Magical Uses For Magnets:

Magical Uses for Magnets Draja Mickaharic, 2004-10-01 From the latches on our kitchen cabinets to the magnetic strips on our credit cards we take magnetic forces for granted every day Magnets are a relatively new technology although people have remarked on naturally occurring magnets or loadstones for hundreds of years Mickaharic in his inimitable no nonsense style relates the history and folklore of magnets and how they work and explains several practical uses including improving fuel combustion descaling water and charging water for better plant growth Most of his book is devoted to explaining how the attractive power of magnets can be harnessed in spells and vibrational healing Mickaharic includes instructions on spells for attracting a job a lover or money making devices to magnetize oils and potions for increased potency making magnetic magic wands using magnets with sigils and seals making a Mesmer board for vibrational healing constructing a device for distant covert communication working with energy rods and aura cleansing with magnets Mickaharic also includes an interesting biography of the flamboyant Antoine Mesmer that rectifies the misunderstandings around his so called discovery of animal magnetism and initiation of the practice of hypnotism Magnet Magic William Brown, AI, 2025-03-06 Magnet Magic unveils the intriguing world of magnetism explaining the unseen forces that govern everything from refrigerator magnets to electric motors This science book explores fundamental principles like magnetic fields and the attraction repulsion of magnets revealing how these concepts are vital to many technologies Did you know that magnetism plays a crucial role in both data storage and advanced medical imaging techniques The book uniquely grounds abstract physics concepts in real world applications making it accessible to a broad audience The book progresses logically starting with the basic science of magnets and then moves to different types of magnetic materials such as ferromagnets and diamagnets It dedicates significant attention to practical uses showcasing magnets in everyday technology and engineering Magnet Magic provides a solid foundation for understanding magnetic phenomena and its applications 1001 Magical Plants Cassandra Eason, 2025-07-22 Plant medicine is as old as human civilization itself and has served to heal enlighten and protect for millennia In this new entry into the popular 1001 series of magical reference expert author Cassandra Eason weaves ancient lore and contemporary research into a usable fascinating guide to herbal healing Each of these 1001 entries lists a plant its physical properties and its mythological associations then offers a practical way to use it as a tea an essential oil an amulet or talisman or in a ritual bath Gorgeous illustrations illuminate the many ways nature manifests its magic in the physical world This is an essential reference for anyone who would like to understand correspondences and healing properties of any of this massive catalog of flora **They Believed That?** William E. Burns, 2022-12-01 This encyclopedia is the perfect guide to the weird magical superstitious and supernatural beliefs of people from all over the world This book is devoted to those human beliefs that fall in the gray zone between science religion and everyday life call them superstitious supernatural magical or just wrong In an often incomprehensible world where lightning or plague could end life quickly or

drought could condemn a poor family to agonizing death superstitious beliefs gave people a feeling of understanding or even control They have continued to shape societies and cultures ever since This book covers a range of superstitious supernatural and otherwise unusual beliefs from the ancient world to the early 19th century More than 100 entries explain beliefs discuss historical evidence and explain how each belief differs across cultures This book is a perfect gateway for anyone curious about superstitious and magical beliefs with topics ranging from the everyday such as dogs and iron to legendary figures such as Hermes Trismegistus and the Yellow Emperor

Nature's Magic Peter Corning, 2003-05-05 Nature s Magic presents a bold vision of the evolutionary process from the Big Bang to the 21st century Synergy of various kinds is not only a ubiquitous aspect of the natural world but it has also been a wellspring of creativity and the driver of the broad evolutionary trend toward increased complexity in nature and human societies alike But in contrast with the many theories of emergence or complexity that rely on some underlying force or law the Synergism Hypothesis as Peter Corning calls it is in essence an economic theory of biological complexity it is fully consistent with mainstream evolutionary biology Corning refers to it as Holistic Darwinism Among the many important insights that are provided by this new paradigm Corning presents a scenario in which the human species invented itself synergistic behavioral and technological innovations were the pacemakers of our biological evolution Synergy has also been the key to the evolution of complex modern societies he concludes
