Maisie Goes To School:

Maisy Goes to School Lucy Cousins,1992 By lifting flaps and pulling tabs the reader shares a young mouse s experiences at school *Maisie Goes to School* Aileen Paterson,1988 **Maisy Goes to School** Diane Longo,2021-03-09 Entering Kindergarten is an exciting passage for children however some may be apprehensive as to what to expect Read along with little Maisy as she helps them experience a fun day at school **The Magic Toy Shop** Peter King,2024-01-05 The book is a children s fairy tale about toys with magic powers A toy shop hidden in an old village deep in the countryside is rumoured to have magic powers Every toy that enters the toy shop either to be mended or sold is given the power to move and talk to other toys But the magic power only happens when children and adults are not around The children that live in the village somehow know that that is true without having any real proof All the parents are convinced that it is the children spreading the rumours until they experience strange happens with their children s toys Many of the toys have their own story to tell including dolls robots and unicorns as well as the children who own them and Nancy and Tom the shop owners Michael s dad is determined the find out the truth about these magic powers and secretly sets up a video camera in his son s play room during the night with the story ending with a surprising twist **Outnumbered by Daughters** Peter King,2023-03-03 The book is an adult fictional novel based on a young man s struggle with sadness tragedy complicated romances and family life He attempts to bring up twin girls and an older stepdaughter as a single parent through their middle school years He encounters all sorts of problems that readers could relate to in their own personal life involving mixed emotions and hardship including his own complicated and failed romances on his journey through this stage of parenthood He has to deal with embarrassment and overcome all sorts of new experiences as he tries to understand the problems and needs that young girls have to face as they grow up The girls teenage years present him with a completely different set of problems but he does at least have better success with romance resulting in a wife new daughter and stepdaughter finally completing his family *Learning Relations (Routledge Revivals)* Doreen Grant,2014-05-01 Dissatisfied with the effects of schooling on children from low income families Doreen Grant left her post as head of a secondary school in Liverpool and turned to research for solutions to this perennial social problem This is a popular account of her involvement with under privileged Glaswegian parents and children and her attempt to address the problem of underachievement from the perspective of the home rather than the educational establishment Combining the theory of international scholars such as Brofenbrenner Bruner Donaldson and Freire with practical experience Doreen Grant indicates the improvements in children s active learning when parents participate fully in the process of education *Learning Relations* first published in 1989 describes the creation of a coherent learning environment in the inner city as parents gain confidence in their personal vocation as natural educators it becomes clear that they are not only willing but fully capable of improving their children s chances of success *Tale, Performance, and Culture in EFL Storytelling with Young Learners* Licia Masoni,2019-10-10

This book analyses the interplay between storytelling with specific reference to oral retellings of authentic picture books language learning culture and emotions in the EFL pre school and primary classroom Using a multidisciplinary approach it applies oral narrative studies as well as research on shared reading with children and literature in picture books to foreign and second language teaching theory and practice while also discussing the impact of EFL storytelling on intercultural understanding Although specifically conceived for teaching English as a foreign language most contents apply to foreign second language teaching to young children in general *Maps* Carolyn Croop,2017-02-23 MAPS is a unique combination of poems and short stories that will leave the reader in suspense Mystery and adventure are included in the poems and stories Journey of the Mind and Secret Vampire Society are short stories written in rhyme along with four nonrhyming stories Life is a mystery At any time to anyone anything may happen from the poem Birds Radio Girls Sarah-Jane Stratford,2016-06-14 The Great War is over and change is in the air in this novel that brings to life the exciting days of early British radio and one woman who finds her voice while working alongside the brilliant women and men of the BBC London 1926 American raised Maisie Musgrave is thrilled to land a job as a secretary at the upstart British Broadcasting Corporation whose use of radio still new strange and electrifying is captivating the nation But the hectic pace smart young staff and intimidating bosses only add to Maisie s insecurity Soon she is seduced by the work gaining confidence as she arranges broadcasts by the most famous writers scientists and politicians in Britain She is also caught up in a growing conflict between her two bosses John Reith the formidable Director General of the BBC and Hilda Matheson the extraordinary director of the hugely popular Talks programming who each have very different visions of what radio should be Under Hilda s tutelage Maisie discovers her talent passion and ambition But when she unearths a shocking conspiracy she and Hilda join forces to make their voices heard both on and off the air and then face the dangerous consequences of telling the truth for a living READERS GUIDE INCLUDED
