Maiden Of The Winds:

Maiden Wind Farm, Benton County ,2003 The Ice Maiden's Tale Lisa Preziosi,2017-05-30 Every town has an old lady all the children just know is a witch When Johanna and Casper must spend the afternoon at her house there s nothing to do except listen to a story While the siblings await their mother s return from the hospital where she s visiting their ailing father Mrs Kinder reads them a story of adventure magic and music Mrs Kinder s mysterious golden book tells an intertwined tale of two young men the sensitive Sculptor who carves a beautiful woman from ice and the thieving Sorcerer searching for a spell that will bring the statue to life The story twists and turns from the Frozen Forest to the land of the Lemon Trees to the home of the Swamp Witch as the Sculptor s and Sorcerer s adventures circle each other Their inevitable confrontation reveals buried memories that force each of them to confront the true cost of love and redemption The Ice Maiden s Tale the perfect story within a story with magic adventure and romance reminiscent of The Princess Bride for a new generation of readers Excerpt Mrs Kinder settled herself in the chair across from the children and cracked open the book She adjusted her spectacles ever so slightly then caressed the page with her wrinkled fingers In our world when magic happens outside of a storybook we call it a miracle And miracles are considered so rare and special that lifetimes can go by without so much as a hint of one But there are faraway places where our kind of miracles are as common as blades of grass in an open field In the northern region of one of these worlds in the top far east corner past green forests swamps lakes and even an ocean there lived a young artist named Gabriel This isn t a very good story Casper complained Casper Johanna exclaimed in embarrassment Mrs Kinder laughed That s because I m not even at the story part yet but it s high time we get started This story doesn t begin the way you think it might and the way most stories do It doesn t begin with a big adventure or a journey or even pirate treasure It starts with a tiny choice one that seems unremarkable at the time but that changes the course of destiny One crisp morning our Gabriel decided to search for firewood and it s with that simple decision that our tale begins *Wind O' the West* Arthur Lewis,1909 **Golden Harp Strains of California** E.
