The British Empire and the First World War Ashley Jackson, 2017-06-26 The British Empire played a crucial part in the First World War supplying hundreds of thousands of soldiers and labourers as well as a range of essential resources from foodstuffs to minerals mules and munitions In turn many imperial territories were deeply affected by wartime phenomena such as inflation food shortages combat and the presence of large numbers of foreign troops This collection offers a comprehensive selection of essays illuminating the extent of the Empire s war contribution and experience and the richness of scholarly research on the subject Whether supporting British military operations aiding the British imperial economy or experiencing significant wartime effects on the home fronts of the Empire the war had a profound impact on the colonies and their people The chapters in this volume were originally published in Australian Historical Studies The Journal of Imperial and Commonwealth History First World War Studies or The Round Table The Commonwealth Journal of International Affairs

Monash's Masterpiece Peter FitzSimons, 2018-04-24 The Battle of Le Hamel on 4 July 1918 was an Allied triumph and strategically very important in the closing stages of WWI A largely Australian force commanded by the brilliant Sir John Monash fought what has been described as the first modern battle where infantry tanks artillery and planes operated together as a coordinated force Monash planned every detail meticulously with nothing left to chance Integrated use of tanks planes infantry wireless and even carrier pigeons was the basis and it went on from there down to the details everyone used the same maps with updated versions delivered by motorbike despatch riders to senior commanders including Monash Each infantry battalion was allocated to a tank group and they advanced together Supplies and ammunition were dropped as needed from planes The losses were relatively few In the words of Monash A perfected modern battle plan is like nothing so much as a score for an orchestral composition where the various arms and units are the instruments and the tasks they perform are their respective musical phrases Monash planned for the battle to last for 90 minutes in the end it went for 93 What happened in those minutes changed for the rest of the war the way the British fought battles and the tactics and strategies used by the Allies Peter FitzSimons brings this Allied triumph to life and tells this magnificent story as it should be told
