Coleman, 1987 Dr Robert E Coleman examines the pattern of disciple making set forth in the Book of Acts After discussing the principles of church growth in depth he shows how to apply them to the contemporary church Copyright Libri GmbH All rights reserved      The Master's Plan for Making Disciples Barth Smith, 1980      **The Master's Plan for Making Disciples, Participant Workbook** Win Arn, 198?      The master plan for making disciples Mark Goeglein, 1996      The Master Plan of Evangelism Robert E. Coleman, In this classic work Robert E Coleman examines the evangelistic methods of Jesus Christ and shows how they are still relevant and effective today Through a careful study of the Gospel accounts Coleman identifies eight principles that Jesus used to train his disciples and spread his message He then applies these principles to the modern church offering practical guidance for evangelism and discipleship in the 21st century

*Christ's Way of Making Disciples* Philip G. Samaan, 1999 Explores the dynamic process and progressive steps of Christ's strategy for revitalizing our lives our witness and our church's effectiveness      *The Master's Plan for Making Disciples* Charles Arn, 1980      A Model for Making Disciples James Crusoe, 2017-05 A hands on approach to retaining new members following the instructions of Jesus to make disciples through mentoring      **The Master's Plan** Craig Wesley Rensch, 2011 God has a vision plan and design for our lives and ministries It is greater than we could ever imagine By discovering and pursuing his design we find our greatest joy and fulfillment Fortunately Jesus has already told us our mission to partner with God and make disciples in all the nations      The Complete Book of Discipleship Bill Hull, 2014-02-27 Well organized and readily accessible The Complete Book of Discipleship pulls together into one convenient comprehensive volume relevant topics to discipleship such as Spiritual growth Transformation Spiritual disciplines Discipleship in the local church and beyond Indexed for easy reference      Discipleship from Jesus's Perspective George Gray, 2012-11-17 In this masterful work George Gray calls the church to live out the most natural expression of her love and obedience to the Master Grounded in careful exegesis comprehensive and sensitive to the complexities of modern life Gray examines the Gospels as a script that reveals not only how Jesus shaped the first disciples but how we must carry on making disciples in His name David B Capes Thomas Nelson Research Professor Houston Baptist University Discipleship is not about teaching someone to pray and read his or her Bible it is about learning how Jesus wants us to pray and read our Bibles Discipleship is not about the doctrine of the Church but the doctrine of Jesus Christ the head of the Church It is not about attending a church service but attending to the Lord Jesus's view of what it means to be the church In *Discipleship from Jesus's Perspective* author George Gray presents a guide for becoming a disciple the way Jesus intended that discipleship means adhering to His expressed will Gray carefully examines Jesus's pivotal statements regarding discipleship and unearths the key principles that transform the art of making a

disciple from a subjective guessing game to an objective and definitive master plan Including purposeful questions and exercises Discipleship from Jesus's Perspective provides practical steps for following the master plan and applying the commands to everyday life to become a true disciple of Jesus      **The Master's Plan for the Church** John

MacArthur, 2008-03-01 It is absolutely essential that a church perceive itself as an institution for the glory of God and to do that claims John MacArthur the local church must adhere unfalteringly to biblical leadership principles Christ never intended church leadership to be earned by seniority purchased with money or inherited through family ties He never compared church leaders to governing monarchs but rather to humble shepherds not to slick celebrities but to laboring servants Drawing from some of the best received material on church leadership this updated edition guides the church with crucial effective lessons in leadership This book is valuable not only for pastors and elders but for anyone else who wants the church to be what God intended it to be      Make Disciples Joel D. Heck, 1984      **The Disciple Maker's Handbook** Bobby

Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts      Make Disciples! Terry A. Bowland, 1999 Let us make no mistake about it Evangelism is not simply learning

Bible facts Evangelism is not simply understanding sociological information Evangelism is taking part in God's great work of redeeming the world through Christ It is to reach out and allow God's power and presence to extend into the lives of people through our daily lives When we increasingly become aware of God working within us the result will be joy joy in our daily tasks and joy in the lives we touch Wherever God's will is done the ultimate result for us will be joy      **Discipleship in the Postmodern Age** Daniel L. Kohn, 2020-09-04 There is a missing link in most churches today There is a significant gap

between membership and active involvement in ministry What is missing is what Jesus modeled in His earthly ministry disciple making In the absence of this model from Christ churches struggle to maintain membership and ministry Underequipped members lack the enthusiasm and insight to truly be a part of active ministry The reverse is also true when members are trained as active disciples the ministry potential of the church can follow that of the early Christian church outlined in the book of Acts Yes the model works as the Holy Spirit works in the transformed lives of today's disciples as He has throughout the history of the church This book will give you practical insights for developing a discipleship process in your church     *Following the Master* Michael J. Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus' agenda in making disciples of all the nations In *Following the Master* Michael J. Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship *Following the Master* compares other forms of master-disciple relationships in existence in the ancient Judaism and Greco-Roman world traces Jesus' steps as he called and developed disciples and the Mediterranean world as it followed Jesus' command to make disciples *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers
