Mastering Public Relations

Delroy Constantine-Simms

Mastering Public Relations:

Mastering Public Relations Saylor Foundation, 2016 Our purpose in this volume is to introduce you to the concepts of strategic public relations Our basic assumption is that you have some general knowledge of management and business terminology we will help you to apply that to the discipline of public relations Our text is based in current research and scholarly knowledge of the public relations discipline as well as years of experience in professional public relations practice Whether you are reading this book to learn a new field simply to update your knowledge or as part of an educational program or course we value every moment that you spend with it Therefore we have eliminated much of the academic jargon found in other books and used a straightforward writing style We tried to make the chapters short enough to be manageable but packed with information without an overreliance on complicated examples or charts and diagrams We hope that our no nonsense approach will speed your study

Mastering Public Relations Anthony Davis, 2004 In an engaging and accessible style Mastering Public Relations takes a strategic management approach to providing a broader and deeper understanding through a well balanced interpretation of theory and practice For undergraduate diploma and CPD readers this non partisan wide ranging introduction sets public relations and its likely development in meaningful relevant context Recurring themes include ethics social responsibility and international applications There are multiple case studies and examples numerous thought provoking questions and many more unusual topics included MARKET 1 Undergraduates studying PR either as straight PR or combined with other subjects e g marketing HND HNC CPD CAM and Diploma courses MARKET 2 MBA students Professionals responsible for managing PR Business people on short management courses
