Love Sex Feminism:

Love, Sex, & Feminism John Wilson, 1980 **The Politically Incorrect Guide to Women, Sex And Feminism** Carrie L. Lukas, 2006-03-01 Argues that American feminism advocates values which do not take into account some of the complexities of career family and sexuality faced by women and that women need to make more informed choices using factual evidence rather than ideology *Love, Sex, and Feminism* John Wilson, 1994 This work tackles the basic problems that lie at the root of sexual relationships and issues raised by feminism love sex aggression justice between the sexes and sexual differences It aims to clarify the concepts involved from a neutral philosophical standpoint *Sex, Lies & Feminism* Peter D. Zohrab, 2002 [Feminism and Sexuality](#) Stevi Jackson, Sue Scott, 1996 A comprehensive overview of feminist debates surrounding sexuality identifying the main theoretical positions and trends Contributors include Judith Butler bell hooks Luce Irigaray Catherine MacKinnon Adrienne Rich Gayle Rubin Judith Walkowitz and Monique Wittig

Fundamental Feminism Judith Grant, 2013-09-13 In *Fundamental Feminism* Judith Grant explores the evolution of feminist theory as well as the state of today's feminist thought Pointing to the main problems within feminism Grant calls for a substantial revision of the core concepts responsible for shaping today's feminist theory Grant identifies and critiques three core concepts in feminist theory woman experience and personal politics from their origins in pamphlets and writings in the early women's liberation movement to their current construction in feminist thought She connects a number of key debates in feminism today to the longstanding influence of these core assumptions These debates include the hegemony of the white female perspective the tension between anti pornography and pro sex feminists and the challenges presented by postmodernism *Fundamental Feminism* is provocative reading for anyone interested in the future of feminist theory and the power of feminist politics **Feminism** Correa Moylan Walsh, 1917 *Sex, Feminism and Lesbian Desire in Women's Magazines* Kate Farhall, 2020-09-14 This book examines evolving pop culture representations of sex and relationships from the 1970s onwards to demonstrate parallels between the strength of the feminist movement and positive portrayals of women's sexuality In charting changes in the sex and relationship content of women's magazines over time this analysis reveals that despite surface level changes in sexual and relationship content the underlying paradigm of hetero monogamy remains unchanged Despite a seemingly more diverse empowered and liberated sexuality for women in contemporary magazines in reality such feminist rhetoric masks an enduring model of sexuality which rests on women's sexual and emotional maintenance of male partners and their own self objectification and self surveillance Where substantive changes can be identified they rise and fall in tandem with feminism By demonstrating this empirical relationship between cultural products and feminist organising the book validates an assumption that has rarely been tested that a feminist social milieu improves cultural narratives about sexuality for women *Sex Feminism and Lesbian Desire* builds on ground breaking feminist texts such as Susan Faludi's *Backlash* to present an empirically focused comprehensive study interrogating changes in content

over the lifetime of women's magazines. By charting the representation of sex and relationships in two women's magazines, *Cosmopolitan* and *Cleo* since the 1970s through an analysis of over 6,500 magazine pages and 1,500 articles, this timely work interrogates and ultimately complicates the apparent linear progression of feminism. This book is suitable for researchers and students in women's and gender studies, queer studies, LGBT studies, media studies, cultural studies, and sociology.

Chinese Modernity and Socialist Feminist Theory Shaopeng Song, 2022-08-16. This book assembles translations of the work of leading critical socialist feminist Song Shaopeng, presenting a concise narrative which theorizes China's political and social development through a gendered lens. Providing insightful editor introductions, the book explores poignant themes from the late imperial to the contemporary eras to examine the evolution of Chinese socialist feminism. This includes analysis of the relationship between the party state and the women's movement, the gains and losses of collectivism for women's liberation, and the inadequacy of contemporary gender studies in China at addressing the ongoing influence of political economy on the lives of women in China. Offering a succinct exploration of the historical and theoretical context of Song Shaopeng's writings, this book will be a valuable resource for students and scholars of Chinese history and politics, as well as those of Chinese feminism and intellectual history.

Loose Women, Lecherous Men Linda LeMoncheck, 1997. The author discusses methods for mediating the tensions among apparently irreconcilable feminist perspectives on women's sexuality and shows how a feminist epistemology and ethic can advance the dialogue in women's sexuality across a broad political spectrum.
