***Mormonism 2010 Handbook on Mormonism*** ,      ***Mormon Christianity*** Stephen H. Webb, 2013-09-02 Mormons are adamant that they are Christian and eloquent writers within their own faith have tried to make this case but no theologian outside the LDS church has ever tried to demonstrate just how Christian they are Stephen H Webb's *Mormon Christianity* What Other Christians Can Learn from the Latter day Saints fills this void as the author writes neither as a critic nor a defender of Mormonism but as a sympathetic observer who is deeply committed to engaging with Mormon ideas Webb is unique in taking Mormon theology seriously by showing how it provides plausible and in some instances even persuasive alternatives to many traditional Christian doctrines His book can serve as an introduction to Mormonism but it goes far

beyond that Webb explains how Mormonism is a branch of the Christian family tree that extends well beyond what most Christians have ever imagined His account of their creative appropriation of the Christian tradition is meant to inspire more traditional Christians to reconsider the shape of many basic Christian beliefs Mormon Christianity is not all affirming and celebratory It ends with a call to Mormons to be more focused on Christian essentials and an invitation to other Christians to be more imaginative in considering Mormon alternatives to traditional doctrines

**Faith Crisis, Volume 1: We Were NOT Betrayed!** L. Hannah Stoddard, James F. Stoddard III, 2020-04-06 After working with thousands of struggling members of The Church of Jesus Christ of Latter day Saints over many years the authors decided to write a book offering hope and answers for those struggling with faith crisis Unbeknownst to the general Church membership the 20th century would witness an organized effort to rewrite Latter day Saint history from within its own ranks In a head to head behind the scenes battle traditional leaders resisted intellectual progressives working in the Church History Department and at BYU who claimed some forty years ago that it would take a generation to re educate the Church membership Where are we in this attempted re education What is the New Mormon History and how does it personally affect you and your family Join us as we explore newly available diaries review old books and bring untold history into the light Progressives claim the Church covered up its history for nearly 200 years Is the current faith crisis stemming from unmasked history or new interpretations Why did New Mormon Historians insist Hofmann s forgeries were legitimate even when investigators provided convincing evidence to them of the hoax How did Bruce R McConkie know Hofmann s Joseph Smith III blessing was a fake despite authentication by document experts and pressure by historians calling him incompetent for questioning Who were the Swearing Elders How did this group of progressive Latter day Saints reshape the identity of Mormonism Why did Carol Lynn Pearson and Leonard Arrington share cards that read History is on our side as long as we can control the historians Leonard Arrington shared that an invisible higher power commissioned him to rewrite or reconstruct our dominant narrative of the Restoration Did God want our history changed Why did Leonard Arrington say the First Vision Nephites and gold plates were part of the Mormon myth Why did Leonard Arrington note that if he were honest about his beliefs not many Latter day Saints would want him to teach their children How did this affect his career as Church Historian and later at BYU Progressives working in the Church History Department and at BYU claimed 40 years ago it would take a generation to re educate the Church Where are we in this re education The research and findings in this volume are truly history altering Using newly released documents combined with deep knowledge of Church History the Stoddards are bringing to light what could be termed a soft coup d tat of the Church s scriptures and prophets by progressive historians

bent on altering its history Hold tight to your faith in the history held by the church for over 150 years and the teachings of our prophets as you discover how deep this attempted takeover has infiltrated and altered our sacred history Rod Meldrum researcher best selling Latter day Saint author international lecturer Years ago we stopped going to church Suddenly God awakened me and brought me back into the fold As I hungered and learned more about the restoration it was upsetting to hear things being said about Joseph that I KNEW were not true I hit a major faith crisis Right as I was about to leave the church and follow another sect that follows the teachings of the Book of Mormon I read the Stoddard s Faith Crisis book This book along with promptings and teachings from the spirit helped me navigate through many questions This book only helped grow my testimony of the truthfulness of the restoration of the gospel and of the church of Jesus Christ of Latter Day Saints I now stand strong in the Faith and know that I am in the only true church I m so thankful for the Joseph Smith Foundation and the many hours put in toward helping others stay strong in the Church of Jesus Christ of Latter Day Saints Latter day Saint mother of six

A Documentary History of the Book of Mormon , 2019-01-09 The story of the creation of the Book of Mormon has been told many times and often ridiculed A Documentary History of the Book of Mormon presents and examines the primary sources surrounding the origin of the foundational text of the Church of Jesus Christ of Latter day Saints the most successful new religion of modern times The scores of documents transcribed and annotated in this book include family histories journal entries letters affidavits reminiscences interviews newspaper articles and book extracts as well as revelations dictated in the name of God From these texts emerges the captivating story of what happened and what was believed or rumored to have happened between September 1823 when the seventeen year old farm boy Joseph Smith announced that an angel of God had directed him to an ancient book inscribed on gold plates and March 1830 when the Book of Mormon was first published By compiling for the first time a substantial collection of both first and secondhand accounts relevant to the inception of the divine revelation or clever fraud that launched a new world religion A Documentary History makes a significant contribution to the rapidly growing field of Mormon Studies

**Everything You Ever Wanted to Know About Mormonism** John Ankerberg, John Weldon, 2019-11-13 This definitive work covers every aspect of the history beliefs and practices of Mormonism Answers the crucial questions How Did Mormonism Begin Are Mormon Revelations from God How Powerful Is the Mormon Church Today Is Mormonism a Christian Religion What Is the Mormon View of Christianity What Is the Mormon View of Jesus Christ What Does the Mormon Church Teach Concerning Salvation What Does the

Mormon Church Believe About the Afterlife Were Early Mormon Leaders Practitioners of the Occult This book comprehensively traces the roots of Mormonism and examines all of its major doctrines *Catholic and Mormon* Stephen H. Webb, Alonzo L. Gaskill, 2015-07-31 What could Roman Catholicism and Mormonism possibly have to learn from each other On the surface they seem to diverge on nearly every point from their liturgical forms to their understanding of history With its ancient roots Catholicism is a continuous tradition committed to the conservation of the creeds while Mormonism teaches that the landscape of Christian history is riddled with errors and apostasy and in need of radical revision and spiritual healing Additionally successful proselyting efforts by Mormons in formerly Catholic strongholds have increased opportunities for misunderstanding polemic and prejudice between the two faiths However as demonstrated in this unique and spirited dialogue between two theologians one a convert to Catholicism and the other a convert to Mormonism these two traditions are much closer to each other than many assume including in their treatment of central doctrines such as authority grace Jesus Mary and revelation Both Catholicism and Mormonism have ambitiously universal views of the Christian faith and readers will be surprised by how close Catholics and Mormons are on a number of topics and how these traditions probed to their depths shed light on each other in fascinating and unexpected ways *Catholic and Mormon* is an invitation to the reader to engage in a discussion that makes understanding the goal and marks a beginning for a dialogue that will become increasingly important in the years to come *Believing History* Richard Lyman Bushman, 2007-02-13 The eminent historian Richard Bushman here reflects on his faith and the history of his religion By describing his own struggle to find a basis for belief in a skeptical world Bushman poses the question of how scholars are to write about subjects in which they are personally invested Does personal commitment make objectivity impossible Bushman explicitly and at points confessionally explains his own commitments and then explores Joseph Smith and the Book of Mormon from the standpoint of belief Joseph Smith cannot be dismissed as a colorful fraud Bushman argues nor seen only as a restorer of religious truth Entangled in nineteenth century Yankee culture including the skeptical Enlightenment Smith was nevertheless an original who cut his own path And while there are multiple contexts from which to draw an understanding of Joseph Smith including magic seekers the Second Great Awakening communitarianism restorationism and more Bushman suggests that Smith stood at the cusp of modernity and presented the possibility of belief in a time of growing skepticism When examined carefully the Book of Mormon is found to have intricate subplots and peculiar cultural twists Bushman discusses the book's ambivalence toward republican government explores the culture of the Lamanites the enemies of the favored people and traces the book's fascination with records translation and history Yet *Believing History* also sheds light on the meaning of Joseph Smith and the Book of Mormon today How do we situate Mormonism in American history Is Mormonism relevant in the modern world *Believing History* offers many surprises Believers will learn that Joseph Smith is more than an icon and non believers will find that Mormonism cannot be summed up with a simple label But wherever readers stand on Bushman's arguments he provides

us with a provocative and open look at a believing historian studying his own faith      *Consulting the Faithful* Richard J. Mouw, 1994-09-08 This is a print on demand book and is therefore non returnable In this careful assessment of contemporary religious trends Mouw remains committed to theological orthodoxy while also asserting that the Christian intellectual community should pay careful and sympathetic attention to popular religious culture Probing the thought of some theological giants of the past John Henry Newman Abraham Kuyper and others Mouw advocates a hermeneutic of charity toward popular religion and says that Christian scholars besides teaching the little people of the church must also learn from the practical theological wisdom of laypeople      **Americanist Approaches to The Book of Mormon** Elizabeth Fenton, Jared Hickman, 2019-07-18 As the sacred text of a modern religious movement of global reach The Book of Mormon has undeniable historical significance That significance this volume shows is inextricable from the intricacy of its literary form and the audacity of its historical vision This landmark collection brings together a diverse range of scholars in American literary studies and related fields to definitively establish The Book of Mormon as an indispensable object of Americanist inquiry not least because it is among other things a form of Americanist inquiry in its own right a creative critical reading of America Drawing on formalist criticism literary and cultural theory book history religious studies and even anthropological field work *Americanist Approaches to The Book of Mormon* captures as never before the full dimensions and resonances of this American Bible
