**Weapons and Warfare** John Powell,2002 An international reference to the weapons tactics and strategies that have been used from earliest history to the present [The Ethics of Anthropology and Amerindian Research](#) Richard J. Chacon,Rubén G. Mendoza,2011-12-15 The decision to publish scholarly findings bearing on the question of Amerindian environmental degradation warfare and or violence is one that weighs heavily on anthropologists This burden stems from the fact that documentation of this may render descendant communities vulnerable to a host of predatory agendas and hostile modern forces Consequently some anthropologists and community advocates alike argue that such culturally and socially sensitive and thereby politically volatile information regarding Amerindian induced environmental degradation and warfare should not be reported This admonition presents a conundrum for anthropologists and other social scientists employed in the academy or who work at the behest of tribal entities This work documents the various ethical dilemmas that confront anthropologists and researchers in general when investigating Amerindian communities The contributions to this volume explore the ramifications of reporting and specifically of non reporting instances of environmental degradation and warfare among Amerindians Collectively the contributions in this volume which extend across the disciplines of archaeology anthropology ethnohistory ethnic studies philosophy and medicine argue that the non reporting of environmental mismanagement and violence in Amerindian communities generally harms not only the field of anthropology but the Amerindian populations themselves *Library Journal* ,2002 **Reference Books Bulletin, 2001-2002** American Library Association,Mary Ellen Quinn,2002 **Library Media Connection** ,2001 **American Reference Books Annual, 2002** Bohdan S.
