door anyone who enters another's property without the use of a door or permission from the owner with the intent to remove or replace items not authorized by the owner is considered to be a thief and a robber by Our Lord and Savior Jesus Christ as written in John 10:1. Love, 2019-04-30 Most women are raised in a context of feminine values whether they are aware of those values or not. Some of the values specific to this feminine culture are interdependence, caring, and relationality. In our time many women cross over into a masculine value culture when they take on what were traditional male roles in male evolved institutions. Eventually women become aware that their own values conflict with some assumed male values. They then have to compromise and adjust in order to be productive in those environments. The women I have focused on in this study have because of a significant external event or events and an emerging inner vision left both structures. They then however lack others around them whose values structures can reinforce adherence. When these women are by themselves they experience something like a dark night of the soul. Once they get beyond the pain and a sense of meaninglessness they begin to realize that they can move the constructs of reality that they can write history as well as read it. An essential concern is to determine what their values are. After this process their own personal vision becomes clear. But the cycle isn't complete until they bring that new vision back to their people. And bringing it back in a holistic sense helps to raise the moral sights of others who are influenced by that experience. **The Interior Castle** St. Teresa of Avila, 2024-12-09 A TIMELESS CLASSIC OF SPIRITUAL LITERATURE *Interior Castle* written in the 16th century is a book that was inspired by a mystical vision that came upon the revered St. Teresa of Avila, one of the most gifted and beloved religious figures in history. It has continued to inspire and guide readers for generations as it explores the journey of the soul towards a union with God. St. Teresa sees the soul as a magnificent castle with bright, spacious rooms or mansions, each of which leads deeper into the castle, finally reaching the seat of the King who dwells in the seventh mansion. As she describes each of the seven rooms, she urges us forward to love and serve the Divine Majesty, imparting her conviction that the progress of our soul toward God through prayer is worth more than all the treasures on earth. Offering practical advice regarding the early struggles we will face and the temptations to turn back which beset beginners, she warns us against giving all of our attention to the outer wall of the castle, the body, ignoring the beauty of the soul within. This deeply personal and insightful text offers guidance and encouragement to those seeking to deepen their relationship with God. Its vivid imagery and profound wisdom remains relevant and inspiring to readers of all ages and backgrounds. Opening a window into the mysteries of the spiritual life, it discusses the beauty and dignity of our souls and invites us to embark on our own journey of discovery and growth in order to find the path to a deeper and more meaningful connection with the divine.
