Magia Magia Alexis A Arredondo and Eric J Labrado, 2020-07-23 Like Mexico the witchcraft and spell casting of the borderland people is diverse colorful and deeply rooted in its history With origins from the early Mexican natives and influence from the European colonizers the magic of Mexico is truly unique As traditions continue to blend and transform into new identities the power of hechicer a spell casting continues to grow today with influences rooted in Asia Romani culture the Caribbean and more The purpose of this book is not to explain the history of the magic from Mexico but present you with the spells and formula to begin your practice This powerful but practical magia magic is filled with alma y coraz n heart and soul and lays a strong foundation for this introductory book Many of the hechizos spells presented here are time tested methods and were developed to help you manifest protection love luck and aid in spiritual cleansing To advance your spell work and magic several unique divination methods are included to help you communicate with the ancestors and guide you along your path We also want to be transparent in stating that most of the magia contained within these pages may have origins from Mexico but is mostly derived from the Texas Mexican border where we grew up and may differ greatly from the magic of interior or Central Mexico As the Curandera folk healer Maria Sabina of Oaxaca once said There is a world beyond ours a world that is far away nearby and invisible From El Paso to Brownsville and along the Rio Grande this folk magic thrives hidden under the guise of Catholic Saints and ancestral shrines We are proud to present and preserve the ancestral knowledge that flourishes as our families and culture continue to do so Now you can learn the ways as they were taught to us by our elders

Psychomagic Alejandro Jodorowsky, 2010-06-18 A healing path using the power of dreams theater poetry and shamanism Shows how psychological realizations can cause true transformation when manifested by concrete poetic acts Includes many examples of the surreal but successful actions Jodorowsky has prescribed to those seeking his help While living in Mexico Alejandro Jodorowsky became familiar with the colorful and effective cures provided by folk healers He realized that it is easier for the unconscious to understand the language of dreams than that of rationality Illness can even be seen as a physical dream that reveals unresolved emotional and psychological problems Psychomagic presents the shamanic and genealogical principles Jodorowsky discovered to create a healing therapy that could use the powers of dreams art and theater to empower individuals to heal wounds that in some cases had traveled through generations The concrete and often surreal poetic actions

Jodorowsky employs are part of an elaborate strategy intended to break apart the dysfunctional persona with whom the patient identifies in order to connect with a deeper self That is when true transformation can manifest For a young man who complained that he lived only in his head and was unable to grab hold of reality and advance toward the financial autonomy he desired Jodorowsky gave the prescription to paste two gold coins to the soles of his shoes so that all day he would be walking on gold A judge whose vanity was ruling his every move was given the task of dressing like a tramp and begging outside one of the fashionable restaurants he loved to frequent while pulling glass doll eyes out of his pockets The lesson for him was that if a tramp can fill his pockets with eyeballs then they must be of no value and thus the eyes of others should have no bearing on who you are and what you do Taking his patients directly at their words Jodorowsky takes the same elements associated with a negative emotional charge and recasts them in an action that will make them positive and enable them to pay the psychological debts hindering their lives
