Maintaining Family Ties Inclusive Practice In Foster Care:

Maintaining Family Ties Sally E. Palmer, Child Welfare League of America, 1995 Maintaining Family Ties examines the behavior of children in foster care and their expressed feelings related to separation from their families Chapter One presents theories of separation and self concept relevant to children in care Chapter Two reviews research knowledge from empirical studies and practice experience Chapters Three Four and Five describe and discuss the qualitative findings from workers discussions on supervision including children's reactions to supervision workers interventions and agency influences on the handling of separation Chapter Six draws conclusions and offers recommendations **Maintaining Family Ties** Sally E. Palmer, Child Welfare League of America, 1995 Maintaining Family Ties examines the behavior of children in foster care and their expressed feelings related to separation from their families Chapter One presents theories of separation and self concept relevant to children in care Chapter Two reviews research knowledge from empirical studies and practice experience Chapters Three Four and Five describe and discuss the qualitative findings from workers discussions on supervision including children's reactions to supervision workers interventions and agency influences on the handling of separation Chapter Six draws conclusions and offers recommendations Resources in Education ,1998 Welfare Challenge, 2017-07-28 This newly revised and updated edition of a widely adopted text continues to address a broad array of issues in supporting children and strengthening families It includes key information about federal legislation as well as policy related outcomes research in child welfare The first edition of The Child Welfare Challenge was hailed by Social Work as an excellent source from which to gain an in depth understanding of the practice and policy dimensions of child maltreatment foster care and adoption and by the Journal of Sociology and Social Welfare as essential reading for anyone interested in knowing more about child welfare practice in social work Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape current child welfare practice and possible future directions In addition to describing the major challenges facing the child welfare field the book highlights some of the service innovations that have been developed as these could be used to help address some of these challenges In child welfare the focus is on families and children whose primary recourse to services has been through publicly funded agencies The contributors consider historical areas of service foster care and adoptions in home family centered services child protective services and residential services in which social work has a legitimate long standing and important mission This is a comprehensive book but one that appreciates the fact that many areas such as daycare and early intervention invite exploration It is unique in that each chapter describes how policy initiatives and research can or should influence program design and implementation Social Work Practice with Families and Children Anthony Maluccio, Barbara Pine, Elizabeth M. Tracy, 2002-09-11 This book emphasizes family centered social network and school based interventions in the preparation of social workers for direct and indirect practice with clients from vulnerable populations especially the poor people of color

and recent immigrant groups With an eye to recent changes in social work practice and service delivery including the impact of welfare reform and managed care on vulnerable families and children Social Work Practice with Families and Children helps social work students and practitioners understand the increasingly complex needs of their clients Three valuable appendixes include information about tools and instruments to support practice child welfare resource centers and electronic resources pertaining to the field The Child Welfare Challenge James K. Whittaker, 2017-07-12 Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape child welfare practice and its future In addition to describing the major problems facing the field the book highlights service innovations that have been developed in recent years The resulting picture is encouraging especially if certain major program reforms I are implemented and agencies are able to concentrate resources in a focused manner The volume emphasizes families and children whose primary recourse to services has been through publicly funded child welfare agencies The book considers historical areas of service foster care and adoptions in home family centered services child protective services and residential services where social work has an important role Authors address the many fields of practice in which child and family services are provided or that involve substantial numbers of social work programs such as services to adolescent parents child mental health education and juvenile justice agencies This new edition will continue to serve as a fundamen tal introduction for new practitioners as well as summary of recent developments for experienced practitioners Welfare Kathleen Kufeldt, 2014-05-27 In 1994 a group of researchers and decision makers met to discuss the state of child welfare Also present were a few practitioners and two youth in care Six years later when they met again the number of practitioners and youth had grown considerably and were joined by a strong contingent of foster parents Thus the findings and insights presented were affirmed or challenged by those most affected those on the front line It was an exciting event worth capturing in book form Kathleen Kufeldt and Brad McKenzie have gathered the papers presented at the 2000 Symposium and have organised them under four themes incidence and characteristics of child maltreatment the continuum of care policy and practice and future directions An analysis and synthesis of the work informs each of these themes while an eight point research agenda developed in an earlier symposium is used to assess developments to date and provide guidance A Child and Youth Care Approach to Working with Families Thomas Garfat, 2012-06-14 Use this for the future newly developed family oriented approach to be a better youth worker In A Child and Youth Care Approach to Working with Families practitioners and trainers in a new child methodology show you how to expand your youth program to involve family work using the Child and Youth Care Approach This book provides a new way of looking at work with families in which the helpers are involved in the daily life of the families they are supporting This book will be valuable to practitioners and instructors of the Child and Youth Care Approach as well as to youth workers foster parents and social workers who want to develop their own knowledge and skills in working with families A Child and Youth Care Approach to Working with Families

is designed to help youth care workers engage in a working relationship with young people and families that can facilitate change and allow families to live together more effectively with less stress This book emphasizes that the family be involved in the care and treatment of young people The authors reveal methods for connecting with each family by reflecting their rules roles culture rhythm timing and style This book will help you develop your proficiency with the Child and Youth Care Approach to working with families shift from working in residential only programs to in home family prevention create as many moments of connection as possible among family members learn what boundaries need to be maintained to gain credibility with families provide effective supervision for staff working with families create activity oriented family focused work to develop family relationships and more The authors of A Child and Youth Care Approach to Working with Families offer unique insight into the successes and failures of those who have moved into this area of helping troubled youths and adolescents Special features of this book include specific learning exercises and short stories and case scenarios for you to practice alone or with your colleagues as well as tables and figures This book will introduce students practitioners and programs directors fully to this latest development in the field and help them engage more effectively with families All royalties from this book will go to support CYC Net www cyc net org Spreading the wings of Foster Care, in Child Protective Services Charmaine R. Brittain, Deborah Esquibel Hunt, 2004-02-12 This comprehensive handbook is a useful tool for practitioners in understanding the casework process Chapters cover child development intervention with families and medical evaluation of child abuse and neglect and how to interview in child protective services Child Welfare in Society Brid Featherstone, Carol-Ann Hooper, Jonathan Scourfield, Julie Taylor, 2009-12-09 Considers ways in which raising questions about gender can help researchers and practitioners better understand family relationships and issues in children's development Draws on current developments in thinking about gender relations Offers an overview of sociological psychological and developmental perspectives on family relationships child welfare outcomes and the practice policy realities of professional interventions with families Chapters address range of service settings including family support child health education child protection domestic violence looked after children and youth justice **Moving Toward** Positive Systems of Child and Family Welfare Gary Cameron, Nick Coady, Gerald R. Adams, 2007-04-19 Faced with rapidly changing social and economic conditions service professionals policy developers and researchers have raised significant concerns about the Canadian child welfare system This book draws inspiration from experiences with three broad international child welfare paradigms child protection family service and community healing caring First Nations to look at how specific practices in other countries as well as alternative experiments in Canada might foster positive innovations in the Canadian child welfare approach Foundational values and purposes systems design and policy and organization and management are discussed as are front line service delivery service provider work environments and the realities of daily living for families Informed by recent research the contributors provide clear directions for policy administration and service

delivery reforms Informing policy debates addressing child maltreatment and family welfare this book will serve as a vital resource for managers service providers professionals and students in the fields of social work child and youth care family studies psychology and special education **Children and Society** Malcolm Hill,2014-09-25 Provides a comprehensive overview of the issues research and debates relating to children and the experience of childhood in late twentieth century Britain This volume will address key issues such as juvenile crime poverty child protection and children s rights and their implications for the development of policy and services for children Presents first hand accounts from children and parents

CWLA Standards of Excellence for Services to Strengthen and Preserve Families with Children Child Welfare League of Rebuilding Family Relations for Children and Youth Separated from Family Sarah Hean, Vanessa America, 2003 Heaslip, Jonathan Parker, Pravin Tembjerg, 2024-10-16 This edited volume explores a range of causes for separation of children and young people from family the impact of these causes and methods that both professionals and families may employ to build or rebuild these relations In particular contributions focus on six high priority crises through which children and young people become either permanently or temporarily separated from their families removal by child welfare services migration family breakdown placement into institutional care incarceration and or the death of a parent Authors emphasize the feelings of grief and loss experienced both by the child and their family whatever the separation context and the eventual impact on the young person's mental health. They conclude that reunification with the family is not always possible or desirable and permanent alternative sources of care and or attachment may be required But if reunification is possible it is a complex and a multidimensional pathway as children move from one care context to the next Innovation coproduction with the birth family and tackling stigma and discrimination associated with family separations is a high priority Health Practice with Children and Youth Lonnie R. Helton, Mieko Kotake Smith, 2014-01-02 Use a strengths perspective for working with your younger clients Mental Health Practice with Children and Youth A Strengths and Well Being Model presents new insights into successfully working with children by concentrating on their capabilities and resilience This book explores the continuum of children's needs and challenges from early childhood through adolescence This text also supports child centered and strengths oriented approaches to intervention with children and introduces specific strategies for maximizing pro social behaviors self concept learning and positive peer relationships in children at home at school and in the community Mental Health Practice with Children and Youth shows how children's rights have slowly evolved over many years from children's status as property in the 1600s to the twentieth century innovations that give a child a specific legal status with a certain amount of freedom and self determination By emphasizing the self concept and self esteem guidelines outlined by this book social workers mental health specialists and childcare professionals can help children transition into healthy adults despite hardships disabilities or parent negligence Chapters highlighting interview and assessment techniques as well as media directed creative child therapies will enhance your counseling and intervention practices Mental Health Practice

with Children and Youth provides you with insight on the relationships between children and family environment from two parent families to foster families child socialization and peer relationshipsin school and around the community adolescencegender roles ethnic and racial diversity sexual orientation and adult transitioning educational needsteacher expectations special education diversity home schooling and more The strengths perspective is not always included in traditional child welfare and children's practice texts and this textbook fills that gap for working with younger clients Children in child welfare educational mental health family service and recreational settings will all benefit from the inclusion of Mental Health Practice with Children and Youth A Strengths and Well Being Model in your work Augmented with case scenarios and studies empirical findings and questions for discussion in every chapter this book will help child service professionals as well as university faculty and students L'enfant et le litige en matière de protection Karine Poitras, Claire Baudry, Dominique Goubau, 2016-12-08T15:00:00-05:00 Cet ouvrage qui r unit les contributions de sp cialistes dans les domaines du droit de la psychologie du service social et de la psycho ducation propose une tribune ces regards crois s dans le but de permettre une meilleure connaissance des enjeux en mati re de protection de l'enfance et de mieux baliser la notion de l int r t de l enfant dans ce domaine Ce collectif int ressera les experts en mati re de protection de l enfance les intervenants psychosociaux sp cialis s dans ce domaine ainsi que les avocats et les juges Vivre en famille d'accueil jusqu'à mes 18 ans Louise Carignan, Jacques Moreau, 2011-07-11T00:00:00-04:00 Une r flexion sur l adaptation sociale et personnelle des jeunes plac s en famille d accueil jusqu leur majorit sans possibilit de retour avec leurs parents biologiques Les auteurs nous proposent d analyser ce processus d adaptation en fonction de diverses trajectoires de placement et du maintien ou non des contacts avec les parents biologiques. Le contenu est bas sur les r sultats d'une recherche effectu e aupr s de jeunes plac s jusqu leur majorit dans des familles d accueil Ils pr sentent le point de vue des jeunes tentent de comprendre les liens d'affiliation aux prises avec deux familles proposent un cadre de r flexion aux futurs intervenants sociaux et offrent des balises aux professionnels dans leur processus de d cision concernant le maintien ou le non maintien du lien avec la famille biologique dans le meilleur int r t des enfants lors d un projet de vie Ils esp rent ainsi contribuer au d veloppement de nouvelles pratiques sociales fond es sur des donn es probantes et nourrir la mise jour de la formation des intervenantes et des intervenants sociaux int ress s aux enfants ou aux jeunes et plus particuli rement ceux en besoin de protection Ce livre s adresse aussi aux tudiants tant de niveau coll gial qu universitaire ainsi qu aux chercheurs en sciences sociales qui souhaitent se familiariser avec l volution des pratiques sociales en mati re de placement familial au Qu bec

African American Kinship Foster Parents' Perceptions of Kinship Foster Care Laura Sue Boisen,1997 La capacidad y coordinación parental en la custodia de los menores Fernando Jiménez Gómez,Guadalupe Sánchez Crespo,Amada Ampudia Rueda,2022-02-11 Este libro describe el trabajo de los profesionales de la salud mental para las evaluaciones forenses en asuntos de cuidado y protecci n de los menores en dos aspectos la capacidad de los padres para

criar y educar a sus hijos y la coordinaci n parental para ayudar a los padres a resolver los interminables conflictos de su convivencia familiar Ambos tienen el mismo objetivo final el mejor inter s del ni o Se compone esencialmente de dos partes importantes y actuales sobre la parentalidad Una primera hace referencia a la capacidad parental y su evaluaci n forense por parte de los profesionales de la salud en los juzgados de familia cuando se trata de asignar la custodia de los hijos a una pareja que ha decidido separarse se hace necesario valorar las capacidades y o habilidades de cada uno de los padres para poder apreciar el cuidado la atenci n la educaci n y la capacidad de crianza que tiene sobre sus hijos La segunda parte se relaciona con la coordinaci n parental su evaluaci n por parte de profesionales de la psicolog a de la mediaci n y de la jurisdicci n ante situaciones problem ticas de coparentalidad en familias de elevada conflictividad y que est n afectando gravemente a sus hijos La figura del coordinador parental con autoridad semijudicial que ayude a las familias con problemas graves de convivencia y que lamentablemente suelen acudir al juez de familia para que le resuelva sus problemas se est haciendo cada vez m s necesaria en nuestros juzgados para as poder descargar a los jueces de esta ardua tarea
