Mastering Sociology Macmillan Modern Shakespeare:

Mastering Shakespeare Richard Gill, 2017-03-01 *Mastering Shakespeare* covers in detail the plays set in the National Curriculum through GCSE and A Level to the major elements of Shakespearean drama studied in further education courses. The book is divided into sections that deal with comedy, tragedy and history. Also included are detailed sections on the most popular plays in the theatre and in the examination room. The book deals with the basic themes of Shakespeare, the kinds of characters he created, the stories he was attracted to, and the ways in which the plays work out on stage. Among the plays studied are *A Midsummer Night's Dream*, *Merchant of Venice*, *Julius Caesar*, *Romeo and Juliet* and *Hamlet*. *Mastering Java* William J Buchanan, 1998-11-11 This book provides an introduction to the Java programming language and also covers other related areas such as HTML, JavaScript, CGIscript and VRML. Most of the Java programs relate to practical examples including Menus and forms, Graphics, Event driven software such as mouse and keyboard events, Networking, Interacting with other programs, Animation. It also covers fundamental areas such as TCP/IP and the HTTP protocol. The Java compiler source code, background information and source code is available from the author over the Internet. *Mastering C++ Programming* W. Arthur Chapman, 1998-11-11 This book introduces the fundamental constructs of C++ and provides a gentle introduction to the ideas of object oriented programming. It is important to understand the basics of both these approaches to program design. Written in an easy to follow style, this book is well illustrated and contains many practical exercises. It is suitable for individual study or classroom use and will be of value to those new to programming and to existing programmers wishing to make the switch to C++.

Mastering Modern European History Stuart Miller, 2016-01-09 *Mastering Modern European History* traces the development of Europe from the French Revolution to the present day. Political, diplomatic and socio-economic strands are woven together and supported by a wide range of pictures, maps, graphs and questions. Documentary extracts are included throughout to encourage the reader to question the nature and value of various types of historical evidence. The second edition brings us fully up to the present day. Chapters on European Decolonisation, Communist Europe 1985-9 and European Unity and Discord have been added and others have been substantially rewritten. An even wider range of illustrations and documentary source questions are included. The book is presented in a readable and well ordered format and is an ideal reference text for students.
