Magic In The Gorbals:

Our Glasgow Piers Dudgeon, 2012-10-25 This ebook edition contains the full text version as per the book. Doesn't include original photographic and illustrated material. This oral history of Glasgow spans most of the last century, a time of economic downturn and eventual renewal in which the many communities making up the city experienced upheavals that tore some apart and brought others closer together. It tells of the beating heart of no mean city in the words of the people who made it what it is. Piers Dudgeon has listened to dozens of people who remember the city as it was and who have lived through its many changes. They talk of childhood and education of work and entertainment of family community values health politics religion and music. Their stories will make you laugh and cry. It is people's own memories that make history real and this engrossing book captures them vividly. *The Magic of the Gorbals* Eddie Perrett, 1987* Scotland and the Music Hall, 1850-1914 Paul Maloney, 2003-09-13 While London dominated the wider British music hall in the 19th century Glasgow the Second City of the Empire was the center of a vigorous Scottish performing culture one developed in a Presbyterian society with a very different experience of industrial urbanization. It drew heavily on older fairground and traditional forms in developing its own brand of this new urban entertainment. The book explores all aspects of the Scottish music hall industry from the lives and professional culture of performers and impresarios to the place of music hall in Scottish life. It also explores issues of national identity both in terms of Scottish audiences responses to the promotion of imperial themes in songs and performing material and in the version of Scottish identity projected by Lauder and other kilted acts at home and abroad in America Canada Australia and throughout the English speaking world. **The Britannia Panopticon Music Hall and Cosmopolitan Entertainment Culture** Paul Maloney, 2016-10-13 Focusing on Glasgow's earliest surviving music hall the Britannia later the Panopticon this book explores the role of one of the city's most iconic cultural venues within the cosmopolitan entertainment market that emerged in British cities in the nineteenth century. Shedding light on the increasing diversity of commercial entertainment provided by such venues offering everything from music hall early cinema and amateur nights to waxworks menageries and freak shows this study also encompasses the model of community based working class music hall which characterised the Panopticon's later years challenging narratives of the primacy of city centre variety. Providing a comprehensive analysis of this dynamic popular theatre of the industrial age Maloney examines the role of the hall's managers marketing and promotional strategies audiences and performing genres from the hall's opening in 1859 until final closure in 1938. The book also explores stage representations of Irish and Jewish immigrant communities present in surrounding city centre areas demonstrating the Britannia's diasporic links to other British cities and centres in North America thus providing a multifaceted and pioneering account of this still extant Victorian music hall. Edinburgh Festivals Angela Bartie, 2014-05-14 This book explores the culture wars of 1945-1970 and is the first major study of the origins and development of this leading annual arts extravaganza. The Real Gorbals Story Colin MacFarlane, 2011-07-22

Colin MacFarlane was born in the Gorbals in the 1950s 20 years after the publication of *No Mean City* the classic novel about pre war life in what was once Glasgow s most deprived district He lived in the same street as its fictional razor king Johnnie Stark and subsequently realised that a lot of the old characters represented in the book were still around as late as the 1960s Men still wore bunnets and played pitch and toss women still treated the steamie as their social club The razor gangs were running amok once again and filth violence crime rats poverty and drunkenness abounded just like they did in *No Mean City* MacFarlane witnessed the last days of the old Gorbals as a major regeneration programme begun in 1961 was implemented and as a street boy he had a unique insight into a once great community in rapid decline In this engrossing book MacFarlane reveals what it was really like to live in the old Gorbals

Exodus Julie Bertagna,2011-04-10 Less than a hundred years from now the world as we know it no longer exists Cities have disappeared beneath the sea technology no longer functions and human civilization has reverted to a much more primitive state On an isolated northern island the people of Wing are trying to hold onto their way of life even as the sea continues to claim precious acres and threatens to claim their very lives Only fifteen year old Mara has the vision and the will to lead her people in search of a new beginning in this harsh unfamiliar world This compelling and powerful story set in the near future will hit home with teens especially those who are ever more aware of the increasingly controversial climate crisis we face in our world today

The Representation of Place Michael Miller,2003 This work considers how myth collective memory and history interact in the construction of place based identities in the city and how such identities become crucial stakes in determining the future of particular areas neighbourhoods and districts By analysing two case studies of public protest against urban planning projects the author looks at how dominant discourses promoted by urban elites have been challenged by groups with little experience of participating in urban governance

Edinburgh Companion to Scottish Drama Ian Brown,2011-05-16 The ideal guide for students and theatre lovers alike the Companion explores the longstanding and vibrant Scottish dramatic tradition and the important developments in Scottish dramatic writing and theatre over the last hundred years

Gorbals and Oatlands Danny Gill,2015-06-12 Everyone has good memories of their growing up and mine was a wonderful one of my childhood in the era of the old tenements buildings in the Gorbals and Oatlands area in the south side of Glasgow Every day for us was like an adventure with so many things to do and our street games could last all day long especially in the school summer holidays There were no computers video games and mobile phones etc in those days and TV was only in its infancy so all our energy was spent playing out in the open In my book I try to tell our story of what life was like in that era through my poems peoples stories and songs we sang in the streets All this I hope brings back happy memories to people of my generation who lived through these times and a future generation that I want to leave my memories with

International ,2002 Glasgow's Black Heart Douglas Skelton,2011-03-11 Glasgow is the largest city in Scotland It is a city of culture of impressive architecture enterprise and endeavour and is one of warm hearted generous people But it also has a dark side Beneath the busy streets the Victorian sandstone and urban trendiness lies a black heart that beats in rhythm with the roar of the traffic and the echo of footsteps on concrete It is a black heart pumped by greed and lust violence and murder And it has beaten since the city first sprang up on that dear green place on the banks of the Molendinar Burn This is the epic story of Glasgow crime Beginning in 1624 when the Tolbooth was built at Glasgow Cross to house the courts and town jail author Douglas Skelton covers four centuries of Glasgow s hidden history tracing the formation of the first paid police force in Britain the Black Assizes of the circuit court and the formation of the city s own High Court of Justiciary Here you will find the pimps and pushers gangsters and gangleaders rioters and robbers who flooded the veins of the city Famous felons rub shoulders with their less notorious but equally vicious counterparts Here also are the thief takers cops lawyers and judges who tried to stem the gushing flow some with more success than others These stories may not be what the City Fathers would like to see on Glasgow s CV but they are as much a part of its traditions and its legacy as the fish the bell and the tree **Auld Campaigner** David S. Robb,2007 In his day Alexander Scott 1920 1989 was one of the most prominent of Scotland s poets renowned for witty passionate vigorous poems poems embodying his high ideals of poetic craftsmanship His poems were also among the most entertaining of their time Scott s achievement however stretched wider still His poetry was the centerpiece of a lifetime s commitment to Scotland s literature and culture a commitment which took many forms and was expressed in many ways Scott took a lead in developing Scottish literature as a modern subject laying the foundations for its present prominence in the Scottish academic scene In addition he was a dramatist actor anthologist scholar critic editor broadcaster columnist and controversialist He was also active in many important and imaginative initiatives following the creation of the Scottish Arts Council in the 1960s A unique personality Alexander Scott embodied much that was vital in his country s post war culture In his story the shape of modern Scotland emerges This is the first major biography of a hugely influential figure in the Scottish literary scene in the 20th century This book is the joint winner of the prestigious Scottish Research Book of the Year 2007 from the Saltire Society and the National Library of Scotland Gorbals and Oatlands Book 2: After The Clearance Danny Gill,2017-08-10 This book tells of the upheaval of families and where they all went to when the clearance of the old tenement buildings in the Gorbals Oatlands areas happened Different people tell their stories of how the clearance affected them and where they moved to be it to the new housing schemes that were built on the outskirts of Glasgow or maybe immigrating to another country or perhaps returning to the ancestral home in Ireland Of course others stayed in the soo side and when their tenement was due to be demolished they moved into some of the high rise tower blocks that were springing up **Magic Carpet Ride** Philip Harris,Ivan Fallon,2017-10-19 From humble beginnings in wartime Peckham where his first memories are of being carried down into the air raid shelter by his mother Phil Harris would go on

to transform his father's market stall into Britain's biggest carpet retail chain himself becoming one of the richest people in the country a member of the House of Lords and a passionate supporter of charitable causes An extraordinary retailer largely instinctive with an exceptional feel for what the customer wanted Harris and his astonishing business career with its ups and downs are the central themes to the book Today he is as well known for his charitable work Severely dyslexic himself with Tony Blair's personal support Lord Harris created the first academy school in London There are now thirty five Harris Academy schools and it was David Cameron's relationship with Lord Harris that persuaded the former PM to espouse the academy school so enthusiastically These then are the fascinating memoirs of one of the country's greatest entrepreneurs and philanthropists
