HARNESS THE MOST POWERFUL ENERGIES YOU HAVE EVER EXPERIENCED Unlock the powerful energies raised during the sex act and use them to manifest your deepest desires During the sex act your attention becomes focused into a laser beam of concentration This power of concentrated thought is the foundation of all magical systems Sex Magic's secret is that it's a tremendously powerful and easily learned way to consciously direct sexual energy and accomplish material and personal goals Male and female energies are often entirely different and it would be folly to deny this but experience shows that female magicians can be particularly successful in using and developing Sex Magic Consequently this book is aimed at both male and female readers unlike more traditional teachings written for men Of all secret lore Sex Magic has been reputed through the centuries to be the most dangerous Today we know that this attitude was largely a reflection of the hostility held towards the flesh held by repressive religions If we learn one thing from the shamanic cultures it is the strong emphasis upon the role of the body in magic Mind and Body are two facets of the One Thing in which Will Imagination and Gnostic Trance are the three pillars of success Contrary to the principles of Eastern Tantra Western Sex Magic emphasizes the importance of actual orgasm both male and female Orgasm is the moment when the walls between consciousness and subconsciousness are sundered and direct access to the deeper levels of the psyche become possible freeing up possible paranormal powers Orgasm itself is sufficient to achieve gnostic trance provided that control is maintained and one does not simply lose consciousness as most people do at the moment of ecstasy Secrets Western Sex Magic teaches one of the oldest disciplines of this secret lore It is a complete system of Sex Magic in theory and practice with exercises to develop related abilities for visualization concentration breath control psychic energy arousal and flow along with full instructions on the projection of sexual energies for healing and manifestation their use in Sigil Magic and the charging of Amulets Talismans Group Ritual and the assumption of god forms when working as a priestly couple and the divine Chymical Marriage of ultimate union This book is also an introduction to the entire field of practical magic using our natural interest and involvement in sexual pleasure to illustrate and develop magical abilities and techniques

De magie van genezing Willem van der Does, 2023-05-11 Een avontuurlijke en schokkende reis door de geschiedenis van de psychiatrie Over de soms gruwelijke experimenten die de afgelopen twee eeuwen op mensen in psychische nood zijn uitgetoet De geschiedenis van de geneeskunde is vol triomfen maar tegelijkertijd is het een horrorverhaal Niemand zou vandaag de dag behandeld willen worden als de psychiatrische patiënt van een halve eeuw of langer geleden Gedreven door psychisch leed dat de artsen zagen werden radicale behandelingen uitgetoet op levende proefpersonen In naam van onderzoek en vooruitgang zijn de afgelopen eeuwen talloze slachtoffers gevallen In De magie van genezing beschrijft hoogleraar Willem van der Does fascinerende episodes uit de geschiedenis van de psychiatrie Op onderhoudende wijze

vertelt hij over hoe de werking van hypnose en het placebo effect werden ontdekt hoe de uitvinder van lobotomie een radicale en levensgevaarlijke behandeling werd bekroond met de Nobelprijs en hoe psychedelica decennia geleden al succesvol werden ingezet Wat hebben we geleerd van de spectaculaire ongelukken onderweg en welke weg is er nog te gaan

Corsi, 2024-08-13 In his new book *The Anti Globalist Manifesto* Ending the War on Humanity bestselling author Jerome Corsi puts out a call for action to reverse the totalitarian goals of the New World Order globalists Corsi addresses that these demons are well advanced in their planned One World Government takeover aimed at establishing an atheistic utopia that will have no respect for traditional human rights Comfortable that their transhuman aspirations are achievable the Malthusian elite is waging a war on humanity that embraces global depopulation as a means of preventing Earth's abundant natural resources for themselves Tracing this dystopian nightmare back to the assassination of President John F Kennedy on November 23 1963 as the day the deep state went rogue in a conspiracy involving the CIA the Pentagon the State Department and the Department of Justice to

affect a coup d'état that would allow the military industrial complex to go to war in Vietnam the deep state has created an ongoing Truman Show a series of never ending psychological operations designed to induce citizens worldwide to surrender freedoms to government in return for security With the premise that the globalist elite uses systems of mass manipulation and social engineering to induce the world's population to accept the implementation of the reforms it has already decided to implement Corsi sets a detailed plan for organizing global resistance against the subversives who now sit at the top of the institutions of world government and finance The Anti Globalist Manifesto is a call to action to restore God to our lives as those of us fighting for a return to personal freedoms and limited government ending the war on humanity and driving once and for all time the New World Order globalists back to Hell where they belong
