Managing Gods Goods:

Managing God's Goods Paul G. Smith, 1973-01-01 Managing God's Money Randy Alcorn, 2011 Jesus says more about how we are to view and handle money and possessions than about any other topic including both heaven and hell Alcorn breaks down exactly what the Bible has to say about how we are to handle our money and possessions in a simple easy to follow format **Managing God's Business** Malcolm Torry, 2017-03-02 Religious and faith based organisations constitute a large and important group of organisations This is the first book to study systematically their characteristics and the distinctive challenges they pose to the people managing them Malcolm Torry discusses how to define religious and faith based organisations how to study them and the secular context in which they operate in Western Europe and the USA There are chapters on congregations denominations governance membership the clergy leadership and religious and faith based organisations relationship to civil society The book relies on research based literature and case studies and contains full bibliographies making it an essential tool for anyone studying this important new field **Managing God's Resources** Annie Barksdale, 2002-02 **A Workbook on Biblical Stewardship** Richard Rusbuldt, 1994 This nine chapter journey through the biblical principles of stewardship helps Christians grasp God's message regarding his people's role and responsibility as earthly caretakers The workbook could well be used in a church school class or in a small group setting

God Good-Debt Bad Rc Cowell, 2003-07 Instituted by God Adam Murrell, 2012-03-16 How would Jesus vote That's the one question people ask repeatedly and folks on both sides of the political aisle think they know the answer Into this overwhelmingly complex political question Adam Murrell brings a concise compelling and nonpartisan exploration of what God's Word has to say on a myriad of issues ranging from the role of civil government and single issue voting to the ethics of voting and a woman's role in politics Instituted by God isn't intended to tell you which candidate to support rather it offers you a wholly biblically centered way of looking at candidates to help you draw your own political conclusions This election season don't cast an uninformed vote that fails to reflect your Christian values Instead learn how to apply the teachings of the Bible your faith and your obedience to God to your ballot This timely helpful and daring book will enable you to do just that Kingdom Gps Norman E. Hardman, 2008-06 *The Greatest* Cyril K. Nwozor PhD, 2017-05-31 At the same time came the disciples unto Jesus saying who is the greatest in the kingdom of heaven And Jesus called a little child unto him and set him in the midst of them and said Verily I say unto you except ye be converted and become as little children ye shall not enter into the kingdom of heaven Whosoever therefore shall humble himself as this little child the same is greatest in the kingdom of heaven Matthew 18:14 Nothing can be more humiliating than that time when the disciples should have had such contentions and in such a time and place When just as Jesus was cogitating his own death and laboring to prepare them for it they strived and contended about office and rank This shows how deeply seated the love of power and authority is Do you want to be greatest Have a childlike character says the Lord It takes no title to be a great leader Being wealthy does not

make one a great leader That you are educated with highest accolade in education does not qualify you to be a great leader A great leader is one who is humble and has a servants heart he is one who rules guides inspires and treats others as he would like to be treated Having influence or power over others is not leadership that is dictatorship A great leader is that person who possesses the ability to lead others like Christ led and has potential to teach others He is one with the ability to identify gifts and talents in others and guide them to potential A leader is someone God has chosen and people choose to follow one who loves and positively influences others to do things they may not otherwise do Ideally an effective great leader is a person who imitates Christs style of leadership a person full of compassion integrity and humility and is not a dictator Again do you want to be greatest Have a childlike character think like a child love like a child trust and have faith in God like a child
