Philadelphia Paul Kahan, 2024-10-29 A comprehensive history of Philadelphia from the region's original Lenape inhabitants to the myriad of residents in the twenty first century Philadelphia is famous for its colonial and revolutionary buildings and artifacts which draw tourists from far and wide to gain a better understanding of the nation's founding Philadelphians too value these same buildings and artifacts for the stories they tell about their city But Philadelphia existed long before the Liberty Bell was first rung and its history extends well beyond the American Revolution In *Philadelphia A Narrative History* Paul Kahan presents a comprehensive portrait of the city from the region's original Lenape inhabitants to the myriad of residents in the twenty first century As any history of Philadelphia should this book chronicles the people and places that make the city unique from Independence Hall to Eastern State Penitentiary Benjamin Franklin and Betsy Ross to Cecil B Moore and Cherelle Parker Kahan also shows us how Philadelphia has always been defined by ethnic religious and racial diversity from the seventeenth century when Dutch Swedes and Lenapes lived side by side along the Delaware to the nineteenth century when the city was home to a vibrant community of free Black and formerly enslaved people to the twentieth century when it attracted immigrants from around the world This diversity however often resulted in conflict especially over access to public spaces Those two themes diversity and conflict have shaped Philadelphia's development and remain visible in the city's culture society and even its geography Understanding Philadelphia's past Kahan says is key to envisioning future possibilities for the City of Brotherly Love

A Family Secret Harry Brooks, 2005-03-15 *A Family Secret* is a fast moving novel that takes the reader from the streets of South Philly to the backroom gambling joints of Atlantic City in the early forties to the most Mafia infested politically corrupt city in the world Las Vegas It is the story of two half brothers who each follow different career paths One becomes a successful Las Vegas casino owner while the other ends up in the Mafia The author's use of

sharp street dialogue makes the characters as real as a royal flush A Family Secret is a gritty sometime humorous story that keeps the reader wondering what will happen next You will meet all kinds of interesting characters in the book People like Fat Lenny Little Pussey and Eddie the hat Weisberg who is more like somebody s old grandfather than a Jewish Gangster The main character Goldy is the essence of every young man s dream Handsome rich and as cool as a winter night And Bobby Cippolini Goldy s half brother a careless cocky young Italian who answers only to the face he sees in the mirror A Family Secret is a story about people as much as it is about gambling and the mob It is a beguiling and sometime witty love story that keeps the reader in suspense until the very end R E V I E W S on Amazon com Absolutely outstanding book I found myself immersed in the characters lives because of the author s incredible attention to detail The characters were very well developed and it incorporated aspects of business the underworld and family in a realistic portrayal of Mafia life The plot kept me guessing I couldn t put it down Very highly recommended as it is now one of my favorite books Stephanie Cohrac Grand Rapids MI This book was one of a kind A real pageturner It really paints a perfect picture on how life really was back then A must read A big fan Jason Nissan The story takes you through a realistic portrayal of what it was like to be a wise guy in South Philly The story flows well and the characters are well developed to give the reader a visualization of the story The author is currently unknown but won t be after people get a copy of this book A must read Daniel Halpern State College PA I was pleased to read a story that was true to life No phony characters or make believe wise guys The author knew what he was doing A great read Can see this as a movie Florida Mike Mike the Man Florida **Are Italians White?** Jennifer Guglielmo,Salvatore Salerno,2012-11-12 This dazzling collection of original essays from some of the country s leading thinkers asks the rather intriguing question Are Italians White Each piece carefully explores how when and why whiteness became important to Italian Americans and the significance of gender class and nation to racial identity My Broken Language Quiara Alegria Hudes,2022-01-11 GOOD MORNING AMERICA BUZZ PICK The Pulitzer Prize winning playwright and co writer of In the Heights tells her lyrical story of coming of age against the backdrop of an ailing Philadelphia barrio with her sprawling Puerto Rican family as a collective muse Quiara Alegria Hudes is in her own league Her sentences will take your breath away How lucky we are to have her telling our stories Lin Manuel Miranda award winning creator of Hamilton and In the Heights ONE OF THE BEST BOOKS OF THE YEAR NPR New York Public Library BookPage BookRiot Quiara Alegria Hudes was the sharp eyed girl on the stairs while her family danced their defiance in a tight North Philly kitchen She was awed by her mother and aunts and cousins but haunted by the unspoken untold stories of the barrio even as she tried to find her own voice in the sea of language around her written and spoken English and Spanish bodies and books Western art and sacred altars Her family became her private pantheon a gathering circle of powerful orisha like women with tragic real world wounds and she vowed to tell their stories but first she d have to get off the stairs and join the dance She d have to find her language Weaving together Hudes s love of music with the songs of her family the lessons of North Philly

author Thom Nickels explores Philadelphia's literary landscape Includes photos **If There Is No Struggle There Is No Progress** James Wolfinger, 2022-07-08 An edited collection exploring the development of African American political engagement in Philadelphia and how Philadelphia has served as a critical site for Black politics over the last century *The Power Broker* Robert A. Caro, 2024-09-16 PULITZER PRIZE WINNER A modern American classic this huge and galvanizing biography of Robert Moses reveals not only the saga of one man's incredible accumulation of power but the story of his shaping and misshaping of twentieth century New York One of the Modern Library's hundred greatest books of the twentieth century Robert Caro's monumental book makes public what few outsiders knew that Robert Moses was the single most powerful man of his time in the City and in the State of New York And in telling the Moses story Caro both opens up to an unprecedented degree the way in which politics really happens the way things really get done in America's City Halls and Statehouses and brings to light a bonanza of vital information about such national figures as Alfred E Smith and Franklin D Roosevelt and the genesis of their blood feud about Fiorello La Guardia John V Lindsay and Nelson Rockefeller But *The Power Broker* is first and foremost a brilliant multidimensional portrait of a man an extraordinary man who denied power within the normal framework of the democratic process stepped outside that framework to grasp power sufficient to shape a great city and to hold sway over the very texture of millions of lives We see how Moses began the handsome intellectual young heir to the world of Our Crowd an idealist How rebuffed by the entrenched political establishment he fought for the power to accomplish his ideals How he first created a miraculous flowering of parks and parkways playlands and beaches and then ultimately brought down on the city the smog choked aridity of our urban landscape the endless miles of never sufficient highway the hopeless sprawl of Long Island the massive failures of public housing and countless other barriers to humane living How inevitably the accumulation of power became an end in itself Moses built an empire and lived like an emperor He was held in fear his dossiers could disgorge the dark secret of anyone who opposed him He was he claimed above politics above deals and through decade after decade the newspapers and the public believed Meanwhile he was developing his public authorities into a fourth branch of government known as Triborough a government whose records were closed to the public whose policies and plans were decided not by voters or elected officials but solely by Moses an immense economic force directing pressure on labor unions on banks on all the city's political and economic institutions and on the press and on the Church He doled out millions of dollars worth of legal fees insurance commissions lucrative contracts on the basis of who could best pay him back in the only coin he coveted power He dominated the politics and politicians of his time without ever having been elected to any office He was in essence above our democratic system Robert Moses held power in the state for 44 years through the governorships of Smith Roosevelt Lehman Dewey Harriman and Rockefeller and in the city for 34 years through the mayoralties of La Guardia O'Dwyer Impellitteri Wagner and Lindsay He personally conceived and carried through public works costing 27 billion dollars he was undoubtedly America's greatest builder This is how he built

and dominated New York before finally he was stripped of his reputation by the press and his power by Nelson Rockefeller But his work and his will had been done *From Paesani to White Ethnics* Stefano Luconi,2001-02-01 Examines the transformations of Italian American ethnic identity in twentieth century Philadelphia *Wolves in Chic Clothing* Carrie Karasyov,Jill Kargman,2005 Skewers the upper crust young people of Manhattan s Park Avenue in the story of Julie a hip downtown salesgirl at Pelham s jewelry store who is adopted by wealthy Lell Palham and her friends who pass her off as an heiress as a joke **Philadelphia Divided** James Wolfinger,2011-02-01 In a detailed study of life and politics in Philadelphia between the 1930s and the 1950s James Wolfinger demonstrates how racial tensions in working class neighborhoods and job sites shaped the contours of mid twentieth century liberal and conservative politics As racial divisions fractured the working class he argues Republican leaders exploited these racial fissures to reposition their party as the champion of ordinary white citizens besieged by black demands and overwhelmed by liberal government orders By analyzing Philadelphia s workplaces and neighborhoods Wolfinger shows the ways in which politics played out on the personal level People s experiences in their jobs and homes he argues fundamentally shaped how they thought about the crucial political issues of the day including the New Deal and its relationship to the American people the meaning of World War II in a country with an imperfect democracy and the growth of the suburbs in the 1950s As Wolfinger demonstrates internal fractures in New Deal liberalism the roots of modern conservatism and the politics of race were all deeply intertwined Their interplay highlights how the Republican Party reinvented itself in the mid twentieth century by using race based politics to destroy the Democrats fledgling multiracial alliance while simultaneously building a coalition of its own **Blue-Collar Conservatism** Timothy J. Lombardo,2021-05-07 Blue Collar Conservatism examines the blue collar white supporters of Frank Rizzo Philadelphia s police commissioner turned mayor and shows how the intersection of law enforcement and urban politics created one of the least understood but most consequential political developments in recent American history **A Leader Born** Alton Keith Gilbert,2006-08-19 This biography of one of World War II s great military leaders is a rich tribute to a staunch American naval hero WWII Quarterly John S Slew McCain was an old school sailor Wiry profane a cusser and a gambler he reminded more than one observer of Popeye He was also a pioneer in the hard hitting naval tactics that brought Imperial Japan to its knees McCain graduated from Annapolis in 1906 and served aboard an armored cruiser in World War I Perceiving the future of naval warfare he earned his aviation wings in 1936 and by 1939 McCain was commander of the aircraft carrier USS Ranger He was thus well placed to play a leading role in America s cut and thrust war with the Japanese across the broad expanses of the Pacific In 1942 he was made commander of all land based aircraft during the campaign for Guadalcanal Though he took his share of blame for the disaster at Savo Island he counterattacked with every means at his disposal to the point of commandeering the planes of the crippled carriers Enterprise and Saratoga to reinforce US strength on Henderson Field By the time the US returned to the Philippines McCain was leading a fast carrier task force under

William Bull Halsey When asked what he thought about his carrier commander Halsey replied Not much more than my right arm McCain s carrier group would destroy thousands of enemy planes and hundreds of ships with aggressive swarming tactics Four days after Japan officially surrendered McCain died in his bed His name has lived on however through his son who became commander of US naval forces in the Pacific and his grandson John S McCain III carrier pilot Vietnam POW and United States Senator Drawing upon a wealth of primary sources including information provided by the McCain family as well as an expert grasp of the titanic battles waged by the US armed forces in the Pacific Alton Keith Gilbert has provided the fullest account of the Admiral John McCain s life yet written
