Maigret and the Headless Corpse Georges Simenon, 1967 **Maigret and the Headless Corpse** Georges Simenon, 2018-04-10 One of Simenon's masterpieces Adam Gopnik The New Yorker A writer as comfortable with reality as with fiction with passion as with reason John Le Carr A man's dismembered body is found in a canal and only Maigret can uncover the killer When a man's headless body is discovered in Paris's Saint Martin Canal Maigret is quick to answer the call It is in this very neighborhood that he meets a strangely taciturn woman who runs a cafe Her husband is away on a trip or so she says As is often the case Maigret soon learns that there is more to the story than meets the eye As shocking as it is incisive *Maigret and the Headless Corpse* is a compelling mystery from Georges Simenon *Maigret and the Headless Corpse* Georges Simenon, 1974 **Maigret and the Headless Corpse. Murphy, 1999-12-09 Bruce Murphy's *Encyclopedia of Murder and Mystery* is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance *The Penguin Modern Classics Book* Henry Eliot, 2021-11-18 The essential guide to twentieth century literature around the world For six decades the Penguin Modern Classics series has been an era defining ever evolving series of books encompassing works by modernist pioneers avant garde iconoclasts radical visionaries and timeless storytellers This reader's companion showcases every title published in the series so far with more than 1 800 books and 600 authors from Achebe and Adonis to Zamyatin and Zweig It is the essential guide to twentieth century literature around the world and the companion volume to *The Penguin Classics Book* Bursting with lively descriptions surprising reading lists key literary movements and over two thousand cover images *The Penguin Modern Classics Book* is an invitation to dive in and explore

the greatest literature of the last hundred years **Essays on Detective Fiction** Bernard Benstock, 1983-12-15 *Scene of the Crime* David Geherin, 2014-12-03 Offering analysis of the fiction of 15 authors for whom the setting greatly contributes to their overall literary style this book focuses on the many ways that place figures in modern crime and mystery novels The authors and their settings are Georges Simenon Paris Donna Leon Venice Tony Hillerman American Southwest Walter Mosley South Central Los Angeles George P Pelecanos Washington D C Sara Paretsky Chicago James Lee Burke Southern Louisiana Carl Hiaasen South Florida Ian Rankin Edinburgh Alexander McCall Smith Botswana James McClure South Africa Maj Sjomwall and Per Wahloo Stockholm Paco Ignacio Taibo II Mexico City Leonardo Sciascia Sicily and Lindsey Davis Ancient Rome **The Wrath of Grapes** Patrick Meanor, 2004 A text dense guide to those seeking strategies For those of you who wish to take a few intermediate steps towards actual reading rather than basic non linguistic visual perusal we suggest a great favorite among hangover victims Map Reading Maps are absorbing under any condition but can be particularly helpful in focusing one's attention on visualizing where things including you actually are *The Bells of Bournville Green* Annie Murray, 2010-11-30 Continuing the saga begun in Annie Murray's *Chocolate Girls* and set in 1960s Birmingham *The Bells of Bournville Green* is a story of families whose lives are entwined of belonging and loss and of a young woman's search for transforming love Pretty seventeen year old Greta has never known a stable family life With no father and loathing her mother Ruby's latest boyfriend Greta finds life hard at home and is happiest at work with her friends at the Cadbury factory in Birmingham where she is popular with the boys Life takes a turn for the worse when her missing vixen of a sister Marleen turns up during the freezing winter of 1962 Greta soon decides that her only way out is marriage but all too soon she discovers that life with her old classmate Trevor is not a ticket to freedom and happiness She finds herself on the streets pregnant and homeless She is taken in by her mother's old friends Edie and Anatoli Gruschov In Anatoli Greta finds the father she has never had Kindly Edie loves to mother people and is desperately missing her son David and his family who have settled in Israel But the love and security of this haven is soon shattered by appalling tragedy which affects all the chocolate girls and their children and changes life forever The next novel in Annie Murray's gritty family saga is *Secrets of the Chocolate Girls* **Mysteries and Conspiracies** Luc Boltanski, 2014-10-10 The detective story focused on inquiries and in its wake the spy novel built around conspiracies developed as genres in the late nineteenth and early twentieth centuries During the same period psychiatry was inventing paranoia sociology was devising new forms of causality to explain the social lives of individuals and groups and political science was shifting the problematics of paranoia from the psychic to the social realm and seeking to explain historical events in terms of conspiracy theories In each instance social reality was cast into doubt We owe the project of organizing and unifying this reality for a particular population and territory to the nation state as it took shape at the end of the nineteenth century Thus the figure of conspiracy became the focal point for suspicions concerning the exercise of power Where does power really lie and who actually holds it The national authorities that are

presumed to be responsible for it or other agencies acting in the shadows bankers anarchists secret societies the ruling class
 Questions of this kind provided the scaffolding for political ontologies that banked on a doubly distributed reality an official
 but superficial reality and its opposite a deeper hidden threatening reality that was unofficial but much more real Crime
 fiction and spy fiction paranoia and sociology more or less concomitant inventions had in common a new way of
 problematizing reality and of working through the contradictions inherent in it The adventures of the conflict between these
 two realities superficial versus real provide the framework for this highly original book Through an exploration of the work of
 the great masters of detective stories and spy novels G K Chesterton Arthur Conan Doyle John Le Carr and Graham Greene
 among others Boltanski shows that these works of fiction and imagination tell us something fundamental about the nature of
 modern societies and the modern state *The Cambridge Companion to World Crime Fiction* Jesper Guldal, Stewart
 King, Alistair Rolls, 2022-04-21 Accessible yet comprehensive this first systematic account of crime fiction across the globe
 offers a deep and thoroughly nuanced understanding of the genre's transnational history Offering a lucid account of the
 major theoretical issues and comparative perspectives that constitute world crime fiction this book introduces readers to the
 international crime fiction publishing industry the translation and circulation of crime fiction international crime fiction
 collections the role of women in world crime fiction and regional forms of crime fiction It also illuminates the past and
 present of crime fiction in various supranational regions across the world including East and South Asia the Arab World Sub
 Saharan Africa Europe and Scandinavia as well as three spheres defined by a shared language namely the Francophone
 Lusophone and Hispanic worlds Thoroughly researched and broad in scope this book is as valuable for general readers as for
 undergraduate and postgraduate students of popular fiction and world literature *Maigret's Secret* Georges
 Simenon, 2018-04-05 His artistry is supreme John Banville Certain details of the case were etched more sharply than others
 in Maigret's memory Even years later he could recall the particular taste and smell of the rain shower in Rue Caulaincourt as
 keenly as a childhood memory At a dinner party Maigret recounts an old case in which Adrien Josset is found guilty and
 executed for the murder of his wife Christine As the case develops under the controlling hand of the magistrate all clues
 point to Josset's guilt yet Maigret is left unconvinced following his one interview with him Years after the case Maigret still
 doubts the true identity of the murderer This novel has been published in a previous translation as *Maigret Has Doubts* One
 of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was
 masked by his brilliance at absorbing us obsessively in his stories Guardian *Becoming Inspector Chen* Qiu
 Xiaolong, 2021-02-01 Inspector Chen is excluded from a poetry case as he awaits possible disciplinary action leaving him to
 reflect on his career but does his past hold a clue to the poetry case After a number of grueling cases Chief Inspector Chen is
 facing mounting pressure from his superiors many of whom are concerned with where his loyalties lie What's more he is
 excluded from an investigation into an incendiary poem posted on an online forum Wracked with self doubt and facing an

anxious wait to discover the fate of his career Chen is left to reflect on the events that have led to where he is now from his amateur investigations as a child during the Cultural Revolution to his very first case on the Shanghai Police Force Has fighting for the Chinese people and the morals he believes in put him in conflict with the Party Why is he being kept away from the new case As well as his career is his life now also at risk **Maigret's World** Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself **The Women Who Ran Away** Sheila O'Flanagan, 2020-07-16 LOSE YOURSELF THIS SUMMER IN THE NUMBER ONE BESTSELLER One of my favourite authors MARIAN KEYES Deira isn't the kind of woman to steal a car Or drive to France alone with no plan But then Deira didn't expect to be single Or to suddenly realise that the only way she can get the one thing she wants most is to start breaking every rule she lives by Grace has been sent on a journey by her late husband Ken She doesn't really want to be on it but she's following his instructions as always She can only hope that the trip will help her to forgive him And then finally she'll be able to let him go Brought together by unexpected circumstances Grace and Deira find that it's easier to share secrets with a stranger especially in the shimmering sunny countryside of Spain and France But they soon find that there's no escaping the truth whether you're running away from it or racing towards it LOSE YOURSELF THIS SUMMER IN THE NUMBER ONE BESTSELLER Praise for Sheila O'Flanagan's irresistible novels Brilliantly written and with plot twists popping out like Prosecco corks Woman and Home An exciting love story with a deliciously romantic denouement Sunday Express A feel good story told by a funny and down to earth heroine Woman's Weekly If you're seeking an escape of your own this sunny evocative story is the perfect place to hide away S Magazine A NO 1 IRISH BESTSELLER JULY 2020 A SUNDAY TIMES BESTSELLER MARCH 2021 **Metropolitain** Andrew Martin, 2023-07-20 An utterly enjoyable voyage under Paris THE OLDIE Delightful and diverting Martin is the most unpretentious and companionable of guides the book is great fun LITERARY REVIEW An eclectic blend of engineering and travelogue urban planning and anecdote a sincere love letter THE ECONOMIST Andrew Martin has been described as the laureate of railways having written many books with railway themes Metropolitain An Ode to the Paris Metro is the first English history of the Metro for the general reader Metropolitain is as stylish as the Metro itself and laced with cultural references Andrew explains why Last Tango in Paris is a great Metro film and what the Metro chase scene in the classic thriller Le Samourai says about Parisian culture We also meet Andrew's half English half French friend Julian who runs a society dedicated to Metro history He tells Andrew A Metro station is like the wine cellar of chateau which is a very nice thing to be reminded of

The book takes the reader on a constant tour of Paris both underground and over But Paris and the Metro is changing undergoing a huge expansion This and the imminence of the Paris Olympics make this a timely title
