Ancient Magic Philip Matyszak, 2019-08-20 An accessible historical exploration of the methods and motivations behind using magic in ancient Greece and Rome. In the ancient world, magic was everywhere. The supernatural abounded, turning flowers into fruit and caterpillars into butterflies. In a time before scientists studied weather patterns and figured out what caused the Earth's most mysterious phenomena, it was magic that packed a cloud full of energy until it exploded with thunderbolts. It was everyday magic, but it was still magical. In *Ancient Magic*, author Philip Matyszak ushers readers into that world, showing how ancient Greeks and Romans concocted love potions and cast curses, how they talked to the dead and protected themselves from evil spirits. He takes readers to a world where gods interacted with humans and
