keep religion out of politics the godless side is said to be liberal But the role of religion in American politics has always been far less simplistic than today s debates would suggest In The Religion of Democracy historian Amy Kittelstrom shows how religion and democracy have worked together as universal ideals in American culture and as guides to moral action and to the social practice of treating one another as equals who deserve to be free The first people in the world to call themselves liberals were New England Christians in the early republic Inspired by their religious belief in a God given freedom of conscience these Americans enthusiastically embraced the democratic values of equality and liberty giving shape to the liberal tradition that would remain central to our politics and our way of life The Religion of Democracy re creates the liberal conversation from the eighteenth century to the twentieth by tracing the lived connections among seven transformative thinkers through what they read and wrote where they went whom they knew and how they expressed their opinions from John Adams to William James to Jane Addams from Boston to Chicago to Berkeley Sweeping and ambitious The Religion of Democracy is a lively narrative of quintessentially American ideas as they were forged debated and remade across our history

The Politics, Economics, and Culture of Mexican-US Migration E. Ashbee, H. Clausen, C. Pedersen, 2007-12-25 Images and accounts of the Mexican US migration process and the

border region abound Representations of border crossers plans for the construction of a security fence the shifting economic relationship between the US and its southern neighbors and the changing character of the Rio Grande area have played a pivotal role in shaping contemporary political discourse The Politics Economics and Culture of Mexican US Migration which has attracted contributors from four different countries offers multidisciplinary and interdisciplinary evaluations of these developments It also considers the impact of migration in both the US and Mexico Some of the contributions are case studies while others have a broad survey character All place the current debate about migration and the changing nature of the north American continent within its wider context in a way that is of relevance and interest to both the specialist and the more general reader

Americanism Michael Kazin, Joseph A. McCartin, 2012-01-01 What is Americanism The contributors to this volume recognize Americanism in all its complexity as an ideology an articulation of the nation's rightful place in the world a set of traditions a political language and a cultural style imbued with political meaning In response to the pervasive vision of Americanism as a battle cry or a smug assumption this collection of essays stirs up new questions and debates that challenge us to rethink the model currently being exported too often by force to the rest of the world Crafted by a cast of both rising and renowned intellectuals from three continents the twelve essays in this volume are divided into two sections The first group of essays addresses the understanding of Americanism within the United States over the past two centuries from the early republic to the war in Iraq The second section provides perspectives from around the world in an effort to make sense of how the national creed and its critics have shaped diplomacy war and global culture in the twentieth and twenty first centuries Approaching a controversial ideology as both scholars and citizens many of the essayists call for a revival of the ideals of Americanism in a new progressive politics that can bring together an increasingly polarized and fragmented citizenry Contributors Mia Bay Rutgers University Jun Furuya Hokkaido University Japan Gary Gerstle University of Maryland Jonathan M Hansen Harvard University Michael Kazin Georgetown University Rob Kroes University of Amsterdam Melani McAlister The George Washington University Joseph A McCartin Georgetown University Alan McPherson Howard University Louis Menand Harvard University Mae M Ngai University of Chicago Robert Shalhope University of Oklahoma Stephen J Whitfield Brandeis University Alan Wolfe Boston College

Makers of Jewish Modernity Jacques Picard, Jacques M. Revel, Michael P. Steinberg, Idith Zertal, 2016-08-09 A unique reference to leading Jewish figures who helped shape the modern world This superb collection presents more than forty incisive portraits of leading Jewish thinkers artists scientists and other public figures of the last hundred years who in their own unique ways engaged with and helped shape the modern world Makers of Jewish Modernity features entries on political figures such as Walther Rathenau Rosa Luxemburg and David Ben Gurion philosophers and critics such as Walter Benjamin Hannah Arendt Isaiah Berlin Jacques Derrida and Judith Butler and artists such as Mark Rothko The book provides fresh insights into the lives and careers of novelists like Franz Kafka Saul Bellow and Philip Roth the filmmakers Joel and Ethan Coen social scientists such as Sigmund

Freud religious leaders and thinkers such as Avraham Kook and Martin Buber and many others Written by a diverse group of leading contemporary scholars from around the world these vibrant and frequently surprising portraits offer a global perspective that highlights the multiplicity of Jewish experience and thought A reference book like no other Makers of Jewish Modernity includes an informative general introduction that situates its subjects within the broader context of Jewish modernity as well as a rich selection of photos

Hegemony and Culture in the Origins of NATO Nuclear First-Use, 1945-1955 A. Johnston, 2005-11-18 Johnston argues that the preemptive first use of nuclear weapons long the foundation of American nuclear strategy was not the carefully reasoned response to a growing Soviet conventional threat Instead it was part of a process of cultural socialization by which the United States reconstituted the previously nationalist strategic cultures of the European allies into a seamless western community directed by Washington Building a bridge between theory and practice this book examines the usefulness of cultural theory in international history

Lost Promise Of Patriotism Debating American Identity 1890 1920 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Lost Promise Of Patriotism Debating American Identity 1890 1920 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Lost Promise Of Patriotism Debating American Identity 1890 1920 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Lost Promise Of Patriotism Debating American Identity 1890 1920 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Lost Promise Of Patriotism Debating American Identity 1890 1920 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lost Promise Of Patriotism Debating American Identity 1890 1920 is one of the best book in our library for free trial. We provide copy of Lost Promise Of Patriotism Debating American Identity 1890 1920 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lost Promise Of Patriotism Debating American Identity 1890 1920. Where to download Lost Promise Of Patriotism Debating American Identity 1890 1920 online for free? Are you looking for Lost Promise Of Patriotism

Debating American Identity 1890 1920 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Lost Promise Of Patriotism Debating American Identity 1890 1920. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Lost Promise Of Patriotism Debating American Identity 1890 1920 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Lost Promise Of Patriotism Debating American Identity 1890 1920. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Lost Promise Of Patriotism Debating American Identity 1890 1920 To get started finding Lost Promise Of Patriotism Debating American Identity 1890 1920, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Lost Promise Of Patriotism Debating American Identity 1890 1920 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Lost Promise Of Patriotism Debating American Identity 1890 1920. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Lost Promise Of Patriotism Debating American Identity 1890 1920, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Lost Promise Of Patriotism Debating American Identity 1890 1920 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.
